Fabricating Jesus How Modern Scholars Distort The Gospels:

Fabricating Jesus Craig A. Evans, 2025-06-16 Modern historical study of the Gospels seems to give us a new portrait of Jesus every spring just in time for Easter The more unusual the portrait the more it departs from the traditional view of Jesus the more attention it gets in the popular media Why are scholars so prone to fabricate a new Jesus Why is the public so eager to accept such claims without question What methods and assumptions predispose scholars to distort the record Is there a more sober approach to finding the real Jesus Commenting on such recent releases as Bart Ehrman's *Misquoting Jesus* James Tabor's *The Jesus Dynasty* Michael Baigent's *The Jesus Papers* and the Gospel of Judas for which he served as an advisory board member to the National Geographic Society Craig Evans offers a sane approach to examining the sources for understanding the historical Jesus

The Making of the New Testament Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of *The Making of the New Testament* is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh

Christ Alone---The Uniqueness of Jesus as Savior Stephen Wellum, 2017-04-18 Professor of theology Stephen Wellum considers Christ s singular uniqueness and significance biblically historically and today in our pluralistic and postmodern age Christ Alone is a much needed study and defense of the doctrine that provides coherency to the Christian faith If the church is to proclaim the same Christ as the Reformers we must understand and embrace solus Christus with the same clarity conviction urgency and abundance of joy as the Reformers To that end Wellum Recovers the Reformers basic insights by focusing first on two teachings the exclusive identity of Christ and his sufficient work Follows the historical roots of the doctrine and its developments to show how the uniqueness of Christ has come under specific attack today Retraces the storyline of Scripture from Christ s unique identity and work as prophet priest and king to the application of his work to believers and our covenantal union with him Christ Alone seeks to recover a robust biblical and theological doctrine of Christ s person and work and a renewed understanding that apart from Christ there is no salvation in the face of today s challenges unpacking why a fresh appraisal of the Reformation understanding of Christ alone is so

important today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Gospel of Judas in Context Madeleine Scopello, 2008-08-31 The papers gathered in this book were presented at the First International Conference held in Paris University of Sorbonne October 27th 28th 2006 devoted to the newly discovered Gospel of Judas preserved in the 4th century Coptic Codex Tchacos These essays explore several crucial literary historical and doctrinal issues related to this gospel composed in the second half of the 2nd century This unexpected discovery sheds a new light on the role attributed to Judas by some Gnostic Christian movements A hotly debated question is precisely the significance of Judas in this gospel hero or villain Special attention is given to the sources Greek Jewish Christian and even Iranian used by the unknown author This book will be of special interest for historians of late Antiquity religions and scholars in New Testament studies Gnosticism

and Coptic literature Investigating the Resurrection of Jesus Christ Andrew Loke, 2020-04-30 This book provides an original and comprehensive assessment of the hypotheses concerning the origin of resurrection Christology. It fills a gap in the literature by addressing these issues using a transdisciplinary approach involving historical critical study of the New Testament, theology, analytic philosophy, psychology, and comparative religion. Using a novel analytic framework, this book demonstrates that a logically exhaustive list of hypotheses concerning the claims of Jesus post mortem appearances and the outcome of Jesus' body can be formulated. It addresses these hypotheses in detail, including sophisticated combinations of hallucination hypothesis with cognitive dissonance, memory distortion, and confirmation bias. Addressing writings from both within and outside of Christianity, it also demonstrates how a comparative religion approach might further illuminate the origins of Christianity. This is a thorough study of arguably the key event in the formation of the Christian faith. As such, it will be of keen interest to theologians, New Testament scholars, philosophers, and scholars of religious studies. **The Composition of the Gospel of Thomas** Simon J. Gathercole, 2012-03 This groundbreaking study argues that the Gospel of Thomas was written in Greek and influenced by New Testament writings.
