**Encounters at the Heart of the World** Elizabeth A. Fenn,2014-03-11 This Pulitzer Prize winning work pieces together the lost history of the Mandan Native Americans and their thriving society on the Upper Missouri River The Mandan people s bustling towns in present day North Dakota were at the center of the North American universe for centuries Yet their history has been nearly forgotten maintained in fragmentary documents and the journals of white visitors such as Lewis and Clark In this extraordinary book Elizabeth A Fenn pieces together those fragments along with important new discoveries in archaeology anthropology geology climatology epidemiology and nutritional science The result is a bold new perspective on early American history a new interpretation of the American past By 1500 more than twelve thousand Mandans were established on the northern Plains and their commercial prowess agricultural skills and reputation for hospitality became famous Recent archaeological discoveries show how they thrived and how they collapsed The damage wrought by imported diseases like smallpox and the havoc caused by the arrival of horses and steamboats were tragic for the Mandans yet as Fenn makes clear their sense of themselves as a people with distinctive traditions endured **Bear Biology Association** United States. National Park Service,1980 The Bear Hunter's Century Paul Schullery,2014-05-14 The years from 1820 to 1920

saw the sport of bear hunting at its greatest flowering Much of the country was still wild enough to support large numbers of both black and grizzly bears who in turn supported a remarkable assortment of bear hunters Some like David Crockett and Theodore Roosevelt became internationally famous Others like Wilburn Waters and Holt Collier are almost completely forgotten though their exploits were just as extraordinary The Bear Hunter s Century brings to life the hard thrilling lives of these men Not just a book of adventures this a fascinating social history told with wit and style a penetrating examination of the often inaccurate lore of bear hunting and a celebration of the amazing skills developed by the best bear hunters
