Environmental Politics in East Asia Mary Alice Haddad, 2023-12-21 Once viewed as an environmental hazard to the planet East Asia is now at the forefront of pro environmental policymaking The region s progress has been both remarkable and surprising given the pro business orientation of its political systems and their ideological diversity Through a focus on three environmental policy areas exhibiting different levels of success this Element shows how governments in China Japan South Korea and Taiwan have been able to craft pro environmental policy by working in collaboration with business and societal interests The evolution of the region s eco developmental states has resulted in exceptional progress in the areas of green technology and green finance mixed outcomes in pollution management and negligible improvement in addressing environmental justice As the planet seeks guidance in addressing our collective climate crisis East Asia offers both hope and caution for how we can craft pro environmental policies in diverse political contexts

Marine Wildlife and Tourism Management James E. S. Higham, Michael Lück, 2008 This book seeks to underscore the need for scientific approaches to first understanding and then managing tourist interactions with marine wildlife It draws upon the work of leading natural and social scientists whose work serves the interests of sustainable wildlife based marine tourism Thus from within the natural science disciplines of marine biology environmental science behavioural ecology conservation biology and wildlife management come chapters that provide insights into the effects of human disturbance on

marine wildlife the impacts that tourists may have upon wild animals and the management approaches to mitigating impacts that may in the long term be biologically significant Equally from the social science disciplines of geography sociology management and social anthropology are drawn chapters that explore demand for marine wildlife experiences the benefits that visitors derive from their experiences ethical and legislative contexts and management issues that arise when tourists interact with populations of wild animals in coastal and marine environments *Sport Tourism and Sustainable Destinations* Brent D. Moyle, Tom Hinch, James Higham, 2018-12-07 Destinations include the places landscapes and communities where sport tourism development takes place Whether sport tourism development takes the form of sport events active participation in sport and or sports nostalgia heritage it draws on local resources forms part of the complex dynamic of daily life As such sports tourism has implications for residents with destination communities in a position to benefit from or absorb the costs of the extent to which development is sustainable Subsequently this book features contributions that focus on sport tourism and destination sustainability Issues covered include though are not limited to destination management surf localism the production of space event sustainability in national parks utilisation of sport heritage for destination promotion enhancing the attractiveness of destinations through sport tourism destination development and sport tourism utilising sport to motivate travel to destinations and environmentally responsible behaviour in sports tourism destinations The unique contribution of this edited volume is the multi disciplinary approach applied to enhance conceptual understanding of issues surrounding sport tourism and destination sustainability The chapters originally published as a special issue in the Journal of Sport Tourism *Mountaineering Tourism* Ghazali Musa, James Higham, Anna Thompson- Carr, 2015-06-05 In May 1993 the British Mountaineering Council met to discuss the future of high altitude tourism Of concern to attendees were reports of queues on Everest and reference was made to mountaineer Peter Boardman calling Everest an amphitheater of the ego Issues raised included environmental and social responsibility and regulations to minimize impacts In the years that have followed there has been a surge of interest in climbing Everest with one day in 2012 seeing 234 climbers reach the summit Participation in mountaineering tourism has surely escalated beyond the imagination of those who attended the meeting 20 years ago This book provides a critical and comprehensive analysis of all pertinent aspects and issues related to the development and the management of the growth area of mountaineering tourism By doing so it explores the meaning of adventure and special reference to mountain based adventure the delivering of adventure experience and adventure learning and education It further introduces examples of settings alpine environments where a general management framework could be applied as a baseline approach in mountaineering tourism development Along with this general management framework the book draws evidence from case studies derived from various mountaineering tourism development contexts worldwide to highlight the diversity and uniqueness of management approaches policies and practices Written by leading academics from a range of disciplinary backgrounds this insightful book will provide students researchers and academics with a better

understanding of the unique aspects of tourism management and development of this growing form of adventure tourism across the world

**The Business of Sustainability** Chris Laszlo, Karen Christensen, Daniel S. Fogel, Gernot Wagner, Peter J. Whitehouse, 2010-01-01 The Business of Sustainability is a core resource for policy makers members of the development community entrepreneurs and corporate executives as well as business and economics students and their professors It contains rich analysis of how sustainability is being factored into industries across the globe with enlightening case studies of businesses serving as agents of change Contributing authors provide a groundbreaking body of research based knowledge They explain that the concept of sustainability is being re framed to be positive about business instead of being tied to the old notion of a trade off between business and society that is if business wins society and the environment must lose and they explore how economic development can contribute to building our common future

