TWENTY PIECES OF THINKING

Robert Bringhurst

# **Everywhere Being Is Dancing**

**Nicholas McBride** 

#### **Everywhere Being Is Dancing:**

Everywhere Being Is Dancing Robert Bringhurst, 2009-05-01 In this companion volume to The Tree of Meaning Robert Bringhurst collects twenty essays under the subversive principle that everything is related to everything else His studies build upon this sense of basic connection and involve the work of poets musicians and philosophers as varied as Ezra Pound John Thompson Don McKay Empedokles Parmenides Aristotle Skaay Plato George Clutesi Elizabeth Nyman Ludwig Wittgenstein Dennis Lee and Glenn Gould The value Bringhurst places on the process of translation the dialogue between one language and another and the sheer experience of witnessing translation by reading and hearing poems stories and songs in their original languages is another strong presence in this collection Accompanying the English narrative are passages in Tlingit Haida Chinese Greek German Cree and Russian for readers who want to find the patterns and taste some of the vocabulary for themselves for those interested in meeting the languages partway Everywhere Being Is Dancing Robert Bringhurst, 2009-02-01 In this companion volume to The Tree of Meaning Robert Bringhurst collects twenty essays under the subversive principle that everything is related to everything else His studies build upon this sense of basic connection and involve the work of poets musicians and philosophers as varied as Ezra Pound John Thompson Don McKay Empedokles Parmenides Aristotle Skaay Plato George Clutesi Elizabeth Nyman Ludwig Wittgenstein Dennis Lee and Glenn Gould The value Bringhurst places on the process of translation the dialogue between one language and another and the sheer experience of witnessing translation by reading and hearing poems stories and songs in their original languages is another strong presence in this collection Accompanying the English narrative are passages in Tlingit Haida Chinese Greek German Cree and Russian for readers who want to find the patterns and taste some of the vocabulary for themselves for those interested in meeting the languages partway

Toward a Sacramental Poetics Regina M. Schwartz, Patrick J. McGrath, 2021-12-15 Distinguished theologians and literary scholars explore the workings of the sacred and the sacramental in language and literature What does a sacramental poetics offer that secular cultural theory for all of its advances may have missed How does a sacred understanding of the world differ from a strictly secular one This volume develops the theory of sacramental poetics advanced by Regina Schwartz in her 2008 book on English Reformation writers taking the theory in new directions while demonstrating how enduring and widespread this poetics is Toward a Sacramental Poetics addresses two urgent questions we have inherited from a half century of secular critical thought First how do we understand the relationship between word and thing sign and signified other than as some naive direct representation or as a completely arbitrary language game And second how can the subject experience the world beyond instrumentalizing it The contributors conclude that a sacramental poetics responds to both questions offering an understanding of the sign that by pointing beyond itself suggests wonder The contributors explore a variety of topics in relation to sacramental poetics including political theology miracles modernity translation and transformation and the metaphysics of love They draw from diverse resources

from Dante to Hopkins from Richard Hooker to Stoker's Dracula from the King James Bible to Wallace Stevens Toward a Sacramental Poetics is an important contribution to studies of religion and literature the sacred and the secular literary theory and theologies of aesthetics Contributors Regina M Schwartz Patrick J McGrath Rowan Williams Subha Mukherji Stephen Little Kevin Hart John Milbank Hent de Vries Jean Luc Marion Ingolf U Dalferth Lori Branch and Paul Mariani

The Room and the World Laura McCullough, 2015-01-01 The Room and the World Essays on the Poet Stephen Dunn is the first book of its kind to explore and unpack the Pulitzer winning poets oeuvre Including twenty four essays a foreword by poet and essayist Dave Smith and an introduction by Laura McCullough this anthology illuminates Dunn's development as a writer his thematic obsessions and his strategies and maneuvers on the page it also locates him in the pantheon of essential American poets Philosophical funny and founded on the juxtaposition of ideas with masterful tonal layering and texture Dunn s poems are considered some of the best of his generation. The contributing poets and scholars including Dunn s contemporaries and former students highlight Dunn s meditations on freedom and constraint sexuality and sorrow sound and sense and the mystery in the dailiness of living Fans will find this a crucial text that reveals the complexities of Dunn's poetry and much about the man himself Canadian Primal Mark Dickinson, 2021-02-18 Over the past few decades a group of writers we might call the Thinking and Singing poets have stood at the forefront of poetry in Canada These five poets Dennis Lee Don McKay Robert Bringhurst Jan Zwicky and Tim Lilburn are major voices in an era of ecological devastation and spiritual unease Their diverse questioning work suggests new ways to confront some of the most pressing issues of our time In vibrant prose Mark Dickinson explores the relationship between the lives of these poets and their writing examining their intersecting careers and friendships and the ways they learned from and challenged one another Canadian Primal uses an unconventional approach blending biography with literary analysis and drawing from meetings and correspondence with each poet over many years to trace the people and events that inspired the creation of important texts Dickinson tracks how each of the writers arrived at poetry as a way of being and at the heart of their poetics he finds both a musical intelligence and the crucial importance of the land Canadian Primal is literary biography reconceived as an adventure of the mind body and spirit Ebullient intelligent and eminently readable it reminds us that we can live on the earth in a different way true to the defining experiences of our lives surrounded by meaning and presence beyond our imagining Simplicity: Ideals of Practice in Mathematics and the Arts Roman Kossak, Philip Ording, 2017-06-28 To find criteria of simplicity was the goal of David Hilbert's recently discovered twenty fourth problem on his renowned list of open problems given at the 1900 International Congress of Mathematicians in Paris At the same time simplicity and economy of means are powerful impulses in the creation of artworks This was an inspiration for a conference titled the same as this volume that took place at the Graduate Center of the City University of New York in April of 2013 This volume includes selected lectures presented at the conference and additional contributions offering diverse perspectives from art and architecture the philosophy and history of

