furniture I found this out myself in 2011 when I toured China after the World Memory Championships in Guangzhou China As a book publisher I wanted to reprint some old classical works I was shocked to discover that no books were available dated before 1949 and few after that Everything earlier than that had been destroyed I am still hoping that some older Chinese books have been preserved in Taiwan I consider a book dated 1949 to be a relatively new book I usually do not bother with such recent books The destruction of all books in China dated before 1949 is not reported on any website that I have found but I saw with my own eyes that all such books were gone *Fahrenheit 451* Ray Bradbury,2004 Guy Montag es un bombero y el trabajo de un bombero es quemar libros que est n prohibidos porque son cause de discordia y sufrimiento
