Resources in Education, 2001-10

Character Education in America's Blue Ribbon Schools Madonna M. Murphy, 2002 Character Education in America's Blue Ribbon Schools is based upon descriptive documentary and qualitative research conducted on the award winning school applications in the United States Department of Education's Elementary School Recognition Program i.e. the Blue Ribbon Schools The purpose of the program is to focus national attention on schools that are doing an exceptional job with all of their students Areas studied are developing a solid foundation of basic skills and knowledge of subject matter and fostering the development of character values and ethical judgement The first edition of this book reported on the first decade of this program from 1985 to 1994 The second edition adds the schools that have won the award from 1996-2001 Included are the Blue Ribbon schools that applied for Special Honors in Character Education and five that actually won that recognition in 1998-1999 This edition finds character education much stronger in American schools in recent years and is full of many promising practices It is a

practical book that will guide school administrators teachers parents board members and concerned citizens interested in starting or strengthening the character education focus of their school **Character Matters** Thomas Lickona,2004-02-10

In *Why Character Matters* a leader in the character education movement and author of the landmark book *Educating for Character* Lickona now lays out 100 specific strategies that will help parents as well as teachers instill children with the values that will help them lead good and successful lives *Reinventing the Middle School* Thomas S. Dickinson,2013-06-17

Many contemporary American middle schools are stuck in a state of arrested development failing to implement the original concept of middle schools to a varying though equally corruptive degrees The individual chapters of the book outline in detail how to counter this dangerous trend offering guidance to those who seek immediate significant internal reforms before we lose the unique value of middle schools for our nation s adolescents **School-age Ideas and Activities for After-school Programs** Karen Haas-Foletta,Michele Cogley,Lori Ottolini Geno,2005 This classic which has been a standard programming book since its original publication in 1990 has been updated and revised for the 21st century Still has all the great activities that have survived the test of time with school age children but with additional materials addressing the needs of middle school students staff recruitment and retention quality standards and more *Journal of Education* ,1928 **How to Teach Toward Character Development** James W. Komarnicki,2004 America s classrooms need a revolution in character development and the step by step program in this book equips educators parents and other key role models with tools to bring it about **Sticks and Stones** Thomas Nelson,2002-03-05 *Sticks and Stones* is for parents youth leaders and small group leaders to use in helping teens cope with the various issues relating to teasing taunting and harassment by identifying key issues related to bullying offering practical steps for teaching teens how to handle teasing and how to become an interceder for victims of teasing and examining the spectrum of bullying from teasing and taunting to physical violence Adults and teens will be encouraged to take a proactive role not only in helping victims but also in targeting the potential for bullying teens and putting an end to the destructive cycle **Middle School Journal** ,2007 **What's Right with You** Marjorie S. Schiering,2017-08-14 This book is for all types of learners and teachers at any grade level K 12 The book is excellent for any classroom including those addressing special education differentiated instruction and interactive learning or where there s active engagement and attention to varied perceptual preferences and learning differences A classroom that optimizes student achievement through collaborative relationship building is given a good deal of attention with activities focusing on mindfulness and determination through persistence The book s premise is the classroom for optimum learning needs to be a place of comfort Modeling living the six international traits of a person of good character caring fair responsible trustworthy respectful and good citizenship is vital especially in the educational setting Practical strategies for character building and conversing with others are provided Living by two ideas No put downs only lift ups for oneself and others and realizing being enough is exactly what you are *The Dimensions of Physical Education - BOOK ONLY* Lori
