**Facing the Music** Jennifer Knapp, 2014-10-07 Jennifer Knapp's meteoric rise in the Christian music industry ended abruptly when she walked away and came out publicly as a lesbian. This is her story of coming to Christ, of building a career, of admitting who she is, and of how her faith remained strong through it all. At the top of her career in the Christian music industry, Jennifer Knapp quit. A few years later, she publicly revealed she is gay. A media frenzy ensued, and many of her former fans were angry with what they saw as turning her back on God. But through it all, she held on to the truth that had guided her from the beginning. In this memoir, she finally tells her story of her troubled childhood, the love of music that pulled her through her dramatic conversion to Christianity, her rise to stardom, her abrupt departure from Christian Contemporary Music, her years of trying to come to terms with her sexual orientation, and her return to music and Nashville in 2010 when she came out publicly for the first time. She also talks about the importance of her faith and, despite the many who claim she can no longer call herself a believer, she maintains that she is both gay and a Christian. Now an advocate for LGBT issues in the church, Jennifer has witnessed heartbreaking struggles as churches wrestle with issues of homosexuality and faith. This engrossing, inspiring memoir will help people understand her story and to believe in their own stories, whatever they may be.

**Face the Music** Alfie Boe, 2023-09-07 The intimate and uplifting memoir from one of Britain's most loved singers, this is Alfie off stage. Bringing his characteristic sense of cheeky humour to the page in this heartfelt book, Alfie describes for the first time the highs and lows of over a decade singing and performing across the world. From personal dinners with Queen Elizabeth II and following in the steps of King of Rock n Roll Elvis in Vegas to mischievous antics with Michael Ball, Alfie's book takes us backstage to witness his brilliant career memories. But this book is also a heartfelt insight to Alfie's unmasked truth for the first time ever. His unflinching honesty reveals not only the success stories but also the pressures and how, through challenging times, he learned more about himself than he ever thought possible. Laying bare the events that have shaped Alfie into the performer he is today, *Face the Music* demonstrates to us all that it's not our mistakes that define us, but instead, how we choose to come back from them.
