**Charmed Life** Diana Wynne Jones, 2001-04-10 A bewitching comic fantasy by a master of the supernatural Cat doesn't mind living in the shadow of his sister Gwendolen the most promising young witch ever seen on Coven Street But trouble starts brewing the moment the two orphans are summoned to live in Chrestomanci Castle Frustrated that the witches of the castle refuse to acknowledge her talents Gwendolen conjures up a scheme that could throw whole worlds out of whack Altogether a delightful book *Times Literary Supplement* The concept is ingenious *The Horn Book* *The Chronicles of Chrestomanci* Diana Wynne Jones, 2001-01-09 In this multiple parallel universes of the Twelve Related Worlds only an enchanter with nine lives is powerful enough to control the rampant misuse of magic and to hold the title Chrestomanci The Chants are a family strong in magic but neither Christopher Chant nor Cat Chant can work even the simplest of spells Who could have dreamed that both Christopher and Cat were born with nine lives or that they could lose them so quickly *Four British Fantasists* Charles Butler, 2006-04-25 *Four British Fantasists* explores the work of four of the most successful and influential fantasy writers of the generation who rose to prominence in the second Golden Age of children's literature in Britain Susan Cooper Alan Garner Diana Wynne Jones and Penelope Lively Drawing on history archeology social geography anthropology and postcolonial theory as well as literary criticism Butler provides a series of new perspectives through which to view these writers' achievements He begins by highlighting some points of biographic coincidence e.g. all four authors were children during WWII all were born within a year or two of each other and all attended Oxford University in the early 1950s

when C S Lewis and J R R Tolkien were publishing their seminal fantasies and questions if these factors play any significant role in the development of these fantasy writers The author then uses this question as the springboard for a case study in the assessment of biographical and literary influence The book also considers the role played by Britain itself in determining the shape and preoccupations of these writers fiction Britain is a land with a long history in which contemporary life is constantly juxtaposed with evidence of the past in the form of ancient buildings historic sites and archeological remains By placing the work of Cooper Garner Jones and Lively in the context of British culture and of their own time Butler provides a key to their fascination with history mythology and magic and to the ways in which that fascination has found expression in their fiction Students of children s literature and of fantasy literature as well as readers who are interested in the lives of these four subject authors will find this an insightful read
