[Behind the Mask](#) Ben Bridges, Ross Brillhart, Diane E. Goldstein, 2023-11-15 Vernacular responses have been crucial for communities seeking creative ways to cope with the coronavirus pandemic With most people locked down and separated from the normal ebb and flow of life for an extended period of time COVID 19 inspired community and creativity adaptation and flexibility traditional knowledge resistance and dynamism Removing people from assumed norms and daily lives the pandemic provided a moment of insight into the nature of vernacular culture as it was used abused celebrated critiqued and discarded In Behind the Mask contributors from the USA the UK and Scandinavia emphasize the choices that individual people and communities made during the COVID pandemic prioritizing the everyday lives of people enduring this health crisis Despite vernacular's

potential nod to dominant or external culture it is the strong connection to the local that grounds the vernacular within the experiential context that it occupies Exploring the nature and shape of vernacular responses to the ongoing public health crisis Behind the Mask documents processes that are otherwise likely to be forgotten Including different ethnographic presents contributors capture moments during the pandemic rather than upon reflection making the work important to students and scholars of folklore and ethnology as well as general readers interested in the COVID pandemic

**Irreversible Damage** Abigail Shrier, 2020-06-30 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES Irreversible Damage has caused a storm Abigail Shrier a Wall Street Journal writer does something simple yet devastating she rigorously lays out the facts Janice Turner The Times of London Until just a few years ago gender dysphoria severe discomfort in one's biological sex was vanishingly rare It was typically found in less than 01 percent of the population emerged in early childhood and afflicted males almost exclusively But today whole groups of female friends in colleges high schools and even middle schools across the country are coming out as transgender These are girls who had never experienced any discomfort in their biological sex until they heard a coming out story from a speaker at a school assembly or discovered the internet community of trans influencers Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and gender affirming educators and therapists who push life changing interventions on young girls including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility Abigail Shrier a writer for the Wall Street Journal has dug deep into the trans epidemic talking to the girls their agonized parents and the counselors and doctors who enable gender transitions as well as to detransitioners young women who bitterly regret what they have done to themselves Coming out as transgender immediately boosts these girls social status Shrier finds but once they take the first steps of transition it is not easy to walk back She offers urgently needed advice about how parents can protect their daughters A generation of girls is at risk Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it or how to retrieve her from this dangerous path *Power, Surveillance, and Culture in YouTube™'s Digital Sphere* Crick, Matthew, 2016-01-18 Over the last several years YouTube has become a public forum for creative informative and political endeavors around the globe As the website's influence and appeal continues to grow questions regarding the legal usage of material as well as potential governance issues regarding surveillance and political sway are becoming more relevant *Power Surveillance and Culture in YouTube's Digital Sphere* examines the imaginative socioeconomic and innovative features of the video sharing community of YouTube and how these areas traverse the digital world Highlighting theoretical concepts and empirical research as well as in depth discussions on cultural studies participatory experience and media theory this publication will appeal to professionals practitioners researchers and students interested in the use of video sharing as a means of surveillance communication or personal promotion Advertising Creative Tom Altstiel, Jean

Grow, Dan Augustine, Joanna L. Jenkins, 2022-04-18 Advertising Creative Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use Drawing on personal experience as award winning experts in creative advertising this new edition offers real world insights on cutting edge topics including global social media business to business in house and small agency advertising In the new edition authors Tom Altstiel Jean Grow Dan Augustine and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry as they expose the pervasive changes experienced across the global advertising landscape Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry Be a risk taker Understand technology Live for ideas The latest edition addresses some of the key issues impacting our industry today such as diversity in the workplace international advertising and design in the digital age *The Seven Sins of Wall Street* Bob Ivry, 2014-03-11 We all know that the financial crisis of 2008 came dangerously close to pushing the United States and the world into a depression rivaling that of the 1930s But what is astonishing and should make us not just afraid but very afraid are the shenanigans of the biggest banks since the crisis Bob Ivry passionately eloquently and convincingly details the operative ineptitude of America's best compensated executives and the ways the government kowtows to what it mistakenly imagines is their competence and success Ivry shows that the only thing that has changed since the meltdown is how too big to fail banks and their fellow travelers in Washington have nudged us ever closer to an even bigger economic calamity Informed by deep reporting from New York Washington and the heartland *The Seven Sins of Wall Street* like no other book shows how we're all affected by the financial industry's inhumanity The transgressions of Wall Street titans and masters of the universe are paid for by real people In fierce plain English Ivry indicts a financial industry that continues to work for the few at the expense of the rest of us Problems that financiers deemed too complicated to be understood by ordinary folks are shown by Ivry to be financial legerdemain a smokescreen of complexity and jargon that hide the bankers' nefarious activities *The Seven Sins of Wall Street* is irreverent and timely an infuriating black comedy The Great Depression of the 1930s moved the American political system to real reform that kept the finance industry in check With millions so deeply affected since the crisis of 2008 you'll finish this book asking yourself how it is that so many of the nation's leading financial institutions remain such exasperating problem children *American Photo* - ND, 2008-03 **Crisis in the Nordic Nations and Beyond** Kristín Loftsdóttir, Lars Jensen, 2016-04-22 With discourses of crisis and disaster featuring strongly in contemporary discourses on contemporary society this book brings together critical perspectives from across the humanities and social sciences to explore the idea of crisis as inherently related to power dynamics and the formation of different subjectivities and identities within the Nordic countries and globally This volume emphasizes the importance of investigating the interrelationship of three crises social economic and environmental as these address the interlinked surfaces of the same reality and it examines the negative connotations of the notion of crisis whilst also raising the question of when and why