**Whale-watching** James Higham, Lars Bejder, Rob Williams, 2014-03-27 A critical insight into the diverse socio cultural political economic and ecological contexts of the global whale watching industry

Tourism and National Parks Warwick Frost, C. Michael Hall, 2012-08-21 In 1872 Yellowstone was established as a National Park The name caught the public s imagination and by the close of the century other National Parks had been declared not only in the USA but also in Australia Canada and New Zealand Yet as it has spread the concept has evolved and diversified In the absence of any international controlling body individual countries have been free to adapt the concept for their own physical social and economic environments Some have established national parks to protect scenery others to protect ecosystems or wildlife Tourism has also been a fundamental component of the national parks concept from the beginning and predates ecological justifications for national park establishment though it has been closely related to landscape conservation rationales at the outset Approaches to tourism and visitor management have varied Some have stripped their parks of signs of human settlement while increasingly others are blending natural and cultural heritage and reflecting national identities This edited volume explores in detail the origins and multiple meanings of National Parks and their relationship to tourism in a variety of national contexts It consists of a series of introductory overview chapters followed by case study chapters from around the world including insights from the US Canada Australia UK Spain France Sweden Indonesia China and Southern Africa Taking a global comparative approach this book examines how and why national parks have spread and evolved how they have been fashioned and used and the integral role of tourism within national parks The volume s focus on the long standing connection between tourism and national parks and the changing concept of national parks over time and space give the book a distinct niche in the national parks and tourism literature The volume is expected to contribute not only to tourism and national park studies at the upper level undergraduate and graduate levels but also to courses in international and comparative environmental history conservation studies and outdoor recreation management

Conservation and Recreation in Protected Areas Yun Ma, 2016-05-12 This book provides a comprehensive and up to date comparative study of the management and resolution of conflicts between

conservation and recreation in protected areas in the US and China Competing claims on the use of nature increasing regulation of land use and recreational activities and the conflicting goals between conservation and development have led to a rise in conflicts in the designation and management of protected areas How to effectively manage and resolve these conflicts has become a challenge for both legislators and managers By adopting an institutional dimension in legal interpretation this book critically examines how such conflicts are dealt with in the legal regimes of the US and China while exploring interactions between legislatures agencies and courts The book searches for a plausible solution to improve the legal framework of protected areas in China by emulating pertinent mechanisms developed in the US whilst also presenting legal and policy recommendations to the US This informative book will be useful for legal scholars in Chinese law nature conservation law administrative law and comparative law

*The Routledge Handbook of Tourism Marketing* Scott McCabe, 2014-01-03 Tourism has often been described as being about selling dreams tourist experiences being conceptualized as purely a marketing confection a socially constructed need However the reality is that travel for leisure business meetings sports or visiting loved ones has grown to be a very real sector of the global economy requiring sophisticated business and marketing practices The Routledge Handbook of Tourism Marketing explores and critically evaluates the current debates and controversies inherent to the theoretical methodological and practical processes of marketing within this complex and multi sector industry It brings together leading specialists from range of disciplinary backgrounds and geographical regions to provide reflection and empirical research on this complex relationship The Handbook is divided in to nine inter related sections Part 1 deals with shifts in the context of marketing practice and our understanding of what constitutes value for tourists Part 2 explores macromarketing and tourism Part 3 deals with strategic issues Part 4 addresses recent advances in research Part 5 focuses on developments in tourist consumer behaviour Part 6 looks at micromarketing Part 7 moves on to destination marketing and branding issues Part 8 looks at the influence of technological change on tourism marketing and Part 9 explores future directions This timely book offers the reader a comprehensive synthesis of this sub discipline conveying the latest thinking and research It will provide an invaluable resource for all those with an interest in tourism and marketing encouraging dialogue across disciplinary boundaries and areas of study This is essential reading for Tourism students researchers and academics as well as those of Marketing Business Events Management and Hospitality Management

