Exemplar Life Orientation 2014:

The Social Life of Prayer Andreas Bandak, 2021-03-09 This book brings the theme of prayer into anthropological discussion Across diverse significant ethnographic case studies five anthropologists attend to prayers and how they are performed and seen to intervene in the social world The studies include Pentecostals in Zambia Charismatic Christians in Ghana Protestants in Scotland Eastern Orthodox Christians in Romania and Catholics in Syria Across these ethnographic cases the book argues that focusing on the social life of prayer offers a significant way to engage with matters close to people Prayers are a way to map affect and the affective relationships people hold in what they are oriented towards and care about Taking its cue from Marcel Mauss the book invites us to go beyond the individual and see how prayers always point to a broader social landscape of obligation and affective investment Focusing on the social life of prayers the book posits accordingly entices a particular form of situated comparison of diverse Christian traditions that pushes the scholarly conversation on Christianity to consider central questions of agency responsibility and subjectivity Taking up prayer as the object of study this book offers novel anthropological perspectives on Christian life and practice The chapters in this book were originally published a special issue of Religion

The Partisan Next Door Ethan C. Busby, Adam J. Howat, Jacob E. Rothschild, Richard M. Shafranek, 2021-09-29 In the United States politics has become tribal and personalized The influence of partisan divisions has extended beyond the political realm into everyday life affecting relationships and workplaces as well as the ballot box To help explain this trend we examine the stereotypes Americans have of ordinary Democrats and Republicans Using data from surveys experiments and Americans own words we explore the content of partisan stereotypes and find that they come in three main flavors parties as their own tribes coalitions of other tribes or vehicles for political issues These different stereotypes influence partisan conflict people who hold trait based stereotypes tend to display the highest levels of polarization while holding issue based stereotypes decreases polarization This finding suggests that reducing partisan conflict does not require downplaying partisan divisions but shifting the focus to political priorities rather than identity a turn to what we call responsible partisanship

The SAGE Handbook of Applied Social Psychology Kieran C. Language and Emotion. Volume 2 Gesine Lenore Schiewer, Jeanette Altarriba, Bee Chin Ng, 2022-11-07 The handbook Language and

Emotion is intended to give a historical and systematic profile of the area. It will aim to connect contemporary and historical theories, approaches and applications and to cover eastern and western perspectives of language communication and emotion. It will present all relevant aspects of language and emotion and thus contribute significantly to research in the field of linguistics and semiotics of emotion. **The Philosophy and Psychology of Character and Happiness** Nancy E.

Snow, Franco V. Trivigno, 2014-06-05 Since ancient times character, virtue and happiness have been central to thinking about how to live well. Yet until recently philosophers have thought about these topics in an empirical vacuum. Taking up the general challenge of situationism that philosophers should pay attention to empirical psychology, this interdisciplinary volume presents new essays from empirically informed perspectives by philosophers and psychologists on western as well as eastern conceptions of character, virtue and happiness and related issues such as personality, emotion and cognition, attitudes and automaticity. Researchers at the top of their fields offer exciting work that expands the horizons of empirically informed research on topics central to virtue ethics. **The Palgrave Handbook of Biology and Society** Maurizio Meloni, John

Cromby, Des Fitzgerald, Stephanie Lloyd, 2017-10-27 This comprehensive handbook synthesizes the often fractured relationship between the study of biology and the study of society. Bringing together a compelling array of interdisciplinary contributions, the authors demonstrate how nuanced attention to both the biological and social sciences opens up novel perspectives upon some of the most significant sociological, anthropological, philosophical and biological questions of our era. The six sections cover topics ranging from genomics and epigenetics to neuroscience and psychology to social epidemiology and medicine. The authors collaboratively present state of the art research and perspectives in some of the most intriguing areas of what can be called biosocial and biocultural approaches, demonstrating how quickly we are moving beyond the acrimonious debates that characterized the border between biology and society for most of the twentieth century. This landmark volume will be an extremely valuable resource for scholars and practitioners in all areas of the social and biological sciences. The chapter 'Ten Theses on the Subject of Biology and Politics: Conceptual, Methodological and Biopolitical Considerations' is open access under a CC BY 4.0 license via link.springer.com. Versions of the chapters 'The Transcendence of the Social', 'Scrutinizing the Epigenetics Revolution', 'Species of Biocapital 2008' and 'Speciating Biocapital 2017' and 'Experimental Entanglements: Social Science and Neuroscience Beyond Interdisciplinarity' are available open access via third parties. The Handbook of Personalized Persuasion Richard E. Petty, Andrew Luttrell, Jacob D. Teeny, 2025-02-19 The Handbook of Personalized Persuasion provides the most comprehensive and state of the art review of the expansive literature on personalized messaging in persuasion. The book describes what features of people, messages and contexts are most effective for personally tailored communication and how this knowledge can be leveraged to improve the influence of messaging in any domain. It also addresses when such personalization can be counterproductive or backfire. Bringing together some of the foremost

experts in the area the book consists of a diverse global and interdisciplinary set of scholars who tackle the theory and application of personalized persuasion Organized into two sections the first part of this book addresses the many aspects of people to which messages can be targeted such as the basis of a person's attitude or the person's goals or identity The second part of this book tackles the many important areas of application in which personalized messaging has been examined such as political and health messaging consumer advertising and even online misinformation This handbook is essential reading for researchers and students in social psychology and across the behavioral and social sciences while also offering practitioners in marketing government and beyond the most cutting edge insights into how to maximize the influence of personalized persuasion

