Chan, 2016-06-01 Unlike most books on the ethics of war this book rejects the just war tradition proposing a virtue ethics of war to take its place Like torture war cannot be justified It answers the question If war is a very great evil would a leader with courage justice compassion and all the other moral virtues ever choose to fight a war **Historical Theology: An Introduction** Geoffrey W. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't balk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy

Perjury and Pardon, Volume I Jacques Derrida, 2022-09-27 An inquiry into the problematic of perjury or lying and forgiveness from one of the most influential philosophers of the twentieth century One only ever asks forgiveness for what is unforgivable From this contradiction begins *Perjury and Pardon* a two year series of seminars given by Jacques Derrida at the cole des hautes etudes en sciences sociales in Paris in the late 1990s In these sessions Derrida focuses on the philosophical ethical juridical and political stakes of the concept of responsibility His primary goal is to develop what he calls a problematic of lying by studying diverse forms of betrayal infidelity denial false testimony perjury unkept promises desecration sacrilege and blasphemy Although forgiveness is a notion inherited from multiple traditions the process of forgiveness eludes those traditions disturbing the categories of knowledge sense history and law that attempt to circumscribe it Derrida insists on the unconditionality of forgiveness and shows how its complex temporality destabilizes all ideas of presence and even of subjecthood For Derrida forgiveness cannot be reduced to repentance punishment retribution or salvation and it is inseparable from and haunted by the notion of perjury Through close readings of Kant Kierkegaard Shakespeare Plato Jankelevitch Baudelaire and Kafka as well as biblical texts Derrida explores diverse notions of the evil or malignancy of lying while developing a complex account of forgiveness across different traditions

Hyperion and the Hobbyhorse Arthur Lindley, 1996-12 This book constructs a paradigm for the operation of subversive comedy what Arthur Lindley the author calls the Augustinian carnivalesque by examining some of the major texts of Ricardian and Elizabethan literature By identifying some common characteristics of these works Lindley argues that they must be seen in terms of a continuous fundamentally Augustinian Christian culture that is marked by a pervasive anti heroic comedy that interrogates the official secular order and the role based social identities that comprise it

Underlying this is a common attitude of Christian skepticism and a common use of carnivalesque demystification of power In this pattern of continuity concern with subjectivity the mysteries of the self and the tension between inward consciousness and outward role long antedates say Hamlet Subjection in other words is not an Elizabethan or Shakespearean invention but a constant concern of Augustinian literature going back to Confessions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Rabbinic Fantasies* David Stern, Mark Jay Mirsky, 1998-01-01 This anthology of 16 narratives from ancient and medieval Hebrew texts presents the world of rabbinic storytelling revealing facets of the Jewish experience and tradition and examining the deep connection between the values of classical Judaism and the art of imaginative narrative writing *Eternal Retirement* Rev. J.J. Inserra, 2023-05-04 Do you know where you will spend Eternity Where will you go when your earthly life ends Where you go depends on what you do now Why is that so Because after death the only laws and ways that matter are God's and how well we tried to live by them God wants everyone with Him but unfortunately not all will make it Are you going to eventually make it to Heaven or not This is unknown Anyone can change for the better or worse until he or she passes away If you're a Christian and think that all I need is to believe in Jesus and do nothing more then you are quite mistaken This is because God the Son came and for all With that said does God owe us anything But how well we live by His rules shows God that we want to live with Him forever in Heaven If you are an Atheist or an Agnostic and don't believe God exists or that there is any proof of His Existence this book helps those with such thinking You have faith just not in God Yet We need faith to believe the things people say to us whether it is a lie or truth When God Died for us it can be seen as though He invested in us rather than starting over To get to His Eternal Retirement Home we must live lives that show Him a good return on His investment in us Ask yourselves this question often Is the way I am living a good return on God's investment in me There will be a need for improvement even for the best of us This book helps us to do just that **The Ethics of Gospels** Tadeusz Buksinski, 2023-11-25 The Ethics of Gospels discusses philosophical ethics in the canonical Gospels both in its normative formal and material dimension and in a descriptive dimension as science about morality It argues that the ethics present in the Gospels has a universal and not denominational character although is not reduced to it The author argues that in the Gospels Jesus made acceptance and the implementation of ethical goods values and material norms dependent on the level of ethical awareness of His recipients The "Summa Theologica" Saint Thomas (Aquinas), 1914 **Something Wrong (A Lauren Lamb FBI Thriller—Book Three)** Kate Bold, 2023-08-22 Former FBI agent Lauren Lamb teamed with an exorcist and helping the Vatican solve inexplicable murders is stumped when she investigates the death of a woman found in France with a mysterious religious mark on her arm At first glance it seems like a killer is at work But as Lauren is met with one dead end after another she must wonder is something greater at work This is an excellent book When you start reading be sure you don't have to wake up early Reader review for The Killing Game SOMETHING WRONG is book 3 in a new series by 1 bestselling mystery and suspense author Kate Bold
