Face Your Fear Living With Courage In An Age Of Caution:

Face Your Fear Shmuley Boteach, 2013-09-17 A world famous thinker author lecturer and activist whose diverse acclaimed and immensely popular body of work covers such subjects as religion relationships and bravery Boteach now turns his attention to America's present state of mind and comes to the conclusion that fear is crippling society with unprecedented force The only way to escape this climate is to learn what fear is and how to overcome it He tackles fear headlong and answers the following questions What is fear What is it doing to us Why is it affecting us now more than ever before How can we be so powerful a society yet so susceptible to fear How can we conquer it Why do we need to conquer it Face Your Fear is a book so relevant that it has a chance to be absorbed by society's consciousness and to change the way we think The World's Fearlessness Teachings R. Michael Fisher, 2010 The World's Fearlessness Teachings addresses the human fear problem in a truly unique and insightful way summarizing the teaching on fearlessness from around the world and throughout history The author then utilizes critical integral theory a la Wilber as an approach to categorize the developmental and evolutionary spectrum of fear management systems known thus far The author has spent twenty years researching the timely topic of fear and how to best manage and transform it From this experience he offers an educational healing vision to address the challenges of a dangerous 21st century Fear's empire has taken rule It is time to resist it using the best intelligence from both sacred and secular traditions as well as the transformational theories humanity has to offer R Michael Fisher maps out ten fear management systems that will benefit future positive leaders everywhere Book jacket

Awaken Terry Nance, 2015-12-10 We live in a time when the church is failing to live up to its own standards It has tragically been losing the respect of those it tries to win to Christ because it has succumbed to sin pride and corruption In the past a lost world looked to the church as the example of hope and integrity today many people laugh or roll their eyes when the church is mentioned It has largely lost its relevance in the world In Awaken best selling author Terry Nance has composed a series of letters to younger and newer believers aiming to help them avoid many of the sins and mistakes of their spiritual fathers as they hold high the standard of the kingdom of God with which they have been entrusted We the church must realize that we are called to be kingdom leaders for Jesus Christ not empire builders for ourselves We must awaken to the understanding that we carry Jesus to this world and His spirit within us must be reflected in everything we do Nance's challenge is clear Set a standard of holiness in your own life endure affliction as a good soldier of Christ run your race with patience and persevere until you come to the finish line As you do you will leave behind an army of leaders in the next generation who can take up your banner for Jesus and carry it forward with honor **Five Secrets Great Dads Know** Paul Coughlin, 2010-02-01 Courage Assertiveness Love for God Protecting kids from bullying These are some of the traits of great dads In this accessible quick read Coughlin draws on his experience as a dad soccer coach and leading voice in men's ministries to equip men to be the dads their kids need He challenges men to unleash their God given potential to raise strong

Whitehead, 2010 Renewal Shmuel Boteach, 2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book *Renewal* our society can be made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life *Renewal* shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life *Destiny* Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individual's capacity to create their own destiny through individual choice *Redemption* Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individual to make heaven here on earth for the betterment of the community *Action* What you do is more important than what you believe Good deeds always supersede good dogma *Enlightenment* Jews are an infinitely curious people and believe that the great bane of existence boredom can only be cured by knowledge *Marriage* Marriage refers not just to the institution but rather the softening of the masculine by exposure to the feminine A culture that does not know how to respect women is bound to collapse *Struggle* It is wrestling with our nature rather than attaining perfection that constitutes true righteousness Everyone is somehow flawed but righteousness is found in the struggle to do right amid a predilection to act selfishly *Sacred Time* Whereas other religions sanctify space Jewish values privilege special moments The Sabbath day the holiest day of the week provides a time for connecting with family and friends *Renewal*
