Charles Capps Confessions Faith:

Faith and Confessions Charles Capps, 1992-05-01 In this profound look at the Scripture Charles Capps reveals how to release God's goodness in your own life He clearly outlines that speaking the truth of God's Word even when times are tough works together with our faith to bring victory every time Confessing what God said in His Word out of a heart full of faith will bring God's supernatural intervention The balance of faith and confession working together is essential for living the abundant life that God has promised Faith and Confession Study Guide Charles Capps, 2017 Bold Faith Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity *The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *Only Believe!* Jamie Dershem, 2014-11-14 Only Believe Only Believe will give you the Scriptures you need to build your faith to receive your healing or anything else It is not written for the fainthearted but for the desperate who want to see miracles in their life It also includes powerful testimonies of people who have received their miracles Only Believe is written in an easy to read format with practical ways to use The Word The Blood The Name Your Faith Your Authority Praise etc etc Only Believe includes a section of personalized faith confessions you can say daily to receive protect and make your life whole in these days of adversity You will be empowered through Only Believe with the

tools to change the circumstances in your life to the desires of your heart If you would believe you would see the glory of God John 11 40 NKJV Walking in the Confidence of God in Troubled Times Dr. Creflo Dollar,2009-05-30 Even in the midst of overwhelming personal battles and troubled times Christians can learn to stand strong and enjoy lasting peace through God s words which provide deliverance and freedom The Preachers of a Different Gospel Femi B. Adeleye,2017-02-07 Name it and claim it Just have faith Give and you will get Catchphrases like this have convinced many Christians that trusting in God will bring health and wealth But the gospel does not promise prosperity without pain or salvation without sanctification Femi Adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in Africa as well as in the West **Faith and Confession** Charles Capps,1987 *Not Unto Death* David Ade Fadipe,2021-06-29 He faced many life challenges from childhood to adulthood but nothing compares to the pain and anguish of being diagnosed with Acute Myeloid Leukaemia twice in ten years In NOT UNTO DEATH David takes the reader through his journey of fear anxiety diagnosis treatment and healing This is a journey that started with complete unbelief that cancer could strike him through acceptance and exercising faith to overcome great adversities At the core of the book is the fact that no matter what we have in life health is wealth David shares his experience of how his social network positive mindset and faith in the unending grace of God helped him overcome cancer not once but twice Using the powerful testimonies and inspiring words in this book you will learn how to release the ability and grace of God not only for your healing but all aspect of your life **A Different Gospel** D. R. McConnell,1995-01-01 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson **Christianity in Crisis** Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks

and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

Healing Through Spiritual Warfare

Peggy Scarborough,2012-07-17 Fight for Wellness God wants you well God s agenda is healing This book shows you what God thinks about healing as well as the early church It also tells you of healings today To receive healing you will learn how to Use the Word of God the Name of Jesus and the Blood of Jesus Praise Him from the depths of your being Break generational curses that cause suffering Enjoy daily communion with a healing Father Select the best foods for a whole healthy body Pray personally and corporately If you want to be healed if you want to help others to be healed the answers are at your fingertips **The Word-faith Controversy** Robert M. Bowman,2001 A balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings *The God of Love* David Scott Carrig,2018-05-31 God says Love each other even as I have loved you So how do we fulfill this command By learning to love from the Creator of all love For only God equips and teaches us to love like He loves And oh how He longs for us all to be His children on earth with a working knowledge of the power of true love When the world senses the aroma of Gods love they want to draw close to Him which is His deepest desire Come explore the very heart of God and see why love is the greatest gift we must master as if everything else depends on it Now That I Am Saved, Now What? David Weddle,2019-05-15 This idea first came from watching and hearing televangelists on Christian broadcasts after I had been saved I was blessed to have a pastor and a church family that embraced me and poured themselves into my life with teachings and testimonies that enhanced my walk with Jesus immensely I often wondered who were there for the people who received Jesus over the television waves or in large convention centers after the message ended I m sure some had pamphlets and flyers to hand out but in many cases that is not enough My book Now That I Am Saved Now What is designed to give the reader a quick synopsis and revelation of what you can expect and what is expected from a loving good God who is no respecter of persons From the cover illustration you can ascertain that a man is overboard and the men of God have thrown him a life preserver He is saved but he seems to be asking Now what They are all pleased he is saved but no one seems willing to pull him into the safety of the ship Jesus is at the helm and will always be the author and finisher of our faith if we trust him fully and follow his lead through his Word
