Excalibur Reclaims Her King:

Excalibur Reclaims Her King Angelica Harris, Corey Blake, 2009-03 A modern day New York Mother is called upon to battle an evil Queen from centuries past and to open the time gates to Camelot where she must heal Merlin raise Arthur from the dead and prepare him to journey back to Rome in search of the titulus of Christ *Legendary* LH Nicole, 2014-02-25 Aliana Fagan spent her childhood traveling the world dreaming of legendary heroes and mythical lands But after the sudden death of her parents she hides behind the safety of her camera and her art until a vivid recurring dream compels her to dig into her father s research about Avalon and Camelot When she is hurled into a magical realm by forces she thought were only the stuff of fairy tales she finds herself thrown into an adventure she could never have imagined Nearly everything she thought she knew about Arthurian legend was wrong The independent eighteen year old is shocked to find that the people of Avalon think that she is the Destined One the only person who can summon King Arthur back to life from his hidden chamber Most surprising of all is that it s up to her to lead the Knights of the Round Table on an epic quest an adventure that will transport them across the seven magic realms to reclaim all that has been lost so they can defeat the evil Mordrid for good But first she must bring the ancient warriors into her world and reunite them with their lost brothers Chaperoning the legendary knights with a chivalry complex as they navigate the modern world is a constant challenge and she certainly never thought she d be caught between her intense feelings for the noble Sir Galahad and her growing friendship with the King To fulfill the prophecy Aliana will have to discover the meaning of friendship bravery loyalty true love and forgiveness But can she do it all in time to save the realms from Mordrid s impending Armageddon **Excalibur** Bernard Cornwell, 1999-07-16 Gift Local 12 18 2006 15 95 **Claiming Excalibur** L.H. Nicole, 2014-12-16 Aliana Fagan has done what many thought impossible she s awakened King Arthur from his fifteen hundred year sleep reunited the Knights of the Round Table and even beaten Mordrid and Morgana LeFay in battle But the Destined One s quest has only begun Before the knights can unearth and reclaim their lost relics they must survive the trip to Charleston South Carolina and meet the newest member of the Round Table If King Arthur s men thought Aliana and Lacy were tenacious they ll be even more surprised by Dawn the third member of the fem trio Deadly secrets unexpected allies and a traitor lurking in the shadows await Aliana and the new Round Table as they continue their search for Excalibur Their only clue is a beyond confusing poem from a mysterious book that speaks of a terrifying creature guarding the legendary sword Trying to build a somewhat normal relationship with Sir Galahad adds a whole new level of complexity to Aliana s task especially when several among them suspect the White Knight may not be wholly himself Her friendship with King Arthur grows closer and when circumstances become intense he may finally get the chance with Aliana that he s been pining for Mysteries legendary quests and haunting memories will either unite the members of the New Round Table or fracture their bonds Aliana and her crew only have seven months before the planets align and Mordrid can seize the power he needs to conquer the seven realms Can the Destined One keep her new

family together and lead Arthur to his destiny of saving the realms Or will a centuries old plot for revenge finally spell the king s end **The Demon Sword Master of Excalibur Academy, Vol. 11 (light novel)** Yu Shimizu,2025-04-15 Ghosts of the pastTo uncover the secrets of the Voids Leonis and his companions visited the ruins of the Rognas Kingdom s capital Though they managed to reunite safely with the kidnapped Riselia they are soon confronted by the apostle Nefakes and the Deus Machina Schwertleite Amid the fierce battle a spitting image of Leonis from one thousand years ago appears heralding even greater chaos Meanwhile Elfin and Shary begin to gather their forces each with its own goal **Something Wicked** Douglas Brode,Leah Deyneka,2024-10-31 An anthology of essays that deal with Witchcraft and the figure of the Witch as they have been presented in motion pictures television and popular culture in order to understand how why and when the common anti Witchcraft anti Witch attitude evolved Mainstream tales of Witchcraft including modern movies novels TV series and other examples of our popular culture more often than not express the traditional notion of a Witch as a wild dangerous untamable nasty woman obsessed with a desire for power to control all around her in most narratives such a hunger presented as a negative In truth The Witch is a symbol of threatening evil only to those men and women who accept a conservative sensibility For members of either gender who do not The Witch is perceived as hero and role model This collection begins with the Biblical figure of Lilith followed by Morgan le Fey from Arthurian legend myth in literature as well as in popular culture followed by the more contemporary depictions of the Witch that start to appear in the 1960s for example in the Bewitched sitcom the Star Wars franchise Harry Potter and even the television show Scooby Doo International depictions of the Witch are discussed including Italy s Dario Argento s films *Suspiria* and *Inferno* The final section of this collection focuses on the most iconic depictions of the Witch produced during the 21st century including A Discovery of Witches Penny Dreadful Game of Thrones and the history of the Witch in films by the Walt Disney studio from its origins more than a century ago to the latest releases arguing that here if perhaps surprisingly we discover the most fair and balanced portraits of Witches in the history of film and TV *Crisanta Knight: To Death & Back* Geanna Culbertson,2019-04-01 And here I thought saving one realm was enough to fill up my to do list Following the revelation that the antagonists were after the location of all of Book s genies my friends and I knew our Wonderland road trip was far from over With the magic fluctuation event known as the Vicennialia Aurora days away antagonists and magic hunters hot on our tail and my treacherous brother Alex and I in competition to claim Excalibur matters were becoming larger than life very quickly I was one of those matters My Pure Magic powers of life were growing incomparably strong As I discovered the extent of my abilities I was being tempted by the corruption that came with them But how could I stop Camelot s terrain was unlike anything we d ever encountered From evil kings to bloodlusting Bluebeards to the Questor Beast I needed my magic now more than ever This world and so many others depended on me And yet as my friends and I ran against the clock our enemies and the prophecies of the future that pursued us like hungry shadows I d come to learn one thing with absolute
