Richards, 2024-11-24 THE morning service was over and the congregation gone home The preacher was to dine with Captain Maynard but there was an hour and more to dinner time and she had begged permission to stroll about for half an hour promising to find her way to the comfortable white cottage perched on a point of rock overlooking the little bay Now she was standing on the lower rocks looking about her a trim quiet figure in a black gown with a close straw bonnet set on her smooth brown hair She didn't handsome much the people decided but she had a taking way with her and preached good sound Advent doctrine They

were glad she had come and would be sorry when the schooner should take her on her way the next day to preach at other places along the coast The young woman seemed to be looking for some one for she shaded her eyes with her hand and gazed earnestly up and down the line of rocks So absorbed was she that she almost stumbled over a figure sitting on the rocks which now rose and confronted her A strange figure enough so rough and gray and battered that it was hardly to be wondered at that she had not distinguished it from the rock itself The face it turned upon her was red and brown in patches as if the skin were moth eaten the mouth was huge and misshapen only the blue eyes bright and kindly redeemed in some degree the hideousness of the other features **The Reader's Digest of Books** Helen Rex Keller,1917 Books and Bookmen ,1975 The English Catalogue of Books [annual].
