**Jean de La Fontaine**

## **Fables Fontaine Jean:**

**The Complete Fables of Jean de la Fontaine** Jean de La Fontaine, 1988 The English speaking reader will typically find selections of translated fables by La Fontaine 1621 1695 and a large number of those stray rather far from the original in an effort to retain the poetic flavor of the genre Other translations treating the fables as reading matter for followers of Winnie the Pooh do not retain the subtle overtones and wit intended in fact for educated adults This translation remains extraordinarily faithful to the original not only in metrical patterns and rhyme schemes but also in tone wit and le mot juste are skillfully and wonderfully combined This is no small achievement and we can now enjoy the grace wit and versatility of an author whose literary qualities were until now evident only in the original Danielle Mihram New York University Library

**The Complete Fables of La Fontaine** Jean de la Fontaine, 2011-11 Despite la Fontaine s claim that all he intended was to put the moral tales of Aesop and other ancient fabulists into poetry for the pleasure of Louis XIV s young son his real accomplishment as later generations have understood was holding a mirror up to the society of his day and in the process fashioning a work that has become a classic Borrowing from a variety of sources la Fontaine gave the hitherto mute animals in ancient fables the power of speech Backstabbing politicians brainless nincompoops charlatans clueless heads of state egomaniacs empty headed celebrities foolish investors gluttons liars penny pinchers self important blowhards and wastrels these are the targets of la Fontaine s pen

**The Original Fables of La Fontaine** Jean de La Fontaine, 2022-09-16 In The Original Fables of La Fontaine Jean de La Fontaine masterfully weaves together a tapestry of moralistic tales that draw upon ancient sources and folklore to illuminate the complexities of human nature and society Written in the 17th century during the French Classicism period these fables are characterized by their elegant prose clever use of animal protagonists and witty allegorical conclusions La Fontaine s style reflects a deep engagement with the works of Aesop and Phaedrus yet he elevates these stories with his distinctive French sensibility creating a rich literary context that engages readers on both intellectual and emotional levels Jean de La Fontaine born in 1621 was a prominent fable writer and poet whose experiences as a courtier and his connections with influential literary circles in France shaped his exploration of human vices and virtues His works often served as a subtle critique of the society of his time delivering moral lessons that resonate with universal themes Through his fables La Fontaine merged art and ethics encouraging readers to reflect on their own lives amid the tapestry of French cultural life Readers are invited to delve into this collection as it remains relevant and engaging bridging the gap between centuries of thought The Original Fables of La Fontaine not only entertains but also provides profound insights into moral philosophy making it a must read for anyone interested in literature that challenges and enriches the understanding of human behavior

*The Complete Fables of Jean de La Fontaine* Jean La Fontaine, 2007-10-15 Inspired new translations of the work of one of the world s greatest fabulists Told in an elegant style Jean de la Fontaine s 1621 95 charming animal fables depict sly foxes and scheming cats vain birds and greedy wolves all of which subtly express his

penetrating insights into French society and the beasts found in all of us Norman R Shapiro has been translating La Fontaine's fables for over twenty years capturing the original work's lively mix of plain and archaic language This newly complete translation is destined to set the English standard for this work Awarded the Lewis Galanti re Prize by the American Translators Association 2008

**The Original Fables of La Fontaine** Jean de la Fontaine, 2016-02-29 The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The subject of each of the Fables is often common property of many ages and races What gives La Fontaine's Fables their rare distinction is the freshness in narration the deftness of touch the unconstrained suppleness of metrical structure the unfailing humor of the pointed the consummate art of their apparent artlessness Keen insight into the foibles of human nature is found throughout but in the later books ingenuity is employed to make the fable cover yet convey social doctrines and sympathies more democratic than the age would have tolerated in unmasked expression Almost from the start the Fables entered French literary consciousness to a greater degree than any other classic of its literature For generations many of these little apologues have been read committed to memory recited paraphrased by every French school child Countless phrases from them are current idioms and familiarity with them is assumed La Fontaine's Fables wrote Madame de Sevigne are like a basket of strawberries You begin by selecting the largest and best but little by little you eat first one then another till at last the basket is empty Silvestre de Sacy has commented that they supply delights to three different ages the child rejoices in the freshness and vividness of the story the eager student of literature in the consummate art with which it is told the experienced man of the world in the subtle reflections on character and life which it conveys Nor has any one with the exception of a few paradoxers like Rousseau and a few sentimentalists like Lamartine denied that the moral tone of the whole is as fresh and healthy as its literary interest is vivid The book has therefore naturally become a standard French reader both at home and abroad

Fifty Fables of La Fontaine Jean de La Fontaine, 1997 Presents fifty verse fables by seventeenth century poet Jean de La Fontaine in side by side French and English

The Fables of la Fontaine Jean de La Fontaine, 2017-01-19 The Fables of La Fontaine Jean de La Fontaine COMPLETE 12 BOOKS IN 1 Translated from the French by Elizur Wright With Notes by J W M Gibbs The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first edition of this translation of La Fontaine's Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable The translator has remarked in the Advertisement to his original edition which follows these pages on the singular neglect of La Fontaine by English translators up to the time of his own work Forty years have elapsed since those remarks were penned yet translations into English of the complete Fables of the chief among modern fabulists are almost as few in number as they

were then Mr George Ticknor the author of the History of Spanish Literature and since Mr Wright so happily accomplished his self imposed task there has been but one other complete translation viz that of the late Mr Walter Thornbury This latter however seems to have been undertaken chiefly with a view to supplying the necessary accompaniment to the English issue of M Dor s well known designs for the Fables first published as illustrations to a Paris edition and existing as it does only in the large quarto form given to those illustrations it cannot make any claim to be a handy volume edition Mr Wright s translation however still holds its place as the best English version and the present reprint besides having undergone careful revision embodies the corrections but not the expurgations of the sixth edition which differed from those preceding it The notes too have for the most part been added by the reviser

