Congregational Resources for Facing Feelings William M. Kondrath, 2013-12-29 Congregational Resources for Facing Feelings is a companion collection to Facing Feelings in Faith Communities by William Kondrath This is a collection of practical applications for congregational situations in which exercising greater emotional competence will improve both our understanding of what is happening and the effectiveness of our actions and those of others **Pro Ecclesia Vol 23-N2** Pro Ecclesia, 2014-05-01 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology [When Trauma Wounds](#) Karen A. McClintock, 2019-02-01 How to heal from trauma and restore laughter love and faith When trauma wounds victims are thrown into unexpected darkness and experience unfamiliar symptoms Some trauma survivors draw upon a lifelong faith in God others find themselves in a wilderness devoid of spiritual grounding The recovery stories in this book offer diverse pathways to faith and hope In When Trauma Wounds psychologist Karen A McClintock combines psychological approaches with faith resources to improve trauma recovery Whether you are a trauma survivor a caregiving pastor or church member or friend to a survivor this book will familiarize you with trauma symptoms and healing strategies Secure and trusting relationships heal many wounds If you care for a trauma survivor McClintock will help you create a sanctuary to shelter this wounded soul to help them bear their pain and hold out hope for recovery to offer victims of trauma the compassion they so badly need Each trauma victim has a story to tell If you are a trauma survivor healing from that trauma or working through repeated traumatic experiences may take days or years But no matter how long your healing journey might take it can begin right now *The Last Pastor* Gail Cafferata, 2020-01-18 Gail Cafferata was heartbroken when the church she pastored voted to close its doors It may have been the right decision but it led to a million questions in her mind about her call leadership and future She began to think that other pastors who close churches perhaps go through this same experience This led her to conduct a sociological study of over 130 pastors in five historically established denominations Episcopal Lutheran United Methodist Presbyterian and United Church of Christ who were called to serve churches that closed This book tells the results of that study which consisted of many interviews and the hard won lessons learned by these courageous pastors **Wholeness After Betrayal** Robin Hammeal-Urban, 2015-06 In the wake of misconduct by trusted clergy and lay leaders members of congregations find themselves adrift Often there are deep divisions

within the church and open direct honest communication ceases Wholeness After Betrayal offers an understanding of these dynamics and a process to help members take the first steps toward reconciling relationships with one another This specialized instruction is tested and proven having been used effectively many times in a variety of congregational settings It holds tremendous value for institutional healing both immediately following misconduct or even decades later Faith, Identity, Cohesion: Building A Better Future Jolene Gerard, Amanda Huan, 2020-07-27 The book aims to promote greater understanding of social cohesion amidst existing complexities of faith and identity and what this portends for our future The emphasis is on the importance of engagement across beliefs and cultures the different generations and segments of population and the diverse interests of people in a digital and interconnected world The policy officials religious leaders scholars and society at large will be able to better appreciate the search for common ground and harmony thereby strengthening their endeavours for coexistence The book seeks to continue the conversations and deliberations at the International Conference on Cohesive Societies ICCS held from 19 to 21 June 2019 in Singapore The three themes of the ICCS Faith Identity Cohesion stimulated significant discussions on the need for mutual respect trust and understanding of each other s beliefs and cultures Many ideas on the ways forward were raised and further discourse is necessary An unprecedented line up of academic civil society government intellectual policy religious and youth leaders provided a wide array of perspectives on challenging issues faced by diverse societies around the world The transcripts of the official speeches elucidate the vision of leadership and aspiration looking ahead The book also features delightful photographs and graphic recordings of the key thrust articulated during the ICCS **The Way We Were** Joan Chittister, 2008-01-01 Drawing on the story of her own monastic community a best selling author shows how to redefine the essentials of faith in a time when old ways and formulas no longer serve *In the Interim* Barbara Child, Keith Kron, 2017 A period of interim ministry poses unique challenges and opportunities for both congregations and ministers Much more than a caretaker ministry an interim ministry can help a congregation navigate and get the most out of a time between settled ministers In this practical and insightful volume interim ministers and other congregational leaders provide a road map for a transformative and fulfilling interim period First published in 2013 *In the Interim* quickly became an indispensable resource for congregations their leaders interim ministers and all involved in transitional ministry In its second edition editors Barbara Child and Keith Kron and contributors retain all of the practical strategies and keen insight of the original while also examining how interim ministry is adapting to a rapidly changing world Included are updates on the advent of developmental and jump start transition ministries **Forgiveness and the Healing Process** Cynthia Ransley, Terri Spy, 2004-03 Many people come for help because they remain stuck in a destructive relationship job or legal battle or with painful memories of child abuse But does it necessarily help to forgive Recovering the Lost Self Elisabeth A. Horst, 1998 When a person is abused by a member of the clergy he or she may feel separated not only from the human community but from God as well Recovering the

