Emma Alexander McCall Smith:

Emma: A Modern Retelling Alexander McCall Smith, 2015-04-07 The best selling author of the No 1 Ladies Detective Agency series deftly escorts Jane Austen's beloved meddlesome heroine into the twenty first century in this delightfully inventive retelling McCall Smith takes Jane's characters and invites them warmly into our world The Washington Post The summer after university Emma Woodhouse returns home to live with her widowed father and launch her interior design business Apart from cultivating grand career plans and managing her father's hypochondria Emma busies herself with the two things she does best matchmaking and offering advice on everything from texting etiquette to first date destinations Happily this summer presents abundant opportunities for both as old and new friends are drawn into the sphere of Emma's counsel George Knightley her principled brother in law Frank Churchill the attractive stepson of her former governess Harriet Smith a naive but enchanting young teacher's assistant at the local language school and the perfect and perfectly vexing Jane Fairfax Carriages have been replaced by Mini Coopers and cups of tea by cappuccinos but Alexander McCall Smith's sparkling satire and cozy sensibility are the perfect match for Jane Austen's beloved tale *Emma* Alexander McCall Smith, 2014-11-01 Beloved and bestselling author Alexander McCall Smith lends his delightful touch to Emma the next book in The Austen Project Prepare to meet a young woman who thinks she knows everything Fresh from university Emma Woodhouse triumphantly arrives home in Norfolk ready to embark on adult life with a splash Not only has her sister Isabella been whisked away on a motorcycle up to London but her astute governess Miss Taylor is at a loose end abandoned in the giant family pile Hartfield alongside Emma's anxiety ridden father Someone is needed to rule the roost and young Emma is more than happy to oblige As she gets her fledging design business off the ground there is plenty to delight her in the buzzing little village of Highbury At the helm of her own dinner parties and instructing her new little protégée Harriet Smith Emma reigns forth But there is only one person who can play with Emma's indestructible confidence her old friend and inscrutable neighbour George Knightley this time has Emma finally met her match You don't have to be in London to go to parties find amusement or make trouble Not if you're Emma the very big fish in the rather small pond But for a young woman who knows everything Emma has a lot to learn about herself Ever alive to the uproarious nuances of human behaviour and both the pleasures and pitfalls of village life beloved author Alexander McCall Smith's Emma is the busybody we all know and love and a true modern delight *Emma: free sampler* Alexander McCall Smith, 2014-08-21 It's comfort reading at its most soothing Independent Funny heartfelt and very readable Good Housekeeping **After Austen** Lisa Hopkins, 2018-11-11 This collection of twelve new essays examines some of what Jane Austen has become in the two hundred years since her death Some of the chapters explore adaptations or repurposings of her work while others trace her influence on a surprising variety of different kinds of writing sometimes even when there is no announced or obvious debt to her In so doing they also inevitably shed light on Austen herself Austen is often considered romantic and not often considered political but both those

perceptions are challenged her as is the idea that she is primarily a writer for and about women Her books are comic and ironic but they have been reworked and drawn upon in very different genres and styles Collectively these essays testify to the extraordinary versatility and resonance of Austen's books

Narrative Retellings Marina Lambrou, 2020-12-10 Narrative Retellings presents pioneering work at the intersection of stylistics and narrative study to provide new insights into the diverse forms of fictional and factual narratives and their retellings Common types of retelling such as translation adaptation textual intervention and reader responses are reconceptualised in the chapters and fresh insights are offered into experiences retold as autofiction witness statements and advertorials on social media From modernising the most cherished novels of Jane Austen to deciphering conflicting testimonials following the Hillsborough disaster this volume reveals the complexities involved in all forms of narrative retellings As such it makes a valuable contribution to the interdisciplinary study of stylistics and to the understanding of narrative texts

The Moral Mind Henry Haslam, 2016-11-16 The reality and validity of the moral sense which ordinary people take for granted took a battering in the last century Materialist trends in philosophy decline in religious faith and a loosening of traditional moral constraints contributed to a shift in public attitudes with many decent honest folk both aware of a questioning of moral claims and uneasy with a world that has no place for the moral dimension Haslam shows how important the moral sense is to the human personality and exposes the weakness in much current thinking that suggests otherwise His goal is to help the reader to a mature and confident understanding of the moral mind which constitutes an essential part of what it is to be human

A Laborer in the Vineyard of Love Alexander McCall Smith, 2023-09-19 For fans of Alexander McCall Smith's many beloved series and romantic standalone novels The Perfect Passion Company's original series shows him at his most perceptive playful and generous Katie Donald is learning the ropes at the Perfect Passion Company which provides help to the lovelorn citizens of Edinburgh Katie is assisted in her matchmaking endeavors by William Kidd a talented knitwear designer in the office next door with a sympathetic ear a playful interest in the business of matchmaking and a long distance fiancé in his native Melbourne George Fane a thirtysomething hotelier tied to his family business and an overbearing mother arrives one day asking for Katie's assistance in finding a romantic partner and a little distance from his mother to boot As Katie searches for the right match for George she discovers there is more than one way of looking at the Fane family's story and that the work of the Perfect Passion Company may have to be a little broader in its scope than she had previously thought Meanwhile the Perfect Passion Company's original owner Katie's cousin Ness is away in Canada surrounded by pristine forest in a small lakeside town full of intriguing neighbours As Ness did before her Katie must learn the principles of romantic chemistry with the very simpatico William at her side This is the job after all bringing great happiness to people And as she labors she just might discover something about her own compatibility and future happiness Alexander McCall Smith's second volume in the Perfect Passion Company series A Labourer in the Vineyard of Love casts new light on the psychology of family relationships the desire for friendship and

romance and the thrill of possibility when two people meet at just the right time in life

Writing and Editing for Digital Media Brian Carroll, 2017-06-26 *Writing and Editing for Digital Media* teaches students how to write effectively for digital spaces whether writing for an app crafting a story for a website blogging or using social media to expand the conversation The lessons and exercises in each chapter help students build a solid understanding of the ways that digital communication has introduced opportunities for dynamic storytelling and multi directional communication With this accessible guide and accompanying website students learn not only to create content but also to become careful creative managers of that content Updated with contemporary examples and pedagogy including examples from the 2016 presidential election and an expanded look at using social media the third edition broadens its scope helping digital writers and editors in all fields including public relations marketing and social media management Based on Brian Carroll s extensive experience teaching a course of the same name this revised and updated edition pays particular attention to opportunities presented by the growth of social media and mobile media Chapters aim to Assist digital communicators in understanding the socially networked increasingly mobile always on geomapped personalized media ecosystems Teach communicators to approach storytelling from a multimedia multi modal interactive perspective Provide the basic skill sets of the digital writer and editor skill sets that transfer across all media and most communication and media industries and to do so in specifically journalistic and public relations contexts Help communicators to put their audiences first by focusing attention on user experience user behavior and engagement with their user bases Teach best practices in the areas of social media strategy management and use

The Routledge Handbook of Social Work Theory Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care

The Last Word Ben Macintyre, 2011-06-01 A sprinkling of delightful nuggets about the uses and abuses of the English Language Daily Telegraph Books of the Year There are myriad delights in Ben Macintyre s musings on language The Times Books of the Year

Do you know your geek speak from your geek chic Ever wanted to put Humpty Dumpty together again

Can you distinguish Spanglish from Chinglish We adapt words from other languages from slang from developments in science literature and art Learn the advantages of having your own signature word why the lifts in the House of Commons have posh accents and discover the discreet art of the loopphemism Witty and utterly delightful The Last Word will tease tickle and tantalise those who enjoy all things lexical *The Perfect Passion Company* Alexander McCall Smith, 2024-02-13 From the beloved author of the No 1 Ladies Detective Agency comes a fabulous new novel in three parts The Perfect Passion Company tales of love and companionship from Scotland's most low key dating agency As the new manager of The Perfect Passion Company at No 24 Mouse Lane in New Town Katie Donald has made it her mission to provide help to the lovelorn citizens of Edinburgh With the help of her amiable and handsome office neighbor William Kidd she finds herself making matches for the lonely hearts of Edinburgh who want a more personal touch In this tale Katie helps an airline pilot figure out what it is he really wants in a partner by sending him to cooking school Another customer a hotelier with a particularly overbearing mother arrives looking for a bit of freedom and space Along the way Katie learns that the work of the Perfect Passion Company may be a little broader in its scope than she had originally thought With the tenderness and lightness of touch that only McCall Smith is capable of this novel offers a glimpse inside the psychology of matchmaking the search for love and companionship and the mysterious spark of attraction that can at times catch hold of us all **The Spirituality of**

Jane Austen Paula Hollingsworth, 2017-04-21 2017 marks the 200th anniversary of the death of Jane Austen whose six completed novels have never been out of print Best known for her novels Sense and Sensibility Pride and Prejudice Mansfield Park and Emma first published anonymously Jane commented critiqued and illuminated the life of the English upper classes But did Jane's writings highlight anything about her own spirituality In this celebratory book Paula Hollingsworth explores Jane Austen's gentle but strong faith and the effect it had both on her life and her writing Drawing on Jane's life story her letters her friendships her books and the characters portrayed Paula shows the depth of Jane Austen's spirituality

Austen After 200 Kerry Sinanan, Annika Bautz, Daniel Cook, 2022-11-24 Austen After 200 explores our contemporary relationship with Jane Austen in the wake of the bicentenaries of her death and the first publication of her novels The volume begins by looking at Austen's popular appeal and at how she is consumed today in diverse cultural venues such the digisphere blogosphere festivals and book clubs It then offers new approaches to the novels within various critical contexts including adaptation studies fan fiction intertextuality and more Collecting these new essays in one volume enables a unique view of the crossovers and divergences in engagements with Austen in different settings and will help a comparative approach between the popular and the academic to emerge more fully in Austen studies The book gathers insights from a range of contributors invested in new reading spaces in order to show the creative ways in which we are all adapting as we continue to read Austen's works [The Cambridge Introduction to Jane Austen](#) Janet Todd, 2015-02-19 Jane Austen is unique among British novelists in maintaining her popular appeal while receiving more scholarly attention now than ever before This

introduction by Janet Todd leading scholar and editor of Austen's work explains what students need to know about her novels life context and reception Each novel is discussed in detail and the essential information is given about her life and literary influences her novels and letters and her impact on later literature For this second edition the book has been fully revised a new chapter explores the ways in which Austen's work has prompted imitations adaptations and creative spin offs Key areas of current critical focus are considered throughout but the book's analysis remains thoroughly grounded in readings of the texts themselves Janet Todd outlines what makes Austen's prose style so innovative and gives useful starting points for the study of the major works with suggestions for further reading

Reboot Culture William Proctor, 2023-11-24 Since the release of Christopher Nolan's *Batman Begins* in 2005 there has been a pronounced surge in alternative uses of the computer term reboot a surge that has witnessed the term deployed in new contexts and new signifying practices involving politics fashion sex nature sport business and media As a narrative concept however reboot terminology remains widely misused misunderstood and misinterpreted across popular journalistic and academic discourses being recklessly and relentlessly solicited as a way to describe a broad range of narrative operations and contradictory groupings including prequels sequels adaptations revivals re launches generic refreshes and enactments of retroactive continuity Adopting an inter disciplinary approach that fuses cultural studies media archaeology and discursive approaches this book challenges existing scholarship on the topic by providing new frameworks and taxonomies that illustrate key differences between reboots and other strategies of regeneration helping to spotlight the various ways in which the culture industries mine their intellectual properties in distinct and novel ways to present them anew *Reboot Culture Comics Film Transmedia* is the first academic study to critically explore and interrogate the reboot phenomenon as it emerged historically to describe superhero comics that sought to jettison existing narrative continuity in order to begin again from scratch of franchising in the twenty first century of franchising in the twenty first century div

Jane Austen Laura Dabundo, 2021-05-12 Written for readers at all levels this book situates Jane Austen in her time and for all times It provides a biography locates her work in the context of literary history and criticism explores her fiction and features an encyclopedic readable resource on the people places and things of relevance to Austen the person and writer Details on family members beaux friends national affairs church and state politics themes tropes and literary devices ground the reader in Austen's world Appendices offer resources for further reading and consider the massive modern industry that has grown up around Austen and her works

Edinburgh Companion to Jane Austen and the Arts Hannah Moss, Joe Bray, 2024-05-31 Jane Austen was a keen consumer of the arts throughout her lifetime The *Edinburgh Companion to Jane Austen and the Arts* considers how Austen represents the arts in her writing from her juvenilia to her mature novels The thirty three original chapters in this *Companion* cover the full range of Austen's engagement with the arts including the silhouette and the caricature crafts theatre fashion music and dance together with the artistic potential of both interior and exterior spaces This volume also explores her artistic afterlives in

creative re imaginings across different media including adaptations and transpositions in film television theatre digital platforms and games Understanding the Discourse of Aging Vicent Salvador, Agnese Sampietro, 2020-11-09 There are a number of books and articles covering particular facets of the topic of aging such as the image of the elderly in the media cinema TV series and commercials and in literature which of course provide useful background material and references However these studies on aging discourse predominantly focus on a single discipline This book adds a fresh perspective by addressing the communicative practices surrounding age aging and the elderly from a multidisciplinary perspective The volume addresses several issues related to the discourse on aging from the problems related to definitions of age to the image of the elderly in literature cinema and mass media and gendered issues surrounding the aging process **The Cuban Missile Crisis** Phil Carradice, 2017-10-30 This gripping Cold War history chronicles the events that brought the world to the edge of nuclear war and the political drama that averted disaster The Cuban Missile Crisis of 1962 was the closest the world has yet come to nuclear war a time when the hands of the Doomsday Clock really did inch towards the witching hour of midnight By placing nuclear missiles on the Caribbean island of Cuba where potentially they were able to threaten the eastern seaboard of the USA Nikita Khrushchev and the Soviet Union escalated the Cold War to a level that everyone feared but had never previously thought possible In a desperate and dangerous game of brinkmanship for thirteen nerve wracking days Premier Khrushchev and President Kennedy held the fate of the world in their hands Kennedy in particular wrestled with a range of options allow the missiles to stay launch an air strike on the sites or invade Cuba In the end he did none of these But the solution to one of the deadliest dilemmas of the twentieth century proved to be a brave and dramatic moment in human history *Mason and McCall Smith's Law and Medical Ethics* Kenyon Mason, Graeme Laurie, Alexander McCall Smith, 2013-06-06 This classic textbook focuses on medical law and its relationship with medical practice and modern ethics Offering medical as well as legal facts it provides thorough coverage of all of the topics found on medical law courses and in depth analysis of recent court decisions encouraging students to think analytically about the subject
