F Scott Fitzgeralds The Great Gatsby A Literary Reference:

F. Scott Fitzgerald's The Great Gatsby Matthew Joseph Bruccoli, 2002 Documents the social climate during which the American classic was written identifying the events and figures that contributed to its writing that were familiar to its first readers in 1925 in a companion volume that also describes Fitzgerald's arduous composition process Original Critical Companion to F. Scott Fitzgerald Mary Jo Tate, 2007 The Great Gatsby and its criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel Critical Companion to F F. Scott Fitzgerald in Context Bryant Mangum, 2013-03-18 Explores many of the important social historical and cultural contexts surrounding the life and works of F Scott Fitzgerald **The Great Gatsby** F. Scott Fitzgerald, 2007-03-26 The Great Gatsby is widely regarded as one of the masterpieces of American fiction It tells of the mysterious Jay Gatsby's grand effort to win the love of Daisy Buchanan the rich girl who embodies for him the promise of the American dream Deeply romantic in its concern with self making ideal love and the power of illusion it draws on modernist techniques to capture the spirit of the materialistic morally adrift post war era Fitzgerald dubbed the jazz age Gatsby's aspirations remain inseparable from the rhythms and possibilities suggested by modern consumer culture popular song the movies his obstacles inseparable from contemporary American anxieties about social mobility racial mongrelization and the fate of Western civilization This Broadview edition sets the novel in context by providing readers with a critical introduction and crucial background material about the consumer culture in which Fitzgerald was immersed about the spirit of the jazz age and about racial discourse in the 1920s The Bloomsbury Handbook to F. Scott Fitzgerald Laura Rattray, Linda Wagner-Martin, 2025-01-23 Bringing together leading voices from across the globe The Bloomsbury Handbook to F Scott Fitzgerald presents state of the art scholarship on the renowned Jazz Age writer as well as offering an approachable overview of his background influences and cultural context This comprehensive volume features A variety of national and transnational perspectives Essays which consider Fitzgerald's work via key contemporary approaches such as race studies whiteness studies queer studies the digital humanities literary geography and ecocriticism New comparative approaches that consider the author in the context of his contemporaries including writers of the Harlem Renaissance and modernism An innovative cluster of short essays by practitioners reflecting on their work with Fitzgerald materials Offering an indispensable resource for researchers and students alike this handbook brings together the most exciting scholarship on a true giant of American literature **The Great Gatsby - Second Edition** F. Scott Fitzgerald, 2021-10-14 The Great Gatsby is widely regarded as one of the masterpieces of American fiction It tells of the mysterious Jay Gatsby's grand effort to win the love of Daisy Buchanan the rich girl who embodies for him the promise of the American dream Deeply romantic in its concern with self making ideal love and the power of illusion it draws on modernist techniques to capture the spirit of the materialistic morally adrift post war era that Fitzgerald dubbed the jazz age Gatsby's aspirations remain inseparable from the rhythms and possibilities suggested

by modern consumer culture popular song and the movies while his obstacles remain inseparable from contemporary American anxieties about social mobility racial mongrelization and the fate of Western civilization This Broadview edition sets the novel in context by providing readers with a critical introduction and crucial background material about the consumer culture in which Fitzgerald was immersed the novel's composition and reception and the jazz age The second edition has been updated throughout with expanded writings on race and immigration in 1920s America from Anzia Yezierska Alain Locke and others

The Cambridge Companion to F. Scott Fitzgerald Michael Nowlin, 2023-11-09 This book provides an authoritative overview of F Scott Fitzgerald's fiction and career featuring essays by leading Fitzgerald specialists

The Great Gatsby - Encore Edition F. Scott Fitzgerald, 2000-10-18 The bar is in full swing and floating rounds of cocktails permeate the garden outside until the air is alive with chatter and laughter and casual innuendo and introductions forgotten on the spot and enthusiastic meetings between women who never knew each other's names After the dizzying success of *Tales of the Jazz Age* in 1922 Fitzgerald submitted a very different work to his publishers two years later Originally entitled *Tremelchio* the novel was extensively revised at the galley stage and emerged with a new title *The Great Gatsby* The novel sold poorly however and it was not until after Fitzgerald's death in 1940 that *The Great Gatsby* began to be regarded as his greatest work and by many as the great American novel When Nick Carraway rents a cottage in an exclusive part of Long Island he becomes curious about his neighbour in the mansion next door where extravagant parties extend into the early hours Jay Gatsby turns out to care little for partying but is obsessed with winning back Daisy Buchanan an early love who is now married and living just across the water This Broadview edition provides a reliable text at a very reasonable price It contains textual notes but no appendices or introduction

Philip Allan Literature Guide for A-Level: The Great Gatsby Anne Crow, 2010-07-30 Written by experienced A level examiners and teachers who know exactly what students need to succeed and edited by a chief examiner Philip Allan Literature Guides for A level are invaluable study companions with exam specific advice to help you to get the grade you need This guide includes detailed scene summaries and sections on themes characters form structure language and contexts a dedicated Working with the text section on how to write about texts for coursework and controlled assessment and how to revise for exams Taking it further boxes on related books film adaptations and websites Pause for thought boxes to get you thinking more widely about the text Task boxes to test yourself on transformation analysis research and comparison activities and Top 10 quotes

The Great Gatsby Joseph Pearce, F. Scott Fitzgerald, 2025-07-25 *The Great Gatsby* is not only one of the greatest American novels but also one of the most perplexing Is its theme a peculiar and simplified view of the American Dream as the masculine drive to pursue status material wealth and sensual gratification and the consequences of that pursuit Fitzgerald's masterwork certainly presents the pains of amorous loss and seems to suggest that wealth does not make for enduring happiness But is there more to this modern literary classic Something deeper Are there elements of what C S Lewis called the dialectic of desire Does the failure

of all worldly desires to satisfy our deepest needs suggest a desire and a need for something the world can't provide. Is *The Great Gatsby* a cautionary tale? If so, about what? Is it cautioning the reader? These great questions asked by the novel are in need of answers. Such answers are offered or at least suggested by the critics whose essays accompany this edition of Fitzgerald's beguiling novel.

Reading the American Novel 1920-2010 James Phelan, 2013-04-02 This astute guide to the literary achievements of American novelists in the twentieth century places their work in its historical context and offers detailed analyses of landmark novels based on a clearly laid out set of tools for analyzing narrative form. Includes a valuable overview of twentieth and early twenty-first century American literary history. Provides analyses of numerous core texts including *The Great Gatsby*, *Invisible Man*, *The Sound and the Fury*, *The Crying of Lot 49*, and *Freedom Riders*. Relates these individual novels to the broader artistic movements of modernism and postmodernism. Explains and applies key principles of rhetorical reading. Includes numerous cross-novel comparisons and contrasts.

Writing Gatsby William Elliott Hazelgrove, 2022-10-01 *The Great Gatsby* has sold 25 million copies worldwide and sells 500,000 copies annually. The book has been made into three movies and produced for the theatre. It is considered the Greatest American Novel ever written. Yet the story of how *The Great Gatsby* was written has not been told except as embedded chapters of much larger biographies. This story is one of heartbreak, infidelity, struggle, alcoholism, financial hardship, and one man's perseverance to be faithful to the raw diamond of his talent in circumstances that would have crushed others. The story of the writing of *The Great Gatsby* is a story in itself. Fitzgerald had descended into an alcoholic run of parties on Great Neck, New York, where he and Zelda had taken a home. His main source of income was writing for the slicks or magazines of the day, the main source being the *Saturday Evening Post*, where Fitzgerald's name on a story got him as much as 4,000. Then on May 1, 1924, he, Zelda, and baby daughter Scottie quietly slipped away from New York on a dry steamer to France, the writer in search of sobriety, sanity, and his muse, resulting in the publication of *The Great Gatsby* a year later.

The American Counterfeit Mary McAleer Balkun, 2006-01-04 Focusing on texts written between 1880 and 1930, this book explores the concept of the counterfeit both in terms of material goods and invented identities and the ways that the acquisition of objects came to define individuals in American culture and literature.

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage. Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes. This volume explores the rich racial, ethnic, and cultural diversity of the region. It also contains entries on 35 pivotal Midwestern literary works, literary genres, literary cultural, historical, and social movements, state and city literatures, literary journals and magazines, as well as entries on science fiction, film, comic strips, graphic novels, and environmental writing. Prepared by a team of scholars, this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature.

Inside The Great Gatsby A.E. Elmore, 2025-02-15 *Inside The Great Gatsby: The Hidden Subtext* is a revolutionary analysis of the

famed novel that reveals its important previously unknown literary foundations drawn from classical and modern literature including the works of Dante Milton Conrad Spengler Frazer Weston Joyce Eliot and the King James Bible Other studies of the novel have focused primarily on its biographical cultural or social issues but none prior to Elmore s have systematically examined the unrecognized debts Gatsby owes to previous literary works The ultimate irony is that Gatsby lauded as one of the greatest novels in the English language earned its stature based solely on recognition of only a part of its whole the literal narrative or surface story without realization or acknowledgment of its foundational subtext the hidden layer that links it to the universal library of human experience most of which remained undetected until the centennial year of the novel s original publication

The Bourbon King Bob Batchelor,2020-12-16 The rise and fall of the man who cracked Prohibition to become one of the world s richest criminal masterminds and helped inspire The Great Gatsby Love murder political intrigue mountains of cash and rivers of bourbon The tale of George Remus is a grand spectacle and a lens into the dark heart of Prohibition Yes Congress gave teeth to Prohibition in October 1919 but the law didn t stop George Remus from amassing a fortune that would be worth billions of dollars today As one Jazz Age journalist put it Remus was to bootlegging what Rockefeller was to oil Author Bob Batchelor breathes life into the largest bootlegging operation in America greater than that of Al Capone and a man considered the best criminal defense lawyer of his era Remus bought an empire of distilleries on Kentucky s Bourbon Trail and used his other profession as a pharmacist to profit off legal loopholes He spent millions bribing officials in the Harding Administration and he created a roaring lifestyle that epitomized the Jazz Age over which he ruled That is before he came crashing down in one of the most sensational murder cases in American history a cheating wife the G man who seduced her and put Remus in jail and the plunder of a Bourbon Empire Remus murdered his wife in cold blood and then shocked a nation winning his freedom based on a condition he invented temporary maniacal insanity The fantastic story of George Remus makes the rest of the Roaring Twenties look like the Boring Twenties in comparison David Pietrusza author of 1920 The Year of the Six Presidents

Gatsby's Oxford Christopher A Snyder,2019-04-02 The story of F Scott Fitzgerald s creation of Jay Gatsby war hero and Oxford man at the beginning of the Jazz Age when the City of Dreaming Spires attracted an astounding array of intellectuals including the Inklings W B Yeats and T S Eliot A diverse group of Americans came to Oxford in the first quarter of the twentieth century the Jazz Age when the Rhodes Scholar program had just begun and the Great War had enveloped much of Europe Scott Fitzgerald created his most memorable character Jay Gatsby shortly after his and Zelda s visit to Oxford Fitzgerald s creation is a cultural reflection of the aspirations of many Americans who came to the University of Oxford Beginning in 1904 when the first American Rhodes Scholars arrived in Oxford this book chronicles the experiences of Americans in Oxford through the Great War to the beginning of the Great Depression This period is interpreted through the pages of The Great Gatsby producing a vivid cultural history Archival material covering Scholars who came to Oxford during Trinity Term 1919 when Jay Gatsby claims he studied at Oxford enables the narrative to illuminate a

detailed portrait of what a historical Gatsby would have looked like what he would have experienced at the postwar university and who he would have encountered around Oxford an impressive array of artists including W B Yeats Virginia Woolf Aldous Huxley and C S Lewis

The Centrality of Crime Fiction in American Literary Culture Alfred Bendixen, Olivia Carr Edenfield, 2017-06-26 This collection of essays by leading scholars insists on a larger recognition of the importance and diversity of crime fiction in U S literary traditions Instead of presenting the genre as the property of Dashiell Hammett and Raymond Chandler this book maps a larger territory which includes the domains of Mark Twain F Scott Fitzgerald William Faulkner Richard Wright Flannery O Connor Cormac McCarthy and other masters of fiction The essays in this collection pay detailed attention to both the genuine artistry and the cultural significance of crime fiction in the United States It emphasizes American crime fiction's inquiry into the nature of democratic society and its exploration of injustices based on race class and or gender that are specifically located in the details of American experience Each of these essays exists on its own terms as a significant contribution to scholarship but when brought together the collection becomes larger than the sum of its pieces in detailing the centrality of crime fiction to American literature This is a crucial book for all students of American fiction as well as for those interested in the literary treatment of crime and detection and also has broad appeal for classes in American popular culture and American modernism

F. Scott Fitzgerald's The Great Gatsby Matthew Joseph Brucoli, 2000 The Great Gatsby is regarded as the most widely taught and read American literary classic This volume is intended to help readers fully enjoy and understand this work that continues to become part of the equipment of educated people Also provides information on the author's intentions in writing this work and the knowledge values standards and biases of the public at the time of its initial publication

Careless People Sarah Churchwell, 2015-01-27 Originally published London Virago 2013
