Charlie Chaplin 201:

The Art of Charlie Chaplin Kyp Harness, 2007-11-15 This thorough critical study of Chaplin's films traces his acting career chronologically from his initial appearance in 1914's *Making a Living* to his final starring role in 1957's *A King in New York*. Emphasizing Chaplin's technique and the steady evolution of his Tramp character, the author frames the biographical details of Chaplin's life within the context of his acting and filmmaking career, giving special attention to the films Chaplin directed/produced. *The Music of Charlie Chaplin* Jim Lochner, 2018-10-16 Charlie Chaplin, the actor, is universally synonymous with his beloved Tramp character. Chaplin, the director, is considered one of the great auteurs and innovators of cinema history. Less well known is Chaplin, the composer, whose instrumental theme for *Modern Times* (1936) later became the popular standard *Smile*, a Billboard hit for Nat King Cole in 1954. Chaplin was prolific yet could not read or write music. It took a rotating cast of talented musicians to translate his unorthodox humming, off-key singing, and amateur piano and violin playing into the singular orchestral vision he heard in his head. Drawing on numerous transcriptions from 60 years of original scores, this comprehensive study reveals the untold story of Chaplin, the composer, and the string of famous and not-so-famous musicians he employed, giving fresh insight into his films and shedding new light on the man behind the icon. *The Life and Times of Charlie Chaplin* Nandini Saraf, 2021-01-19 Charlie Chaplin, the universal comic icon who, with his lovable portrayal of a tramp, made and still makes the world laugh, continues to live in popular memory. The Hitler's toothbrush moustache, the bowler or derby hat, the coat a size or two too small, the baggy trousers, the floppy shoes, and the cane made him the most unforgettable character. The mere mention of his name conjures a picture of him as the tramp. One of the most pivotal stars of the early silent era of Hollywood, Charlie Chaplin's films made everyone laugh and cry at the same time. The world cinema is indebted to him for films like *The Kid*, *The Gold Rush*, *The Circus*, *City Light*, *Modern Times*, and *The Great Dictator*. An enigma to the world, people have vast curiosity about his life and his body of work. This book is an attempt to unravel the various aspects of his life and his struggles. The happiness and the despair, the controversies, and the acclaim are all revealed in this authentic biography of this great legend. Step into the world of Charlie Chaplin, the legendary comedy icon whose timeless humor continues to captivate audiences. This captivating book delves into Chaplin's life, his groundbreaking contributions to the film industry, and his enduring cultural impact as an entertainer and filmmaker. *The Life and Times of Charlie Chaplin* by Nandini Saraf. Landru's Secret Richard Tomlinson, 2018-10-30 On 12 April 1919 the Paris police arrested a bald short 50 year old swindler at his apartment near the Gare du Nord acting on a lead from a humble housemaid A century later Henri D sir Landru remains the most notorious and enigmatic serial killer in French criminal history a riddle at the heart of an unsolved murder puzzle The official version of Landru's lethal rampage was so shocking that it almost defied belief According to the authorities Landru had made romantic contact with 283 women during the First World War luring ten of them to his country houses outside Paris where he killed them for their money Yet no bodies were ever found while Landru obdurately protested his innocence It is for you to prove the deeds of which I am accused he sneered at the investigating magistrate The true story of l'affaire Landru buried in the Paris police archives for the past century was altogether more disturbing In Landru's Secret Richard Tomlinson draws on more than 5 000 pages of original case documents including witness statements police reports and private correspondence to reveal for the first time that Landru killed more women than the 10 victims on the charge sheet The police failed to trace at least 72 of the women he contacted The authorities ignored the key victim who explained why the killings began Landru did not kill for money but to revel in his power over what he called the feeble sex Lavishly illustrated with previous unpublished photographs Landru's Secret is a story for our times a female revenger's tragedy starring the mothers and sisters of the missing fiancés a lethal misogynist and France's greatest defense lawyer intent on saving his repulsive client from the guillotine
