Cruel Bird Came To The Nest And Looked In:

A cruel bird came to the nest and looked in Magnus Mills, 2013 *The Forensic Records Society* Magnus Mills, 2017-04-06 The Forensic Records Society is like Animal Farm but with blokes for pigs and much better songs Guardian Two men with a passion for vinyl create a society for the appreciation of records Their aim is simple to elevate the art of listening by doing so in forensic detail The society enjoys moderate success in the back room of their local pub The Half Moon with other enthusiasts drawn to the initial promise of the weekly gathering However as the club gains popularity its founder's uncompromising dogma results in a schism within the movement and soon a counter group forms Then the arrival of a young woman called Alice further fractures the unity of the vulnerable society As rifts are forged and gulfs widen Magnus Mills examines the surreal nature of ordinary lives The master of the comic deadpan returns for his ninth novel a spectacularly disingenuous exploration of power fanaticism and really really good records **The Comic Turn in**

Contemporary English Fiction Huw Marsh, 2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present How Literary Worlds Are Shaped Bo Pettersson, 2016-09-12 Literary studies still lack an extensive comparative analysis of different kinds of literature including ancient and non Western How Literary Worlds Are Shaped A Comparative Poetics of Literary Imagination aims to provide such a study Literature it claims is based on individual and shared human imagination which creates literary worlds that blend the real and the fantastic mimesis and genre often modulated by different kinds of unreliability The main building blocks of literary worlds are their oral visual and written modes and three themes challenge perception and relation They are blended and inflected in different ways by combinations of narratives and figures indirection thwarted aspirations meta usages hypothetical action as well as hierarchies and blends of genres and text types Moreover literary worlds are not only constructed by humans but also shape their lives and reinforce their sense of wonder

Finally ten reasons are given in order to show how this comparative view can be of use in literary studies In sum How Literary Worlds Are Shaped is the first study to present a wide ranging and detailed comparative account of the makings of literary worlds

The Field of the Cloth of Gold Magnus Mills,2016-08-09 The Great Field lies in the bend of a broad meandering river Bounded on three sides by water on the fourth side it dwindles gradually into wilderness A handful of tents are scattered far and wide across its immensity Their flags flutter in the warm breeze rich with the promise of halcyon days But more and more people are setting up camp in the lush pastures and with each new arrival life becomes a little more complicated And when a large and disciplined group arrives from across the river emotions run so high that even a surplus of milk pudding can't soothe ruffled feathers Change is coming change that threatens the delicate balance of power in the Great Field Magnus Mills's new novel takes its name from the site of a 1520 meeting between Henry VIII and Francis I of France to improve relations between the countries as the Treaty of London deteriorated It allegorically suggests a number of historical encounters on British soil the coming of the Vikings the coming of the Romans But The Field of the Cloth of Gold sits firmly outside of time a skillful and surreal fable dealing with ideas of ownership empire immigration charisma diplomacy and bureaucracy It cements Magnus Mills's status as one of the most original and beloved novelists writing today

Explorers of the New Century Magnus Mills,2011-09-05 The brilliant satirical novel by the Booker Prize shortlisted author of The Restraint of Beasts To write one unique book is a rare achievement The ability to produce several is truly special Independent A demented deadpan comic wonder Thomas Pynchon It is the beginning of the century and two teams of explorers are racing across a cold windswept deserted land to reach the furthest point from civilisation It is they find an awfully long way Johns and his men take the western route along a rocky scree gossiping bickering and grumbling as they go Meanwhile Tostig's men make their way along the dry riverbed in the east they are fewer with just five men and ten mules and better organised than their rivals But with Johns team keeping apace in the distance the race is on to reach the Agreed Furthest Point

Feel Free Zadie Smith,2018-02-06 Winner of the 2018 National Book Critics Circle Award for Criticism A New York Times Notable Book From Zadie Smith one of the most beloved authors of her generation a new collection of essays Since she burst spectacularly into view with her debut novel almost two decades ago Zadie Smith has established herself not just as one of the world's preeminent fiction writers but also a brilliant and singular essayist She contributes regularly to The New Yorker and the New York Review of Books on a range of subjects and each piece of hers is a literary event in its own right Arranged into five sections In the World In the Audience In the Gallery On the Bookshelf and Feel Free this new collection poses questions we immediately recognize What is The Social Network and Facebook itself really about It's a cruel portrait of us 500 million sentient people entrapped in the recent careless thoughts of a Harvard sophomore Why do we love libraries Well run libraries are filled with people because what a good library offers cannot be easily found elsewhere an indoor public space in which you do not have to buy anything in order to stay What will we tell our granddaughters about

our collective failure to address global warming So I might say to her look the thing you have to appreciate is that we d just been through a century of relativism and deconstruction in which we were informed that most of our fondest held principles were either uncertain or simple wishful thinking and in many areas of our lives we had already been asked to accept that nothing is essential and everything changes and this had taken the fight out of us somewhat Gathering in one place for the first time previously unpublished work as well as already classic essays such as Joy and Find Your Beach Feel Free offers a survey of important recent events in culture and politics as well as Smith s own life Equally at home in the world of good books and bad politics Brooklyn born rappers and the work of Swiss novelists she is by turns wry heartfelt indignant and incisive and never any less than perfect company This is literary journalism at its zenith Zadie Smith s new book *Grand Union* is on sale 10 8 2019

All Quiet on the Orient Express Magnus Mills,2011-05-16 A dark surreally funny novel from the bestselling Booker Prize shortlisted author Hilariously surreal It s a bit like the Coen Brothers directing an Alan Bennett play Fantastic Daily Mirror Understatedly surreal deadpan gothic Mills is a master of the uncanny Such a fresh fictional voice Esquire It is the end of the summer The tourists have already gone and now the sun is abandoning the Lake District s damp valleys Only a lone camper remains enjoying the quiet He plans to stay just long enough to prepare for a trip to the East But then the owner of the campsite asks him to paint a fence and he innocently obliges Soon other odd jobs pile up until little by little he becomes ensnared in the ominous out of season

The Scheme for Full Employment Magnus Mills,2011-05-16 A unique talent Mills s novels are among the best and most original in recent English fiction Literary Review An enjoyable novel by a truly original writer Sunday Times The Scheme was designed to provide an honest wage for an honest day s labour Men driving identical rust resistant Univans deliver Univan parts to strategically spaced warehouses Simple self perpetuating and efficient it seems destined to last forever But when some drivers begin leaving early and developing delivery sidelines the workforce is divided into two camps Flat Dayers and Early Swervers As tensions mount the whole system threatens to fall apart
