## **Charlie Robot Benedict Martin:**

*Charlie Robot* Benedict Martin, 2015-12-02 It's not easy pretending to be a robot. Ask Charlie. The very morning his employer was to unveil the world's first artificial human being to a select group of investors, the android ran away. Now it's up to Charlie to pose as the robot until the real machine is found. The only thing is, androids are supposed to be tall and good looking. Or, at the very least, be good at board games. And Charlie? Well, he just isn't. To make matters worse, a rival robotics company is intent on stealing Charlie for themselves. In short, it's a nightmare, and as the weeks pass, and there's still no sign of the run-away android, Charlie is faced with a difficult decision: continue the deception or come clean. Either way, his life will never be the same. *The Listener*, 1976-07

**Encyclopedia of Television Shows, 1925 through 2010, 2d ed.** Vincent Terrace, 2014-01-10 This fully updated and expanded edition covers over 10,200 programs, making it the most comprehensive documentation of television programs ever published. In addition to covering the standard network and cable entertainment genres, the book also covers programs generally not covered elsewhere in print or even online, including Internet series, aired and unaired pilot films, erotic series, gay and lesbian series, risqué cartoons, and experimental programs from 1925 through 1945. *The British Television Pilot Episodes Research Guide 1936-2015* Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors, new situations, and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives, and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama, and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.

*The Encyclopedia of Fantastic Film* R. G. Young, 2000-04 Thirty-five years in the making and destined to be the last word in fantasy film references. This incredible 1,017-page resource provides vital credits on over 9,000 films from 1896 to 1999 of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, retitle translation information, running times, photographs, and several cross-referenced indexes by artist, year, song, etc. Paperback.

**Billboard**, 1942-06-13 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. *Science Fiction, Fantasy and Horror Film Sequels, Series and Remakes* Kim R. Holston, Tom Winchester, 2018-01-12 Science fiction, fantasy, and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II

analyzes 334 releases from 1996 through 2016 The traditional cinematic monsters are represented Dracula Frankenstein the Wolf Man a new Mummy A new wave of popular series inspired by comics and video games as well as The Lord of the Rings trilogy could never have been credibly produced without the advances in special effects technology Audiences follow the exploits of superheroes like Captain America Iron Man Spider Man and Thor and such heroines as the vampire Selene zombie killer Alice dystopian rebels Katniss Everdeen and Imperator Furiosa and Soviet spy turned American agent Black Widow The continuing depredations of Jason Voorhees Freddy Krueger and Michael Myers are described Pre 1996 movies that have since been remade are included Entries features cast and credits detailed synopsis critics reviews and original analysis
