The Non-Aligned Movement: Genesis, Organization and Politics (1927-1992) Jürgen Dinkel, 2018-11-26 The Non Aligned Movement had an important impact on the history of decolonization South South cooperation the Global Cold War and the North South conflict During the 20th century nearly all Asian African and Latin American countries joined the movement to make their voice heard in global politics In The Non Aligned Movement Jürgen Dinkel examines for the first time the history of the NAM since the interwar period as a special

reaction of the Global South to changing global orders The study shows breaks and caesurae as well as continuities in the history of globalization and analyses the history of international relations from a non western perspective For this book empirical research was undertaken in Germany Great Britain Indonesia Russia Serbia and the United States **The Voluntary Sector in Prisons** Laura S. Abrams, Emma Hughes, Michelle Inderbitzin, Rosie Meek, 2016-05-25 This volume examines how volunteers and non profit programs encourage institutional change in prisons and offer individual support and services to people who are housed behind bars Through a diverse set of chapters including two that are co written by current prisoners the volume spans the United States the United Kingdom and Canada and juvenile and adult facilities The book showcases the exciting groundbreaking and yet often unrecognized work that the voluntary sector provides in correctional settings Collectively the chapters highlight beneficial practices while raising critical questions about the role of the voluntary sector in prison and reentry settings The chapters also offer useful information about how to implement innovative prison programs that promote health education and peer support **Innovative Perspectives on Tourism Discourse** Bielenia-Grajewska, Magdalena, Cortes de los Rios, Enriqueta, 2017-08-10 The application of linguistic optimization methods in the tourism travel and hospitality industry has improved customer service and business strategies within the field It provides an opportunity for tourists to explore another culture building tolerance and overall exposure to different ways of life Innovative Perspectives on Tourism Discourse is a pivotal reference source for the latest research findings on the role of language and linguistics in the travel industry Featuring extensive coverage on relevant areas such as intercultural communication adventure travel and tourism marketing this publication is an ideal resource for linguists managers researchers economists and professionals interested in emerging developments in tourism and travel ***Reconnect Your Church*** David Brown, 2023-02-16 Reconnect Your Church provides a practical road tested vision and process to equip church leaders to reinvigorate their church How can churches stay healthy and dynamic over the long term What s needed to avoid or reverse church stagnation and decline While some churches are vibrant and growing many more are struggling especially after Covid The congregation might be declining and ageing there s little success in reaching out to with the gospel and more time is spent on inward facing problems than loving God and loving others But the potential that could be released is huge David Brown draws on his experience revitalising a church in central Paris to offer a vision and a process for church revitalisation with a focus on UK and European contexts Whether you are church planting in a well established and thriving church or looking to turn around a church in decline Brown provides biblically grounded wisdom along with change management principles for long term health When we reapply God s priorities to the church we unleash new life and energy in following Christ in community ***Civic Medicine*** J. Andrew Mendelsohn, Annemarie Kinzelbach, Ruth Schilling, 2019-07-30 Communities great and small across Europe for eight centuries have contracted with doctors Physicians provided citizen care helped govern and often led in public life Civic Medicine stakes out this timely subject by focusing on its golden age when

cities rivaled territorial states in local and global Europe and when civic doctors were central to the rise of shared organized written information about the human and natural world This opens the prospect of a long history of knowledge and action shaped more by community and responsibility than market or state exchange or power The Linguistics of Stephen King James Arthur Anderson,2017-06-27 Stephen King America s Favorite Boogeyman has sold over 350 million copies of his books becoming in effect the face of horror fiction His influence on popular culture has drawn both strong praise and harsh criticism from reviewers and scholars alike While his popularity cannot be overstated his work has received relatively little critical attention from the academic world Examining King s fiction using modern literary theory this study reveals the unexpected complexity of 22 short stories and novels from Carrie to End of Watch The author finds King using fantasy and horror to expose truths about reality and the human condition