*Direito do Turismo nos Territórios dos Povos Indígenas* Rafaela Benevides Ferreira Machado, 2021-08-27 Diante da potencialidade turística o turismo nos territórios dos povos indígenas apresenta-se hoje como alternativa de desenvolvimento social e econômico Em face disso emerge a necessidade de uma efetiva proteção nesses locais sensíveis contra a exploração de atividades nocivas e até mesmo destrutivas Por essa razão o aproveitamento da potencialidade turística impõe uma regulação de natureza jurídica sujeita a fundamentos que respeitem as particularidades dos povos indígenas a autenticidade dos acervos culturais e a integridade ecológica

### **Quality Assurance and Certification in Ecotourism**

Rosemary Black, Alice Crabtree, 2007 This book explores solutions to the problems of inconsistency and even exploitation of the term ecotourism through examples case studies and a discussion of quality control and certification The first part of the book chapters 2-8 moves the reader through the spectrum of quality assurance tools from what are perceived to be the least rigorous and effective awards of excellence and codes of conduct to more formal credible and effective methods certification and accreditation with a brief foray into using indicators to measure and monitor effectiveness The second part chapters 9-23 looks at a range of ecotourism stakeholders perspectives with an emphasis in one way or another on various industry certification programmes A concluding chapter explores the challenges and issues for quality in ecotourism The book has a glossary and a subject index

Ökotourismus in Mexiko Saskia Walther, 2019-06-04 Ökotourismus als ein Stück zur Natur ist nicht nur Sache der Tourist\_innen sondern betrifft speziell auch die bereisten indigenen Gemeinschaften Am Beispiel eines gemeindebasierten Ökotourismusprojekts im südlichen Mexiko zeigt Saskia Walther wie sich eine Gemeinde globale Diskurse um indigene Naturverbundenheit zu Nutzen macht Dabei folgt sie der Frage welche Wirkmacht der Ökotourismus vor Ort entfaltet und zeigt anhand ihres Konzeptes von Naturen wie eng die soziale und die natürliche Umwelt miteinander verbunden sind So bedingt der neue Umgang mit der Natur Veränderungen im sozialen Gefüge der Dorfgemeinschaft in den Geschlechterbeziehungen den translokalen Zugehörigkeiten und der territorialen Wahrnehmung

*Neoliberalizando la naturaleza* Arturo Villavicencio, 2021-03-15 El neoliberalismo tiene un mantra El mercado lo soluciona todo y encuentra en cualquier pretexto incluso en una tragedia de escala mundial una oportunidad de expansión y reproducción sistémica La

contaminación y el agotamiento de los recursos naturales el cambio climático y la destrucción del medio ambiente se resuelve para el siempre hambriento capitalismo a través de una aplicación adecuada de mecanismos de mercado bajo la promesa de que estos pueden engendrar al mismo tiempo crecimiento económico y sostenibilidad ecológica perfecta y única solución Este falaz discurso altamente disciplinario tecnocrático y racionalista ha ido copando los espacios académicos y de opinión y ha sido incorporado en las políticas públicas instrumentalizado por los organismos internacionales y asimilado por los movimientos ambientalistas Arturo Villavicencio cuya labor investigadora en energía ambiente y cambio climático fue galardonada con el Premio Nobel de la Paz nos invita a la reflexión sobre la relación entre la naturaleza y capitalismo con una crítica de las políticas neoliberales y su estrategia de mercantilización

**Justice and Tourism** Tazim Jamal, James Higham, 2021-11-17

Research related to justice and tourism is at an early stage in tourism studies Challenges abound due to the complex scope and scale of tourism and thus the need to transcend disciplinary boundaries to inform a phenomenon that is intricately interwoven with place and people from local to global The contributors to this book have drawn from diverse knowledge domains including but not limited to sociology geography business studies urban planning and architecture anthropology philosophy and management studies to inform their research From case based empirical research to descriptive and theoretical approaches to justice and tourism they tackle critical issues such as social justice and gender discrimination and racism minority and worker rights indigenous cultural and heritage justice including special topics like food sovereignty while post humanistic perspectives that call us to attend to non human others to climate justice and sustainable futures A rich array of principles is woven within and between the chapters The various contributions illustrate the need for continuing collaboration among researchers in the Global North and Global South to enable diverse voices and worldviews to inform the pluralism of justice and tourism as arises in this book The chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism
