Face To Face With Jesus Christ Apparitions To A Modern Visionary:

Unity of the Heart Peter N. Borys, Peter N. Borys, Jr., 2008-12 In *Unity of the Heart* Peter Borys Jr presents a multidimensional mystical anthropology and transformation that forms a spirituality of the heart A heart centered consciousness opens the way to living a new vision of mystical transformation and spiritual creativity Borys develops this new vision where we live from a transcendent consciousness in our everyday life of relationships intention creativity and work in the world The book supports our pathway to experience the meditative awareness relational self giving and intention of the heart based consciousness Within the heart we can seamlessly express our nonlocal and nondual mystic self as a community of being within the universe The awakening of a consciousness of the heart unites the sciences and the mystic way to form a spiritual scientific view of our multidimensional humanity and spiritual cosmology Within the new vision personal transformation to the true self in Divine unity becomes part of the evolution to an enlightened humanity

Visions of Jesus Phillip H. Wiebe, 1998-11-05 Ernie Hollands a career criminal said Christ appeared to him in his cell in Millhaven Penitentiary Maria Martinez saw Jesus at a busy intersection in Miami Florida Rose Fairs was lying in bed one morning when the Venetian blinds opened and the head of Jesus materialized before her Were these people only imagining a figure that seemed life like or is there a chance that what they saw was in some way real This first critical study of contemporary visions of Jesus offers the intriguing accounts of thirty people most of them ordinary men and women without prior or subsequent experiences of this kind who remain mystified about their encounters Wiebe recounts each vision in vivid detail exploring why these individuals believe their visions were of Jesus and why they typically believe them to be objective happenings rather than hallucinations or dreams He regards the occurrences from perspectives as diverse as biblical scholarship and parapsychology concluding that they may well represent genuine religious experiences of a mystical character The fascinating nature of these visions and Wiebe s thoughtful evenhanded approach to each report add up to a book that will be provocative reading for skeptics and the faithful alike

Our Lady of the Nations Chris Maunder, 2016-02-18 *Our Lady of the Nations* is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children s spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has

appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant

Medjugorje and the Supernatural Daniel Maria Klimek,2018-03-01 In June 1981 six young Croatians in the village of Medjugorje in the former Yugoslavia reported that the Virgin Mary had appeared to them The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Throughout history people have reported encountering extraordinary religious experiences apparitions of the Virgin Mary visions of Jesus Christ weeping statues and icons the stigmata physical healings and miracles and experiences of the afterlife and interpreted them as supernatural in origin Scholars have often tried to reinterpret such experiences including those described by the great mystics like Francis of Assisi Catherine of Siena and Teresa of Avila into natural or psychopathological categories such as hysteria hallucination delusion epileptic seizures psychosis the workings of the unconscious mind or fraud Are such reductionist explanations valid Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek argues that the case of Medjugorje affords a rare opportunity to understand a deeper dimension of extraordinary religious phenomena Presenting and analyzing the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience Klimek concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences

VOLUME II THE CREATION OF MORMONISM: JOSEPH SMITH JR. IN THE 1820S JOHN J HAMMOND,2011-07-27 This is Volume II of an epic multi volume work entitled The Quest for the New Jerusalem A Mormon Generational Saga which combines family Mormon and American history focusing upon how the author s ancestors were affected by their conversion to the Mormon religion In Volume I four of the author s ancestral families the Carters Hammonds Knowltons and Spencer s and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Their private lives are described as well as how they are affected by such events and situations as King Philip s War the Salem Witch Trials the institution of black slavery the French and Indian War and the American Revolution Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York their religious and magic world views the latter involving astrology ritual magic and treasure seer and treasure digging activities Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to

produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon LDS Church Making use of the most recent historical research the author tackles the controversial issues surrounding the First Vision the supposed appearance to Joseph Jr of God the Father and his Son Jesus Christ in 1820 the Second Vision 1823 to 1827 which produced the Book of Mormon and the Third Vision late 1820s or early 1830s which involved the restoration of priesthood authority The author looks at original sources documents and also compares the perspectives of major loyal Mormon non Mormon and ex Mormon scholars on these controversial questions There is a discussion of the serious lack of congruence between how Joseph Smith Jr described these events officially after 1837 and what was being said by the Smith family their neighbors early Mormon converts and by newspaper accounts during the 1820s and early 1830s There is for example no mention of a First Vision for at least twelve years after it supposedly occurred and there are several conflicting versions of it by Joseph Jr in the 1830s once he started talking about it Primary focus however is upon what the author collectively calls the Second Vision which purportedly involved multiple visitations by an angel spirit between 1823 and 1827 It was from this heavenly messenger that Joseph Jr obtained golden plates and the Book of Mormon was he maintained a translation by him of the ancient American writings on these plates There is a thorough examination of the complex and contentious issues surrounding the origin of the Book of Mormon and several chapters look closely at the evidence regarding its authenticity the question whether it was written by Joseph Jr or by ancient American prophets scribes The author also thoroughly discusses the testimony in the Book of Mormon of the Three Witnesses and Eight Witnesses and offers an alternative narrative regarding what really transpired with Joseph Jr during the 1820s Later in Volume II several chapters look at how Mormon Church organization went through a significant evolution during its earliest years moving against the American democratic grain toward an increasingly centralized authoritarian structure There is a detailed look at Joseph Jr s claims regarding a restoration of priesthood authority during the late 1820s and early 1830s and the considerable controver

Thinking the Unknowable Louis Dupré, 2024-11-15 Written throughout Louis Dupr s life Thinking the Unknowable explores the relationship between faith and metaphysics charting the course for an innovative Christian philosophy of religion Louis Dupr s Thinking the Unknowable offers a sophisticated response to the subjectivist ills of modern philosophy Drawing on a diverse host of philosophers theologians and phenomenologists Dupr seeks to open up a space for faith in contemporary philosophy of religion by arguing that metaphysics cannot claim authority in the realm of the transcendent Instead Dupr shows that philosophers must learn to accommodate mystery in their metaphysical frameworks Edited and introduced by Peter J Casarella prominent theologian and student of Dupr the book unfolds in four parts Dupr establishes the foundations for a new theology of language drawing inspiration from two sources humanist theological hermeneutics and deist biblical spirituality The second part addresses the idea of God in modern philosophy taking Hegel s philosophy of religion as its starting point The third deals with the phenomenology of religion focusing primarily on the work

of Edmund Husserl and Martin Heidegger In the fourth part Dupr turns to the concept of mysticism offering a sophisticated reflection on the possibility of acknowledging a transcendent horizon to human knowing in a secular age Readers of this volume will be guided across the bridge from philosophy to faith and back again discovering new worlds of meaning and expressions of truth

Death in the Middle Ages and Early Modern Times Albrecht Classen, 2016-04-11 Death is not only the final moment of life it also casts a huge shadow on human society at large People throughout time have had to cope with death as an existential experience and this also of course in the premodern world The contributors to the present volume examine the material and spiritual conditions of the culture of death studying specific buildings and spaces literary works and art objects theatrical performances and medical tracts from the early Middle Ages to the late eighteenth century Death has always evoked fear terror and awe it has puzzled and troubled people forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations The more we learn about the culture of death the more we can comprehend the culture of life As this volume demonstrates the approaches to death varied widely also in the Middle Ages and the early modern age This volume hence adds a significant number of new facets to the critical examination of this ever present phenomenon of death exploring poetic responses to the Black Death types of execution of a female murderess death as the springboard for major political changes and death reflected in morality plays and art

The Mystical Presence of Christ Richard Kieckhefer, 2022-09-15 The Mystical Presence of Christ investigates the connections between exceptional experiences of Christ s presence and ordinary devotion to Christ in the late medieval West Unsettling the notion that experiences of seeing Christ s figure or hearing Christ speak are simply exceptional events that happen at singular moments Richard Kieckhefer reveals the entanglements between these experiences and those that occur through the imagery language and rituals of ordinary everyday devotional culture Kieckhefer begins his book by reconsidering the who and the how of Christ s mystical presence He argues that Christ s humanity and divinity were equally important preconditions for encounters both exceptional and ordinary which Kieckhefer proposes as existing on a spectrum of experience that moves from presupposition to intuition and finally to perception Kieckhefer then examines various contexts of Christ manifestations during prayer meditation and liturgy for example with attention to gender dynamics and the relationship between saintly individuals and their hagiographers Through penetrating discussions of a diverse set of texts and figures across the long fourteenth century Angela of Foligno the nuns of Helfta Margery Kempe Dorothea of Montau Meister Eckhart Henry Suso and Walter Hilton among others Kieckhefer shows that seemingly exceptional manifestations of Christ were also embedded in ordinary religious experience Wide ranging in scope and groundbreaking in methodology The Mystical Presence of Christ is a magisterial work that rethinks the interplay between the exceptional and the ordinary in the workings of late medieval religion

Clare of Assisi Ingrid Peterson, 1996 *The Way Of One And The Fate of a World Divided* W.Alexander Wheeler, Ph.D., 2019-04-25 One need not hear the words of a prophet to know that we stand at the

brink of explosive global change unparalleled in the history of the the world But if we are given the words of a prophet and fail to pay heed such change can now only lead to the final self destructive act in the human tragedy This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge wisdom and vision critical to the future survival of our world Like a topographical map that from a bird s eye view indicates to us the path of least resistance the Source points the way beyond war and violence greed and fear and toward a higher transcendental sanity to match the needs of the critical times in which we live The Way of One Given the ever increasing speed at which we are advancing toward our final destiny we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages
