Empathy Reborn Haseeb Amireh:

Empathy Reborn Haseeb Amireh, 2015-11-26 I am the author but the emotions were not mine alone in many ways someone else's story affected me greatly touched by another's journey That is my empathy that I am sharing with you The book is written as a journey starting with my early years of adolescence where you will notice much more rhythm and rhymes The second chapter Nature was my growth through discovery that nature can mimic human behavior Third is the chapter on companionship and the growth through human connection and building lasting bonds Lastly I finish the book with thoughts on my inner strength and although rocky at times I've always found the silver lining My belief is that our humankind depends on this towards one another for survival in other words to have Empathy Reborn