mathematics and current mathematical practice **Once upon a Time in the West** Jan Zwicky, 2023-05-15 Western civilization is over So begins Jan Zwicky's trenchant exploration of the root of global cultural and ecological collapse a way of thinking that is also linked to some of the West's most noted achievements The Renaissance merged imperial enterprise with Islamic algebra and recently recovered Greek mathematics to precipitate mechanized industry and resource extraction these in turn made possible the growth of capitalism the military industrial complex and Big Technology Despite its self image as objective Zwicky argues the West's style of thought is not politically neutral but intensely anthropocentric It has led those who adopt it to regard the more than human world as nothing more than timber licences and drilling sites where value is not recognized unless it is monetized Oblivious to context and blind to big picture thinking it analyzes mechanizes digitizes and systematizes while rejecting empathy and compassion as distorting influences Lyric comprehension in Zwicky s view offers an alternative to this way of thinking and she provides a wide range of examples Once upon a Time in the West documents how a narrow epistemological style has left Western thought blind to critical features of reality and how the terrifying consequences of that blinkered vision are now beginning to unfold **Reclaiming the Fire** Clifford Mayes, Mark Grandstaff, Alexandra Fidyk, 2019-02-08 This book examines six psychological and spiritual giants that were working a half century ago whose insights are as powerful today as they were then perhaps even more so given the current corporate agenda to standardize education and thereby take the soul out of it Indeed it is precisely because we are so aware of the impossible demands placed upon teachers these days which overtax already valiantly devoted and terribly overworked teachers and which also continue to ignore the fact that the problems children face are not a product of our schools but of our society at large that the authors have written this book This book will help you renew your noble sense of mission so that even in these trying times for teachers you will feel more fulfilled in all that you accomplish will discover ways to renew your vision of yourself as a teacher despite all the grossly and unjustly negative things that are said about teachers and will find Silence: A User's Guide, Volume One Maggie Ross, 2014-09-10 new ways of continue in your extremely important work Silence is essential for the health and well being of humans and the environment in which they live Yet silence has almost vanished from our lives and our world Of all the books that claim to be about silence this is the only one that addresses silence directly Silence A User's Guide is just what the title says it is a guide to silence which is both a vast interior spaciousness and the condition of our being in the natural world This book exposes the processes by which silence can transfigure our lives what Maggie Ross calls the work of silence it describes how lives steeped in silence can transfigure other lives unawares It shows how the work of silence was once understood to be the foundation of the teaching of Jesus and how this teaching was once an intrinsic part of Western Christianity it describes some of the methods by which the institution suppressed the work of silence and why religious institutions are afraid of silence Above all this book shows that the work of silence gives us a way of being in the world that is more than we can ask for or imagine CanLit Across Media Jason

Camlot, Katherine McLeod, 2019-12-12 The materials we turn to for the construction of our literary pasts the texts performances and discussions selected for storage and cataloguing in archives shape what we know and teach about literature today The ways in which archival materials have been structured into forms of preservation in turn impact their transference and transformation into new forms of presentation and representation Exploring the production of culture through and outside of the archives that preserve and produce CanLit as an entity CanLit Across Media asserts that CanLit arises from acts of archival critical and creative analysis Each chapter investigates challenges and provokes this premise by examining methods of unarchiving Canadian and Indigenous literary texts and events from the 1950s to the present Engaging with a remediated archive or unarchiving allows the authors and editors to uncover how the materials that document past acts of literary production are transformed into new forms and experiences in the present The chapters consider literature and literary events that occurred before live audiences or were broadcast and that are now recorded in print publications and documents drawings photographs flat disc records magnetic tape film videotape and digitized files Showcasing the range of methods and theories researchers use to engage with these materials CanLit Across Media reanimates archives of cultural meaning and literary performance Contributors include Jordan Abel University of Alberta Andrea Beverley Mount Allison University Clint Burnham Simon Fraser University Jason Camlot Concordia University Joel Deshaye Memorial University of Newfoundland Deanna Fong Simon Fraser University Catherine Hobbs Library and Archives Canada Dean Irvine Agile Humanities Karl Jirgens University of Windsor Marcelle Kosman University of Alberta Jessi MacEachern Concordia University Katherine McLeod Concordia University Linda Morra Bishop's University Karis Shearer University of British Columbia Okanagan Felicity Tayler University of Ottawa and Darren Wershler Concordia University

