

ACKNOWLEDGMENTS

My deep gratitude goes to those who offered support and encouragement on the project, particularly my dear wife Elspeth, my three children Fiona, Simon and Peter, and my son-in-law Mark.

I also wish to thank, most especially, the Right Reverend Pedro Oliveira, and the Very Reverend Dr Ronald A Rivett, the latter a former Vicar-General of the Liberal Catholic Church in Australia, who have believed in and inspired me, and who have shared with me so much of their wisdom and knowledge over the years.

Very special and heartfelt thanks are also due to the Reverend Dr Arthur F Mowle, Director, Liberal Catholic Institute of Studies, for suggesting the title and topic areas of this thesis as well as the wording of the various chapter headings, and for furnishing invaluable reading material. I will always be grateful for his encouragement, kind words, wise counsel and advice during the preparation of this thesis and otherwise. I also wish to thank most sincerely the Right Reverend Graham Preston, Regionary Bishop of the Liberal Catholic Church in the Province of Australasia (including Indonesia) for his encouragement, support and wise counsel.

I have also learned much from my many friends at the Liberal Catholic Church of Saint Francis, Gordon NSW in the years since I first started attending services there on a regular basis in 1985.

Thanks are also due to Melinda Aitkenhead for her IT technical assistance.

This thesis is dedicated to my late parents, Harry and Phyl, who believed in me and taught me to be honest and always to strive for the best. From them I learned that there can be true religion, faith and objective moral values without dogmatism, fundamentalism, cant and hypocrisy.
