**The Living Thoughts of Kierkegaard** Søren Kierkegaard, 1999-09-30  
Translated from the Danish by Walter Lowrie David Swenson and Alexander Dru The Danish philosopher Kierkegaard is one of the master thinkers of the modern age a defining influence on existentialism and on twentieth century theology and this brilliantly tailored selection from his vast and varied writings made by the great English poet W H Auden is a perfect introduction to his work Auden's inspired and incisive response to a thinker who had done much to shape his own beliefs is a fundamental reading of an author whose spirit remains as radical as ever more than 150 years after he wrote

Reading Kierkegaard I Paul Martens, 2017-01-20 In his posthumously published Journals and Papers Kierkegaard boldly claimed Oh once I am dead Fear and Trembling alone will be enough for an imperishable name as an author Then it will be read translated into foreign languages as well The reader will almost shrink from the frightful pathos in the book Certainly Fear and Trembling has been translated into foreign languages and its fame has ensured Kierkegaard's place in the pantheon of Western philosophy Today however most shrink from the book not because of its frightful pathos but because of its fearsome impenetrability In this first volume of a Reading Kierkegaard miniseries Martens carefully unfolds the form and content of Kierkegaard's celebrated pseudonymous text guiding and inviting the reader to embrace the challenge of wrestling with it to the end Throughout Martens demonstrates that Fear and Trembling is not merely a book that contains frightful pathos it is also an entree into Kierkegaard's vibrant and polyphonic corpus that is nearly as restless as the faith it commends

contemporary Taking its title from the young Kierkegaard's nickname The Fork the first section of the work is full of urbane and erotic materials and has much to say about his famous broken engagement to Regine Olsen A section called Women will be of special interest to feminists particularly the three discourses from the Symposium section of Stages on Life's Way The Midnight Hour presents Kierkegaard's most anguished and existential passages Do you not know there comes a midnight hour when everyone has to throw off his mask Do you think you can slip away a little before midnight in order to avoid this Lastly 1848 1984 presents Kierkegaard as an incisive and relevant political thinker in a way that has never been attempted before