Literacy, Place, and Pedagogies of Possibility Barbara Comber, 2015-07-30 How can teachers ensure a pedagogy of possibility underpinned by social justice and what has literacy got to do with this This book explores the positive synergies between critical literacy and place conscious pedagogy Through rich classroom research it introduces and demonstrates how a synthesis of insights from theories of space and place and literacy studies can underpin the design and enactment of culturally inclusive curriculum for diverse student communities and illustrates how making place and space the objects of study provide productive resources for teachers to design enabling pedagogical practices that extend students literate repertoires The argument is that systematic study of and engagement with specific elements of place can enable students academic learning and literacy Literacy Place and Pedagogies of Possibility is informed by critical literacy place conscious pedagogy and spatial theory is richly illustrated with examples from classroom research including teacher and student artifacts provides new directions for classroom practice in critical literacy This novel combination of multidisciplinary theory and classroom research extends previous work in critical literacy pedagogy drawing on two decades of ethnographic and collaborative inquiry in classrooms situated in culturally and linguistically diverse classrooms

Flourishing in Contexts and Cultures Gregory Arief D. Liem, Dennis M. McInerney, 2023-07-01 The youth of today is confronted with a myriad of challenges of living in a world that has never been more volatile uncertain complex and ambiguous These multifaceted challenges compromise their well being Fostering the well being of young people across sociocultural boundaries rather than of the select groups of privileged individuals is a timely and worthy endeavor and should not take a back seat The advent of Positive Education which is an educational paradigm that emphasizes the goal of developing both cognitive abilities and well being skills in students and young people in general has offered a promising generic approach to

promoting the well being of young people The twin goals of Positive Education are indeed aligned with two major views of well being eudaimonia highlighting the importance of one s engaged pursuit of meaningful goals and hedonia stressing the importance of one s positive emotion and life satisfaction in one s well being Their combination that wellness is achieved when a person is feeling good and functioning well has often been termed flourishing Unfortunately scholarly discussions on sociocultural influences on flourishing or well being and ways of promoting it have been scarce This volume addresses such a gap in a rigorous and timely manner International scholars from culturally diverse backgrounds put together their thoughts and ideas in their respective chapter contributions that collectively invite us to mindfully take into account youth s sociocultural and sociodemographic backgrounds in promoting their flourishing This book which embodies the who what when where and how of youth well being will be extremely insightful and useful for scholars and researchers as well as policy makers and practitioners teachers interventionists counsellors youth mentors who seek to promote the well being of young people in their respective contexts and beyond

Philosophy Imprisoned Sarah Tyson, Joshua M. Hall, 2014-07-30 Western philosophy's relationship with prisons stretches from Plato's own incarceration to the modern era of mass incarceration *Philosophy Imprisoned* The Love of Wisdom in the Age of Mass Incarceration draws together a broad range of philosophical thinkers from both inside and outside prison walls in the United States and beyond who draw on a variety of critical perspectives including phenomenology deconstruction and feminist theory and historical and contemporary figures in philosophy including Kant Hegel Foucault and Angela Davis to think about prisons in this new historical era All of these contributors have experiences within prison walls some are or have been incarcerated some have taught or are teaching in prisons and all have been students of both philosophy and the carceral system The powerful testimonials and theoretical arguments are appropriate reading not only for philosophers and prison theorists generally but also for prison reformers and abolitionists

Gracious Forgiveness Cristian F. Mihut, 2023-03-14 Divine forgiveness is expressed in biblical and liturgical contexts through a variety of metaphors canceling debts covering stains forgoing or stopping litigation forgetting iniquities and more In this study Cristian F Mihut retrieves a theologically paradigmatic liturgically deep and symbolically evocative image of divine forgiveness that has received little attention bearing burdens *Gracious Forgiveness A Theological Retrieval* articulates a divine disposition to forgive starting from this metaphor Embedded in a larger covenantal relational framework where sin is a cosmic sickness humans are targets of divine healing and divine transcendence is expressed through inexhaustible gracious commitments to redress brokenness divine forgivingness finds its most lucid tangible and full expression in the life and work of Jesus Christ In the person of Jesus Christ we see most clearly how a gracious God is committed to separating sinners from their sin and how God heals people by absorbing into God's own being the consequences of their offense A second main argument of the book is that sin bearing Christological forgivingness has ethical and relational ramifications The study articulates a human disposition to forgive forgivingness that involves both a certain conception of one's participation in Christ and a certain formation of one's sensibility Entrenching forgivingness depends at once on developing gracious hopeful and merciful dispositions but also on seeing oneself as a continuant of God's cosmic

story of redressing brokenness Mihut concludes with a defense of the surprising claim that curative forgivingness is compatible with anger and even recommended to people living under oppression *A Companion to Fritz Lang* Joe McElhaney, 2015-01-27 *A Companion to Fritz Lang* Fritz Lang's movie making spans a major part of the history of cinema across genres styles and national contexts With smartness and sharpness the essays in this essential volume come from many angles to capture the richness of Lang's cinema and bring great insight to its study Dana Polan Cinema Studies NYU Fritz Lang's influence on cinema cannot be overstated with a career that stretched from the silent era in Germany to the decline of the Hollywood studio system in the late 1950s from the Weimar Republic to Nazi Germany from Depression America to the McCarthy era One of the best known migr's from Germany's school of Expressionism Lang is also credited with influencing the emergence of film noir *A Companion to Fritz Lang* offers the first full scale collection of scholarship available in English on one of the most important filmmakers of all time Addressing much of Lang's voluminous body of work from *Metropolis* and *M* to lesser known titles such as *Western Union* and *Clash by Night* this volume offers a superb overview of Lang's cinema with revealing insights into his enduring influence on directors such as Godard Scorsese Chabrol and Tarantino The two dozen essays presented here are an unrivaled and up to the minute assessment of the prolific and resilient life and vision of one of cinema's greatest auteurs

Exemplar Life Orientation 2014 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
