Faces Of Christmas Past:

Faces of Christmas Past Bill Holm, 1998 As Christmas ritual marks our passage through life the ritual of music may be the surest source of comfort on our journey to white hair and bifocals

Turning for Home Mike Gaddis, 2014-08-19 There is a juncture in every journey when your heart must find soon again something long dear and gently known There is a waver in the wildest of wanderlust when the soul runs dry and must come again to the thing the place or the somebody that can make it replete There is to every life an awakening that the miles ahead are greatly less than the ones behind that beyond all things lies an end that you must come again as closely as you can to where you begin Turning for home It is not always back to where you departed It is not always from the place you have been It is as much of the mind as of the matter as much a coming oftentimes as a going Sometimes the voyage is easy sometimes the passage is steep When we follow the ache of our souls we discover that our emotions have been buried in many places and that easily the most painful of these are those to which we can never return at all Here in a new and eclectic compilation of masterful stories and essays one of the most revered sporting authors of our time contemplates the homecomings of the sportsman's heart He unearths a treasury of broadly divergent encounters from the delightfully absurd hilarity of *Love Gloves* to the piercingly intense melancholy of *A Prayer from Dark Timber* Each is told with an insight and dexterity that rarely gains expression and each is drawn from the timeless and beloved pathways of the sporting life that wander between a laugh and a tear Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

A Very Punchable Face Colin Jost, 2021-07-13 NEW YORK TIMES BESTSELLER In these hilarious essays the Saturday Night Live head writer and Weekend Update co anchor learns how to take a beating I always wanted to punch his face before I read this book Now I just want to kick him in the balls Larry David NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Cosmopolitan* *Vulture* *Parade* If there's one trait that makes someone well suited to comedy it's being able to take a punch metaphorically and occasionally physically From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and seeing the sights like watching a Russian woman throw a stroller off the back of a ferry to attending Harvard while Facebook was created Jost shares how he has navigated the world like a slightly smarter *Forrest Gump* You'll also discover things about Jost that will surprise and confuse you like how Jimmy Buffett saved his life how Czech teenagers attacked him with potato salad how an insect laid eggs inside his legs and how he competed in a twenty five man match at *WrestleMania* and almost won You'll go behind the scenes at

SNL and Weekend Update where he's written some of the most memorable sketches and jokes of the past fifteen years And you'll experience the life of a touring stand up comedian from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall For every accomplishment hosting the Emmys there is a setback hosting the Emmys And for every absurd moment watching paramedics give CPR to a raccoon there is an honest emotional one recounting his mother's experience on the scene of the Twin Towers collapse on 9/11 Told with a healthy dose of self-deprecation A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television and lays bare the heart and humor of a hardworking guy with a face you can't help but want to punch

Diprose's Standard Song Book and Reciter. (Comic and sentimental.). John Diprose,1870 **About Face: A Novel** William Giraldi,2022-09-06 A tragicomic novel of a fame obsessed American society yet again on the brink Evoking such classics as Elmer Gantry and The Day of the Locust William Giraldi's About Face boldly transfers the perennial literary themes of celebrity ambition and obsession to twenty first century Boston There we meet Val Face a charismatic self help guru who captivates multitudes with his uncanny ability to heal adherents using only the power of his words the mysterious touch of his hands and the transcendent beauty of his face Assigned to write a profile of Val Face during his much hyped New England tour thirty year old impoverished journalist Seger Jovi pens a brutal hatchet job But Seger at once curious and incredulous is soon sucked into the mystic's vortex of fame becoming a devotee himself as he contends with the machinations and absurdities of Face's many protectors from beefcake bodyguards to helicoptering handlers to Face's unwavering spouse Nimble At first unwilling to sacrifice his principles to fulfill his own ambition and rise from privation then touched by Face's unexpected humanity Seger oscillates between acting as Face's cynical foil and becoming his unlikely ally Just as the exalted guru appears to be reaching the apex of his powers danger threatens from the periphery in the form of an obsessive stalker who wants Face dead To curb this stalker before he can do harm Face's security team enlists the aid of Jackie Jaworski an ex Marine and resourceful Boston detective who moonlights as a novelist of thrillers And so About Face building to a denouement that will astonish readers takes us into the convergence of violence and fame that has come to define so much of American popular culture over the last half century With its indelible array of characters hypnotic pacing and shocking conclusion and a mesmerizing prose style that is downright pyrotechnic in its brilliance Andre Dubus III About Face is a novel in the grand tradition that dances along the tenuous line between the sacred and the profane Family Life in 20th-Century America Marilyn Coleman Ph.D.,Lawrence H. Dickens' Novels as Poetry Jeremy

Tambling, 2014-11-13 Focusing on the language style and poetry of Dickens novels this study breaks new ground in reading Dickens novels as a unique form of poetry Dickens writing disallows the statement of single unambiguous truths and shows unconscious processes burrowing within language disrupting received ideas and modes of living Arguing that Dickens within nineteenth century modernity sees language as always double Tambling draws on a wide range of Victorian texts and current critical theory to explore Dickens interest in literature and popular song and what happens in jokes in caricature in word play and punning and in naming Working from Dickens earliest writings to the latest deftly combining theory with close analysis of texts the book examines Dickens key novels such as *Pickwick Papers* *Martin Chuzzlewit* *Dombey and Son* *Bleak House* *Little Dorrit* *Great Expectations* and *Our Mutual Friend* It considers Dickens as constructing an urban poetry alert to language coming from sources beyond the individual and relating that to the dream life of characters who both can and cannot awake to fuller different consciousness Drawing on Walter Benjamin Lacan and Derrida Tambling shows how Dickens writes a new and comic poetry of the city and that the language constitutes an unconscious and secret autobiography This volume takes Dickens scholarship in exciting new directions and will be of interest to all readers of nineteenth century literary and cultural studies and more widely to all readers of literature