Lost Self offers a model for those who seek relief from the isolating and devastating shame that goes with the betrayal they have experienced. It is in booklet form to facilitate its use as an informational resource and counseling tool. *Healing through the Dark Emotions* Miriam Greenspan, 2004-05-11 Nautilus Book Award Gold Winner. A psychotherapist offers crucial guidance on how to alter fundamentally our fearful relationship to deep feelings from depression and anxiety to grief and fear. Los Angeles Times: We are all touched at some point by the dark emotions of grief, fear, or despair. In an age of global threat, these emotions have become widespread and overwhelming. While conventional wisdom warns us of the harmful effects of negative emotions, this revolutionary book offers a more hopeful view: there is a redemptive power in our worst feelings. Seasoned psychotherapist Miriam Greenspan argues that it is the avoidance and denial of the dark emotions that results in the escalating psychological disorders of our time: depression, anxiety, addiction, psychic numbing, and irrational violence. And she shows us how to trust the wisdom of the dark emotions to guide, heal, and transform our lives and our world. Drawing on inspiring stories from her psychotherapy practice and personal life, and including a complete set of emotional exercises, Greenspan teaches the art of emotional alchemy by which grief turns to gratitude, fear opens the door to joy, and despair becomes the ground of a more resilient faith in life. This remarkable book has taught me a whole new way of thinking. Harold Kushner, author of *When Bad Things Happen to Good People*. A beautiful piece of work destined to become a perennial classic. Martha Beck, author of *The Joy Diet*. *Faith Communities*, 1993. [Trans Voices and Feminine Scapegoating: A Journey Through Gender and Sexism](#) Lewis Tucker, Prepare to embark on a profound journey into the complexities of gender and the insidious nature of sexism. This book explores the unique experiences and challenges faced by transgender women, shedding light on the pervasive scapegoating they endure. Through a meticulous exploration of real-life narratives, the author unravels the intricate web of social, cultural, and historical factors that contribute to the marginalization of trans women. Uncovering the deep-rooted biases and stereotypes that fuel violence, discrimination, and exclusion, this book challenges the status quo and demands a re-examination of our collective attitudes and behaviors. This thought-provoking work offers a crucial understanding of the intersectionality of gender, race, and sexuality, highlighting the disproportionate impact of sexism on trans women of color. It provides a nuanced analysis of the legal and political systems that perpetuate inequality while also exploring the resilience and activism of transgender communities in the face of adversity. Readers will gain invaluable insights into the experiences of trans women, deepening their empathy and understanding. The book empowers readers to become allies and advocates, challenging societal norms and working towards a more just and equitable world for all. Through its powerful storytelling and evidence-based analysis, this book serves as a catalyst for meaningful change, inspiring a deeper dialogue about gender and its complexities. **To Believe or Not to Believe** Jack Perkins, DMin. LADC, 2022-10-12. Research has shown there is a great divide between the church and the unaffiliated, to include those who tend toward atheism. This concern inspired the author to step away from full-time ministry to work as a counselor in a state-owned and

operated residential facility to better understand the thought processes of those who are not invested in Christianity He became aware of an us versus them mindset held by some Christians this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church There are several consequences First it has resulted in a deep decline in baptisms and church affiliation for churches less than 50 percent of Americans surveyed are members of a church Second it has resulted in Christians believing there is no hope for those outside the church Third the gospel presentation utilized by many is to continually make jabs at the unaffiliated bordering on a scare tactic Too many churches have attempted to use revival era styles of evangelism contemporary approaches and or a social perspective however the chasm has widened This book takes an in depth look at the philosophical systems that keep people from embracing Christianity The author also provides a theological model for helping others understand a theological base for the Christian worldview The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church Feeling Like a State Davina Cooper,2019-09-06 A transformative progressive politics requires the state s reimagining But how should the state be reimagined and what can invigorate this process In Feeling Like a State Davina Cooper explores the unexpected contribution a legal drama of withdrawal might make to conceptualizing a more socially just participative state In recent years as gay rights have expanded some conservative Christians from charities to guesthouse owners and county clerks have denied people inclusion goods and services because of their sexuality In turn liberal public bodies have withdrawn contracts subsidies and career progression from withholding conservative Christians Cooper takes up the discourses and practices expressed in this legal conflict to animate and support an account of the state as heterogeneous plural and erotic Arguing for the urgent need to put new imaginative forms into practice Cooper examines how dissident and experimental institutional thinking materialize as people assert a democratic readiness to recraft the state **Can't Sway Me** Alander Lee Pulliam Jr,2024-08-01 Can t Sway Me by Alander Lee Pulliam Jr is an empowering exploration of resilience and personal growth drawing upon the intricate dynamics of family friendship and faith The book begins with an introduction to Pulliam s life and emphasizes the foundational aspects of his journey highlighting the importance of self control discipline and standing firm in one s convictions Through various life experiences from navigating complexities to overcoming obstacles Pulliam emphasizes how vulnerability can be a source of strength Each chapter offers insights into the significant roles of mentorship community support and the necessity of reflection all of which play crucial parts in shaping one s purpose and direction As the narrative unfolds Pulliam delves deeper into the journey of self belief recognizing the powerful influence of naysayers and the weight of knowledge He advocates for embracing change and finding clarity in purpose encouraging readers to celebrate small victories along the way Ultimately Can t Sway Me serves as a motivational guide to harnessing determination and inspiration from adversity urging individuals to rise above challenges and cultivate resilience The book culminates in a powerful

conclusion that reinforces the idea that our legacies are built through persistence and the ability to stay true to oneself amidst life's trials
