Allen,2015-07-01 Excerpt from American Cattle Their History Breeding and Management The object of this work is not only to give a historical account of the Bovine race to suggest to our farmers and cattle breeders the best methods of their production and management but to exalt and ennoble its pursuit to the dignity to which it is entitled in the various departments of American agriculture I have contemplated a work of this kind for many years past Indeed its plan was partly shadowed out near twenty years ago but on reflection I made up my mind that more personal observation was required than I then possessed and also that further experience in the use of the better improved breeds of foreign cattle among our farmers and cattle breeders was desirable to give that extended range of information which so important an interest demanded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