**The Fables of La Fontaine** Jean de la Fontaine,2021-01-01

The Fables by Jean de La Fontaine are considered classics of French literature Collecting fables from a variety of sources La Fontaine then adapted them into verse Consisting of twelve books and 239 fables in all these were originally aimed at adults but have since been taught to children as a way to educate them in morals At times they have been mixed in with the fables of Aesop The sources for the fables are wide ranging from Aesop to Boccaccio from Babrius to Machiavelli even drawing at times from ancient Indian collections of tales Full chapter list 72 in Anne Haight s List of Banned Books

*The Fables of la Fontaine* Jean de La Fontaine,2017-02-15

The Fables of La Fontaine by Jean de La Fontaine Translated from the French by Elizur Wright With Notes by J W M Gibbs Complete 12 Books The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first six books collected in 1668 were in the main adapted from the classical fabulists Aesop Babrius and Phaedrus In these La Fontaine adhered to the path of his predecessors with some closeness but in the later collections he allowed himself far more liberty and in the later books there is a wider range of sources The first edition of this translation of La Fontaine s Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable

**The Fables of Jean de la Fontaine** Jean De La Fontaine,Sleeping Cat Books,2013-02-25

Translation realigned with original 2014 Jean de La Fontaine was one of the most widely read French poets of the 17th century Born in Chateau Thierry in 1621 his literary career did not truly begin until he was in his thirties and spending most of his time in the French capital Paris Among La Fontaine s most famous works are his collections of fables issued in several volumes between 1668 and 1694 The earliest of these books from which the current collection was drawn were mostly adapted from the works of Aesop Babrius and Phaedrus La Fontaine initially wrote his rhyming fables for a sophisticated audience but the poems were regarded as an excellent source of moral education for children and were used by educators and parents alike to instill proper values in their charges La Fontaine died in Paris in 1695 at the age of 73 His remains now reside in the famous Pere Lachaise Cemetery

This bilingual edition of some of La Fontaine's fables is designed to assist those learning French. The original French text appears on the right hand pages of the book with the corresponding English translation on the left hand pages. Other bilingual books available from Sleeping Cat Books: The Picture of Dorian Gray, Selected Works of Edgar Allan Poe, Candide, Shakespeare's Sonnets, New Fairy Tales for Small Children, The Count of Monte Cristo Unabridged, The Tales of Mother Goose, The Last of the Mohicans.

Fables of La Fontaine - Illustrated by Gustave Dore Jean de La Fontaine, 2014-12-22. This volume in large format 8.5 x 11 inch encompasses the 12 books of the 240 Fables plus introductions and epilogues written by French poet Jean de La Fontaine first published between 1668 and 1694 and here translated into English with notes and an explanatory preface by Elizur Wright. Of course La Fontaine's special dedications to the King of France and to some members of the French noblesse and introductions that accompanied certain fables are here transcribed and translated in full. Each and every of the fables are illustrated with a sketch plus a vignette by famous French artist and engraver Gustave Doré. Also 89 large plates illustrate the best known fables including some which were not published in the original Doré's printing of 1867. So this edition reunites all at the same time the exhaustive collection of the Fables of La Fontaine and all illustrations Gustave Doré has ever drawn for it. Most of La Fontaine's fables were in the main adapted from the classical fabulists Aesop, Babrius and Phaedrus. Elizur Wright's translations of the Fables are in prose so their reading claims a consistent knowledge of the English tongue. Notes by the translator come to explain particular words, allusions and their origins that couldn't be fully understood otherwise as for their historical and literary contexts whenever it is necessary. We changed the preface by the author Jean de La Fontaine for Elizur Wright's which tell us more on the true origins and meanings of the fables. The reproductions of the sketches, vignettes and large plates by Gustave Doré have been done on the basis of a selection among the best we found in several original copies since one may notice variations in contrast from one original printing to another. After we scanned them in high resolution we fixed the small scratches and various imperfections of printing visible on any original copies and we reviewed their contrasts so as to reconstitute their depths often lost due to insufficient inking during the printing process. For the making of this book we have been all along anxious to publish the best version of the Fables of La Fontaine illustrated by Gustave Doré.

Fables de La Fontaine with Grammatical Explanatory, & Etymological Notes Jean de La Fontaine, 1895.

**A Hundred Fables of La Fontaine** Jean de La Fontaine, 2012. This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide. At Tredition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to Tredition. To support their good work Tredition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from oblivion.

Fables of La Fontaine Jean De La Fontaine, 1997. Chagall's gouaches illustrate forty-three of La Fontaine's fables including The Fox and the Grapes.

**The Fables of La Fontaine**

### **Fables Fontaine Jean Introduction**

In today's digital age, the availability of Fables Fontaine Jean books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fables Fontaine Jean books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fables Fontaine Jean books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fables Fontaine Jean versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fables Fontaine Jean books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fables Fontaine Jean books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fables Fontaine Jean books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fables Fontaine Jean books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fables Fontaine Jean books and manuals for download and embark on your journey of knowledge?

### **FAQs About Fables Fontaine Jean Books**

1. Where can I buy Fables Fontaine Jean books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Fables Fontaine Jean book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Fables Fontaine Jean books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Fables Fontaine Jean audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