Aesthetic Animism David Jhave Johnston,2016-06-03 A poetics appropriate to the digital era that connects digital poetry to traditional poetry s concerns with being This book offers a decoder for some of the new forms of poetry enabled by digital technology Examining many of the strange technological vectors converging on language it proposes a poetics appropriate to the digital era while connecting digital poetry to traditional poetry s concerns with being a k a ontological implications Digital poetry in this context is not simply a descendent of the book Digital poems are not necessarily poems or written by poets they are found in ads conceptual art interactive displays performative projects games or apps Poetic tools include algorithms browsers social media and data Code blossoms into poetic objects and poetic proto organisms Introducing the terms TAVs Textual Audio Visuals and TAVITS Textual Audio Visual Interactive Aesthetic Animism theorizes a relation between scientific method and literary analysis considers the temporal implications of animation software and links software studies to creative writing Above all it introduces many examples of digital poetry within a playful yet considered flexible taxonomy In the future imagined here digital poets program sculpt and nourish immense immersive interfaces of semi autonomous word ecosystems Poetry enhanced by code and animated by sensors reengages themes active at the origin of

poetry animism agency consciousness Digital poetry will be perceived as living because it is living Cross-cultural Studies: China and the World Suogiao OIAN, 2015-02-04 Cross cultural Studies China and the World A Festschrift in Honor of Professor Zhang Longxi collects twelve essays by eminent scholars across several disciplines in Chinese and cross cultural studies to celebrate Zhang Longxi s scholarly achievements As a leading scholar from post Cultural Revolution China Zhang Longxi s academic career has set a milestone in cross cultural studies between China and the world With an introduction by Qian Suogiao and a prologue by Zhang Longxi himself the volume features masterly essays by Ronald Egan Torbj rn Lod n Haun Saussy Lothar von Falkenhausen and Hwa Yol Jung among others which will make significant contributions to Sinological and cross cultural studies of themselves on the one hand and demonstrate Zhang Longxi s friendships and scholarly impact on the other Poetic Inquiry Pauline Sameshima, Alexandra Fidyk, Kedrick James, Carl Leggo, 2017-06-15 In the tradition of a decade of bi annual gatherings of the International Symposium on Poetic Inquiry this volume serves as the fifth refereed symposium anthology Enchantment of Place celebrates poetry and poetic voices theorizing and exploring poetic inquiry as an approach methodology and or method for use in contemporary research practices Poetic inquiry has increased in prominence as a legitimate means by which to collect assimilate analyze and share the results of research across many disciplines With this collection we hope to continue to lay the groundwork internationally for researchers scholars graduate students and the larger community to take up poetic inquiry as a way to approach knowledge generation learning and sharing This volume specifically works to draw attention to the ancient connection between poetry and the natural world with attention to broadening the ecological scope and impact of the work of poetic inquirers The Playground, 1921

The Typology of Reflexives Emma Geniusiené, 2011-11-21 Research on language universals and research on linguistic typology are not antagonistic but rather complementary approaches to the same fundamental problem the relationship between the amazing diversity of languages and the profound unity of language Only if the true extent of typological divergence is recognized can universal laws be formulated In recent years it has become more and more evident that a broad range of languages of radically different types must be carefully analyzed before general theories are possible Typological comparison of this kind is now at the centre of linguistic research The series empirical approaches to language typology presents a platform for contributions of all kinds to this rapidly developing field The distinctive feature of the series is its markedly empirical orientation All conclusions to be reached are the result of a deepened study of empirical data General problems are focused on from the perspective of individual languages language families language groups or language samples Special emphasis is given to the analysis of phenomena from little known languages which shed new light on long standing problems in general linguistics The series is open to contributions from different theoretical persuasions It thus reflects the methodological pluralism that characterizes the present situation Care is taken that all volumes be accessible to every linguist and moreover to every reader specializing in some domain related to human language A deeper understanding

The Humanity of Private Law Nicholas McBride,2020-04-30 Part II of The Humanity of Private Law charts a new course for English private law in the twenty first century Part I set out the vision of human flourishing that English private law has in mind in seeking to promote its subjects flourishing Part II argues in favour of a very different account of what human flourishing involves and explains what private law would look like were it to base itself on this alternative vision of the nature of human flourishing This volume sets out and evaluates different models of what human flourishing involves argues in favour of the view that human flourishing involves being engaged in a quest to lead a truthful life explains in what ways a private law that sought to foster this distinctive vision of human flourishing would be different from English private law in its current state in particular with regard to i tackling fraud ii promoting freedom of speech iii preserving attention capacities iv protecting people from being subjected to degrading or hateful treatment and v enabling people to make a fresh start in their lives and considers whether and when it would be legitimate for the courts to transform English private law in the ways suggested in this volume Part II of The Humanity of Private Law is a radical and prophetic book that is essential reading for anyone who is interested in understanding the contribution private law can make to our living in a society that promotes the flourishing of all its members
