The Inerrant Word John MacArthur, 2016-03-16 The Bible stands at the heart of the Christian faith but now more than ever many question its historical reliability and relevance for life today. In what may become the definitive contemporary evangelical resource on this foundational topic John MacArthur and a host of pastors, biblical scholars, historians, and theologians defend the doctrine of biblical inerrancy from their various disciplines. With contributions from evangelical leaders such as Kevin DeYoung, R. Albert Mohler Jr., R. C. Sproul, John Frame, and Mark Dever, this comprehensive volume makes the case that God's Word is without error and therefore completely reliable. The contributors explore key Scripture passages, precedents for inerrancy in church history, theological responses to common challenges, and pastoral applications of the doctrine to everyday life.
