Bassing Bible Keith Sutton, 2003-03 Stoege's 400 page Bassing Bible is the most complete product and information guide to black bass fishing available on the market today. Readers will find complete specifications and up to date retail prices for boats, motors, electronics, rods, reels, lures, and much more. Whether you're in the market for a new fully outfitted bass boat or just want to know the sizes and colors available for a specific lure, you'll find it here in an easy to navigate guide made specifically with the bass angler in mind. Bassing Bible also contains crisp informative articles submitted by some of the country's top angler writers which provide a wealth of information ranging from new tactical tips and trip destinations to how to analyze your bassing hole and select the right crankbait or spinnerbait to target trophy fish. A manufacturer's directory is included with mailing addresses, phone numbers, and website addresses. A detailed index makes the Bassing Bible an invaluable resource and authoritative guide for anglers dedicated to the pursuit of America's favorite game fish.
