Chasing Fireflies Charles Martin, 2008-02-10 Martin understands the power of story and he uses it to alter the souls and lives of both his characters and his readers Patti Callahan Henry Colorful memorable characters Southern regional flavor that s drop dead accurate and lyrical intelligent writing make *Chasing Fireflies* an exceptionally good read Aspiring Retail When paramedics find a malnourished six year old boy near a burning car that holds a dead woman they wonder who he is and why he won t speak From the New York Times bestselling author of *The Mountain Between Us* and *The Water Keeper* comes a story of self discovery healing and hope On a stifling summer day an old Chevy Impala ignored the warning signals and was annihilated by the oncoming train What no one realized until much later was that the driver had paused just before entering the tracks and kicked a small boy out of the car A small boy with broken glasses who is clutching a notebook with all his might but who never speaks Chase Walker was one of the lucky ones He was in foster care as a child but finally ended up with a family who loved and cared for him Now as a journalist for the local paper he s moved on and put the past behind him But when he s assigned the story of this young boy painful haunting questions about his own childhood begin to rise to the surface And as Chase Walker discovers learning the truth about who you are can be as elusive and as magical as chasing fireflies on a summer night *Chasing Fireflies* is an emotional powerful story of family finding your place in the world and healing

The Charles Martin Collection Charles Martin, 2016-03-15 Three powerful novels about identity belonging and unconditional love from New York Times bestselling author Charles Martin are now available in one e book collection When *Crickets Cry* It begins in a sleepy Southern town A spirited seven year old has a brisk business at her lemonade stand But her pretty yellow dress can t quite hide the ugly scar on her chest Her latest customer understands more about the scar than he wants to admit And the beat up bread truck careening around the corner is about to change the trajectory of both their lives A man with a painful past A child with a doubtful future And a shared journey toward healing for both their hearts *Chasing Fireflies* They have one summer to find what was lost long ago Never settle for less than the truth she told him But when you don t even know your real name the truth gets a little complicated It can nestle so close to home it s hard to see It can even flourish inside a lie And as Chase Walker would discover learning the truth about who you are can be as elusive and as magical as chasing fireflies on a summer night *Wrapped in Rain* Famous photographer Tucker Mason captures things other people don t see But what Tucker himself can t see is how to let go of the past Tucker and his younger brother Mutt were raised by their housekeeper Miss Ella Rain who loved the motherless boys like her own Hiring her was the only good thing their father ever did But when Mutt escapes from a mental hospital Tucker is forced to return home and face the agony of that tragic past Though Miss Ella has long since passed Tucker can still hear her voice and her prayers But finding peace and starting anew will take a measure of grace that Tucker scarcely believes in Martin s characters overflow with rich truisms that you ll reread or rewind and relisten Look for additional inspirational fiction from Charles Martin *The Record Keeper*

Donnini,2020-02-29 Discover the life of a firefly A magical little creature who lights up the night sky *Chasing Fireflies* Claudia Burgoa,2019-09-09 The first time I met Oliver Tanner he was five years old I was four That day he was entrusted to my keep He was as large and loud as a church mouse That day I taught him how fireflies were magic with the persistence of a person That s what I loved about them No matter how far they strayed they remembered where they came from and who their family was After high school he joined the army and left Knox Ridge Years later the town had changed My dreams were shattered We had nothing left I had forgotten all about the magic of the fireflies Until he came back to town Everything about him was comforting He brought some light to my darkness But I knew the light could only last for so long Fireflies only stay for the summer He had outgrown our small town It was time for me to stop chasing fireflies WHERE THE FIREFLIES DREAM EMILY. NELSON,2011 **Fireflies** Ginger Sanders,2016-03-29 **Firefly Mountain** Patricia Thomas,2007 A family experiences the magic of fireflies in this story of anticipation marked by stunning illustrations a lyrical text and a deep and thoughtful connection to the natural world A young girl recalls a remarkable moment how she waited patiently through a long hot afternoon for night to fall so she and her family could make a journey to the top of a hill to see an amazing sight a multitude of blinking winking twinkling fireflies lighting up a nearby mountain Readers will be able to hear the whistles of the bobwhites and smell the sweet dry clover hay in Thomas s richly detailed prose Illustrator Peter Sylvada s stunning illustrations beautifully capture the wondrous tone of the story and the expectant child s sense of awe as she looks at the fireflies dance among the stars up on top of Firefly Mountain Fireflies ,2005 *Fireflies!* Julie Brinckloe,1985
