Project SAVE Dennis Hansen, 2017-01-02 **Undoing Networks** Tero Karppi, Urs Stäheli, Clara Wieghorst, Lea Zierott, 2021-05-18 Exploring and conceptualizing practices technologies and politics of disconnecting How do we think beyond the dominant images and imaginaries of connectivity Undoing Networks enables a different connectivity digital detox is a luxury for stressed urbanites wishing to lead a mindful life Self help books advocate digital minimalism to recover authentic experiences of the offline Artists envision a world without the internet Activists mobilize against the expansion of the 5G network If connectivity brought us virtual communities information superhighways and participatory culture disconnection comes with privacy tools Faraday shields and figures of the shy This book explores nonusage and the right to disconnect from work and from the excessive demands of digital capitalism **Antisocial Media** Siva Vaidhyanathan, 2018-05-15 A fully updated paperback edition that includes coverage of the key developments of the past two years including the political controversies that swirled around Facebook with increasing intensity in the Trump era If you wanted to build a machine that would distribute propaganda to millions of people distract them from important issues energize hatred and bigotry erode social trust undermine respectable journalism foster doubts about science and engage in massive surveillance all at once you would make something a lot like Facebook Of course none of that was part of the plan In

this fully updated paperback edition of Antisocial Media including a new chapter on the increasing recognition of and reaction against Facebook's power in the last couple of years Siva Vaidhyanathan explains how Facebook devolved from an innocent social site hacked together by Harvard students into a force that while it may make personal life just a little more pleasurable makes democracy a lot more challenging It's an account of the hubris of good intentions a missionary spirit and an ideology that sees computer code as the universal solvent for all human problems And it's an indictment of how social media has fostered the deterioration of democratic culture around the world from facilitating Russian meddling in support of Trump's election to the exploitation of the platform by murderous authoritarians in Burma and the Philippines Both authoritative and trenchant Antisocial Media shows how Facebook's mission went so wrong
