Croire En Gauche Pascal Cherki

Jicheng Xie

Croire En Gauche Pascal Cherki:

Les socialistes français face à la troisième voie britannique Thibaut Rioufreyt, 2016 Thibaut Rioufreyt retrace la relation ambiguë des socialistes français la Troisième voie britannique dont Tony Blair fut le promoteur dans les années 1990 2000. S'appuyant notamment sur des entretiens avec des responsables politiques et des intellectuels, il étudie les évolutions contemporaines du socialisme français travers ses interactions avec un homologue étranger. Il combine analyse interne des idées, textes et discours, l'analyse externe du contexte social et politique dans lesquels ces discours sont produits, circulent et sont réus. L'ouvrage s'inscrit pleinement dans l'actualité, un certain nombre des enquêtes appartiennent ou ont appartenu aux gouvernements socialistes sous la présidence Hollande. Dans une période où le débat politico-médiatique en est encore à savoir si François Hollande est ou n'est pas social-démocrate, la lecture du livre permet de mieux comprendre le virage social-libéral engagé par le Parti socialiste, mais aussi de savoir où il va. Une lecture indispensable avant la prochaine campagne présidentielle.