something becomes identified as crisis and for whom With chapters on media representations of crisis and the global context of crisis discourses the crisis of national identities and their mobilization in response and environmental crisis as well as the interrelationship between the social and the environmental and the different positioning of individuals in relation to power this volume offers an understanding of crisis as a multivocal symbol of the present As such it will appeal to scholars of sociology anthropology history cultural studies literature and political science

**The Solution Revolution** William D. Eggers, Paul Macmillan, 2013-09-17 Government Alone Can't Solve Society's Biggest Problems World hunger Climate change Crumbling infrastructure It's clear that in today's era of fiscal constraints and political gridlock we can no longer turn to government alone to tackle these and other towering social problems What's required is a new more collaborative and productive economic system The Solution Revolution brings hope revealing just such a burgeoning new economy where players from across the spectrum of business government philanthropy and social enterprise converge to solve big problems and create public value By erasing public private sector boundaries the solution economy is unlocking trillions of dollars in social benefit and commercial value Where tough societal problems persist new problem solvers are crowdfunding ridesharing app developing or impact investing to design innovative new solutions for seemingly intractable problems Providing low cost health care fighting poverty creating renewable energy and preventing obesity are just a few of the tough challenges that also represent tremendous opportunities for those at the vanguard of this movement They create markets for social good and trade solutions instead of dollars to fill the gap between what government can provide and what citizens need So what drives the solution economy Who are these new players and how are their roles changing How can we grow the movement And how can we participate Deloitte's William D Eggers and Paul Macmillan answer these questions and more and they introduce us to the people and organizations driving the revolution from edgy social enterprises growing at a clip of 15 percent a year to megafoundations to Fortune 500 companies delivering social good on the path to profit Recyclebank RelayRides and LivingGoods are just a few of the innovative organizations you'll read about in this book Government cannot handle alone the huge challenges facing our global society and it shouldn't We need a different economic paradigm that can flexibly draw on resources combine efforts and create value while improving the lives of citizens The Solution Revolution shows the way

**Work and Labor in the Digital Age** Steven P. Vallas, Anne Kovalainen, 2019-07-04 This volume presents the most recent studies of work and labor in the digital age as it unfolds in both Europe and the United States

**The Role of Origin of Fame in Influencer Branding** Julia Sinnig, 2019-08-20 Based on a comprehensive quantitative study Julia Sinnig shows that the impact social media influencers have on brand related outcomes depends on the identification of consumers with social media influencers Additionally the cultural characteristics of countries in which consumers live play a significant role as to how consumers identification with social media influencers impacts their purchase intentions for brands that are advertised by these influencers Through these conceptually and empirically profound analyses the author detects interesting

implications for the management of brands in the context of social media and brand management Especially when it comes to choosing the most suitable social media influencer for brand cooperations it is not the origin of fame that counts but whether customers identify with the influencer in the right way **Hearing War, Seeing Music** Matthew Michael Sumera,2008

Wash and Pray: African Theological Discourse on COVID-19 Harvey Kwiyan,Joseph Ola,Isaiah Ola Abolarin,Benjamin Isola Akano,Justice A. Arthur,Victoria Oyenike Ayano,Paul Ayokunle,Kwaku Boamah,Akarama Dan Jr,Edmore Dube,Eric Manu,Françoise Niyonsaba,Godfred Nsiah,Moses Iliya Ogidis,Gabriel Ademola Oyeniyi,Ruth M. Oyeniyi, In the wake of the global COVID 19 pandemic Africa faced a unique set of challenges that sparked a profound spiritual response among its people Wash and Pray African Theological Discourse on COVID 19 delves into the heart of this response exploring the intersections of faith culture history and the pandemic that gripped the world from 2019 to 2022 The book demonstrates that for many Africans the pandemic was not just a medical crisis but also a spiritual battle As such the book invites the reader to witness the historicising of the pandemic in Africa through this landmark resource for current and future generations ensuring that the narratives of African Christianity in the face of COVID 19 and other pandemics are not lost The chapter contributions offer diverse perspectives from Ghana Nigeria Rwanda Zimbabwe and the UK each contextualising the African Christian response to the pandemic In essence this monograph paints a rich tapestry of African theological discourse during a global crisis ultimately affirming that faith and science when harmonised can lead to a resilient and thriving community
