unite in common democratic cause Why Busing Failed Matthew F. Delmont, 2016-03-01 Busing in which students were transported by school buses to achieve court ordered or voluntary school desegregation became one of the nation's most controversial civil rights issues in the decades after *Brown v Board of Education* 1954 Examining battles over school desegregation in cities like Boston Chicago New York and Pontiac *Why Busing Failed* shows how school officials politicians courts and the news media valued the desires of white parents more than the rights of black students and how antibusing parents and politicians borrowed media strategies from the civil rights movement to thwart busing for school desegregation This national history of busing brings together well known political figures such as Richard Nixon and Chicago Mayor Richard J Daley with less well known figures like Boston civil rights activist Ruth Batson Florida Governor Claude Kirk Pontiac housewife and antibusing activist Irene McCabe and Clay Smothers the self proclaimed most conservative black man in America This book shows that busing failed to more fully desegregate public schools because school officials politicians courts and the news media valued the desires of white parents more than the rights of black students Provided by publisher *To-day's Cinema News and Property Gazette* ,1947 Unsettled Janet McIntosh, 2016-04-26 In 1963 Kenya gained independence from Britain ending nearly seventy years of white colonial rule While tens of thousands of whites relocated outside Kenya for what they hoped would be better prospects many stayed Over the past decade however protests scandals and upheavals have unsettled families with colonial origins reminding them of the tenuousness of their Kenyan identity In this book Janet McIntosh looks at the lives and dilemmas of settler descendants living in postindependence Kenya From clinging to a lost colonial identity to embracing a new Kenyan nationality the public face of white Kenyans has undergone changes fraught with ambiguity Drawing on fieldwork and interviews McIntosh focuses on their discourses and narratives asking What stories do settler descendants tell about their claims to belong in Kenya How do they situate themselves vis a vis the colonial past and anticolonial sentiment phrasing and rephrasing their memories and judgments as they seek a position they feel is ethically acceptable With her respondents straining to defend their entitlements in the face of mounting Kenyan rhetorics of ancestry and autochthony McIntosh explores their contradictory and diverse responses moral double consciousness aspirations to uplift the nation ideological blind spots denial and self doubt Ranging from land rights to language from romantic intimacy to the African occult *Unsettled* offers a unique perspective on whiteness in a postcolonial context and a groundbreaking theory of elite subjectivity Provided by publisher **Joni Mitchell Complete So Far** Joni Mitchell, 2013-11-07 *Joni Mitchell Complete So Far* contains 167 songs spanning her entire career transcribed accurately and including the authentic tunings Joni explored throughout her artistic development Titles All I Want Amelia The Arrangement You're So Square Baby I Don't Care Bad Dreams Banquet Barangrill Be Cool The Beat of Black Wings Big Yellow Taxi Big Yellow Taxi 2007 A Bird That Whistles Corrina Corrina Black Crow Blonde in the Bleachers Blue Blue Boy Blue Motel Room The Boho Dance Borderline Both Sides Now Cactus Tree California Car on a Hill Carey A Case of You Chelsea Morning

Stop Trying Cary Schmidt, 2021-01-07 From looking outwardly to please others to looking inwardly to define ourselves we constantly try to cultivate or construct our identities But guided by the whims of culture or the faulty advice of tradition we often find identity collapses when life falls apart or change threatens that fragile structure Is it possible to discover an identity bolstered with unassailable confidence strengthened for the challenges of life rather than destroyed by them and free from the whims of cultural pressure Yes It is an identity received not achieved an identity established in the gospel In Stop Trying Cary Schmidt s storytelling creates compelling scenes in which you ll see yourself and your self You ll understand why defining your identity outside of Jesus Christ is ultimately fragile hollow and unsatisfying And you ll discover that your truest and most fulfilling identity is a byproduct of a relationship that changes everything
