Face Up With A Miracle:

Face Up with a Miracle Don Basham, 1969 **Exorcism and Deliverance** William K Kay, Robin Parry, 2011-04-01 A significant examination of exorcism and deliverance from a range of disciplines focuses on an important but often neglected area of the church's mission to the world. The diversity of essays makes sure that every facet is presented to encourage the reader thoroughly to consider this aspect of the church's approach to evil in our society. Since Jesus of Nazareth made exorcism a cornerstone of his own ministry, the Church has seen itself as engaged in a battle against the demonic. Exorcism has continued to play a role throughout Christian history in this conflict, although it has received different emphases in different times and places and has been practiced in a range of different ways. *Exorcism and Deliverance* aims to shed new light on the phenomena of possession and exorcism by looking at them from a range of disciplinary perspectives. *Practical Tarot Techniques* Marcus Katz, Tali Goodwin, 2019-09-08 Master the cards and develop your own unique style with this fun practical guidebook on becoming a confident and accurate tarot reader. Previously published as *Tarot Face to Face* 978073873310 **The Church of God** Mickey Crews, 1990 This book delves into the remarkable rise of the Church of God, a Pentecostal denomination born in the rural mountains of Tennessee and North Carolina at the turn of the twentieth century. Emerging alongside the Populist movement, the church offered a distinct spiritual response to the anxieties of a rapidly changing society. The author meticulously traces the church's evolution from its humble beginnings to its current global reach, exploring its unique theology, strict moral code, and the development of its hierarchical structure. This journey unveils the intricate interplay between religious fervor, social class, and cultural context. Through vivid accounts of early members' experiences, the book illuminates the church's appeal as a close-knit community offering spiritual empowerment and a sense of belonging. It also sheds light on the challenges faced by the church, including internal conflicts and external persecution. Ultimately, this book offers a nuanced understanding of how the Church of God navigated the tensions between tradition and modernity, carving out a space for itself in the American religious landscape. Its insights into the dynamics of religious communities and the enduring power of faith resonate even today. *Deliver Us from Evil* Don Basham, 2005-05 A captivating story of a pastor encountering and accepting the reality of the existence of evil spirits that discusses how to release the hold evil forces have on life. **Exorcism and Deliverance Ministry in the Twentieth Century** James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism/deliverance ministry is an innately

enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry were practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result, important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices, and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism, and the practice of this rite within non-Western churches.

The Holy Spirit Frederick K C Price, 2016-09-06 For years Apostle Frederick K C Price wanted nothing more than to serve Jesus fully. Like many, he thought he had received all that God had to give when he accepted Jesus as his Savior and Lord. Still, there was something missing in his life, and he wasn't sure what it was. His search to find that missing ingredient led him to the baptism with the Holy Spirit. The same Spirit who revolutionized his Christian life has prompted Apostle Price to tell what great things the Lord has done since those early years of his ministry. His story will stir in you the same hunger to find the joy, victory, and power still available today through the Holy Spirit.

C.L.R. James and the Study of Culture A. Smith, 2010-08-04 This book provides the first dedicated introduction to the cultural writings and analyses of the radical West Indian thinker C. L. R. James. It lays out James' account of the way in which games, books, music, and film become a part of the politics and history of popular struggles.

After Hours Magic Gordon Boyd, 2018-03-09 Attention All Serious Card Magicians! A card magic book has been created that you should own. Details are as follows: This book contains 86 card tricks. Not a typo. That's right, 86. 73 of the tricks were created by a relatively unknown magician by the name of Al Thatcher. 71 in the main book and 2 bonus tricks in the addendum. 13 tricks are from the fertile minds of more recognizable names in magic. Al was a good friend and cohort of Nick Trost. They both resided in Columbus, Ohio, and spent many hours together creating. If you have ever read any of Nick's books, you probably have seen Al's name mentioned several times. His hand-written files have been assembled and incorporated into a book. Along with that, 13 other magicians have each contributed a trick to be incorporated into this book. A big thank you goes to the magicians who contributed tricks to the addendum of this book. Their generosity should not be overlooked. It is with their kind help that the card magic of Al Thatcher might become better known. These magicians are listed below: Tom Craven, Stephen Bargatze, Gary Plants, Mike Powers, Dan Block, Steve Beam, Del Copley, Wynn Mertz, Nick
