Encountering Jesus Anthony J. Gittins, 2018-02-13 In sixteen short but perceptive commentaries Anthony J Gittins recounts the experiences of various women and men from the New Testament insiders and outsiders people of substance and people regarded as sinners whose lives were changed by an encounter with Jesus Based on solid biblical scholarship but retold in language accessible to all and illuminated by the author s fresh perspective these stories emphasize the way in which people come to faith and discover discipleship Encountering Jesus presents New Testament figures in a new light and is perfect for both group study and personal reflection Among the discipleship stories included are the healing of the paralytic from the Gospel of Mark the healing of the Canaanite woman s daughter from Matthew the conversion of Zacchaeus the tax collector from Luke and the healing of the man born blind from John Anthony J Gittins writes Typically the stories demonstrate that there are often a number of stages or steps involved The easiest way to identify them is to notice exactly what each person says and in what sequence during his or her encounter with Jesus With the rare exception of someone immediately identifying Jesus with God most people are a little slower Readers may look out for a three step or four step approach to faith as a person moves to an even more specific identification of Jesus It is an interesting enlightening and sometimes surprising exercise

Encountering Jesus Cornelis Bennema, 2014 Applying a comprehensive theory of character to the Gospel of John Cornelis Bennema provides a fresh analysis of the characters and their responses to Jesus While the majority of scholars view most Johannine characters as flat Bennema demonstrates that many are complex developing and round Johns broad array of characters correspond to people and their choices in real life in any culture and time This book highlights how Johns Gospel seeks to challenge its readers about where they stand in relation to Jesus

Encounter Jesus! Peter M. Doane, 2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven Encounter Jesus Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the rebuilding of the Notre Dame Cathedral may this book serve as a blueprint for transformation in the culture of the church

Encounter Jesus in Genesis (4) Samuel J.

Kim,2023-10-22 In Genesis we encounter the same Jesus that Abraham met As a result we ve received the remission of sins and experienced being born again Through our belief in the Gospel of Truth we ve transformed into righteous individuals the holy saints with circumcised hearts and as such we are God s children blessed with eternal life By walking alongside God throughout our lives we too can bask in the rapture s glory mirroring Enoch s experience As God proclaimed The imagination of man s heart is evil from his youth Genesis 8 21 In response we should set aside our own perceptions placing trust in and adhering to God s Word Such genuine faith truly pleases Him Among believers two distinct groups emerge those solely devoted to God and those who balance their worship between God and idols The former group s faith lies in the God of Abraham while the latter places trust in the God of Nahor It s worth noting that Nahor s lineage revered both the teraphim and God In present times numerous Christians find themselves serving both God and wealth Such a faith aligned with the God of Nahor can be termed as a pseudo belief Abraham pursued the Word undeterred by uncertainties of his path It s my genuine wish for each of us to lead lives of faith reminiscent of Abraham which resonate with God s pleasure *The Joy of Encountering Jesus*: Hoan Moses Chung,2015-03-30 The Joy of Encountering Jesus does not call simply for faith in Jesus but spells out how and why we can believe in Jesus in this twenty first century Reflecting on human experiences recorded in the Bible including those of Jesus of Nazareth we search for who we really are Finding our true selves is possible only by discovering the risen Jesus dwelling within us Then the sun rises the whole world dances with joy and our hearts are filled with Gods grace we are Living Gods Life in a New World The Joy of Encountering Jesus provides 174 short homilies for three liturgical years that will lead you to rely on the heart rather than the head utilize non dualistic thinking rather than dualistic find God from within rather than from without build Gods kingdom on earth expand knowledge on Jewish apocalypse and eschatology update theology of resurrection and the Eucharist **Encountering Jesus in Revelation** Ben
