Chase Ink Lounge Club:

LogoLounge Bill Gardner, Catharine Fishel, 2004-09-01 This book takes all the logos that were in Rockport Publisher's best seller *LogoLounge* and collects them in one small neat pictorial handbook for easy reference. There are no lengthy case histories, just logos, logos, and more logos. It's a fast-paced book featuring one to six logos per page to allow designers to easily shop for ideas. Logos are among the most important elements a designer can create, so it is no surprise that they are always looking for new, fresh ideas. *LogoLounge* delivers just that. Its predecessor showcased the logos along with the stories of how they came to be; this compact version puts the spotlight on the logos alone, making it the perfect handbook to logo design.

I've wanted Chase for years, but much to my frustration, he's always considered me off-limits. When I walk into the Players Club with one goal in mind to find a man

who will give me what I need it s the maddeningly dominant possessive and I soon discover pierced Chase who refuses to allow any other man to touch me He gives me a night I ll never forget a taste of what is possible and I want more With him But Chase is a man with a dark past and secrets and even though we come to an agreement where I m the student and he s the teacher he insists this is all it could ever be That he s not capable of anything more Just as things begin to heat up between us someone starts leaving me cryptic messages and watching my every move Chase insists I move in with him so he can protect me and the moment I do our undeniable chemistry ignites into something deeper than either of us expected Soon his protection isn t enough I want all of him his body his heart and his trust And this time I m not letting him go without a fight Playing with Forever is a steamy romance with high stakes tension a possessive alpha hero and a love worth fighting for
