*Home Learning Year by Year* Rebecca Rupp, 2009-02-04 Finally, homeschoolers have a comprehensive guide to designing a homeschool curriculum from one of the country's foremost homeschooling experts. Rebecca Rupp presents a structured plan to ensure that your children will learn what they need to know when they need to know it, from preschool through high school. Based on the traditional pre-K through 12th grade structure, *Home Learning Year by Year* features the integral subjects to be covered within each grade, Standards for knowledge that should be acquired by your child at each level, Recommended books to use as texts for every subject, Guidelines for the importance of each topic, which knowledge is essential and which is best for more expansive study based on your child's personal interests, Suggestions for how to sensitively approach less academic subjects such as sex education and physical fitness.

**Basic College Mathematics with Early Integers** Elayn Martin-Gay, 2015-02-18 For courses in basic college mathematics. Every student can succeed. Elayn Martin-Gay's developmental math program is motivated by her firm belief that every student can succeed. Martin-Gay's focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources. This revision of Martin-Gay's worktext series continues her focus on students and what they need to be successful. This program provides a better teaching and learning experience for you and your students. Here's how: The new Martin-Gay Student Success Program provides an integrated teaching and learning system combining the textbook, MyMathLab, R student and video organizers, and the video program, which is designed to help students gain the math and study skills they need for success in developmental math and beyond. Also available with MyMathLab. MyMathLab is an online homework tutorial and assessment program.
