

Introduction to Main Applications

Facets is an integrated program built on a modular system of like applications. Each application comprises several sections and subsections. Once you understand this process, navigating Facets becomes much easier.

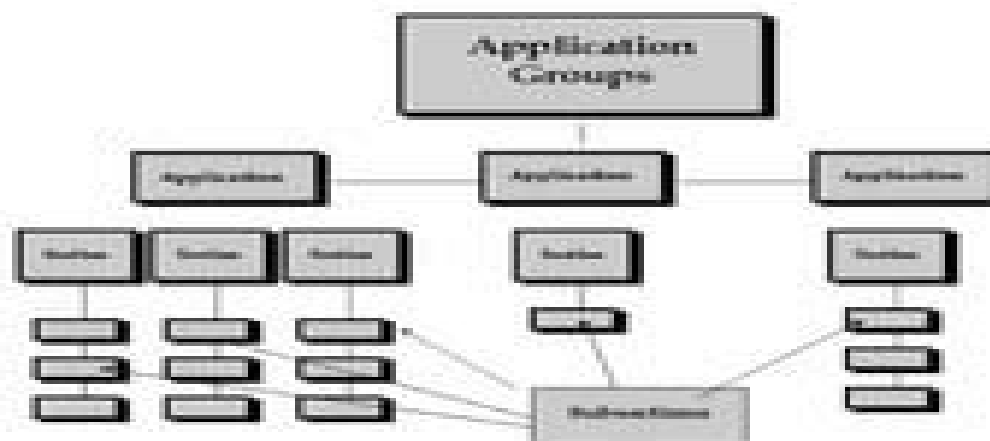

Figure 2 - Facets Applications Hierarchy

The following are Facets application groups and related applications:

Accounting Applications Group

The Accounting group of applications forms the foundation for claims and capitation check processing. These applications allow you to establish separate lines of business to associate with specific plans and claims or capitation payors. You may also maintain information about the corporate bank accounts from which claims or capitation payments are drawn.

¹ Based on your security profile, not all of the application groups may be available to you.

Understanding Animal Abuse and How to Intervene with Children and Young People Gilly Ferreira, Joanne Williams, 2023-03-31 *Understanding Animal Abuse and How to Intervene with Children and Young People* offers a positive compassion based and trauma informed approach to understanding and intervening in animal abuse. It provides an accessible cross disciplinary synthesis of current international evidence on animal abuse and a toolkit for professionals working with people and or animals to help them understand prevent and intervene in cases of animal abuse. With contributions from experts in the field this essential text offers ten user friendly chapters with questions for reflection and key summary points. It offers a definition of animal abuse synthesises the latest research on children young people and animal abuse explores the link between animal abuse and other forms of abuse and outlines legal perspectives on animal abuse. The second half of the book presents a practical toolkit for professionals offering guidance and strategies for the prevention of and intervention in cases of animal abuse. It provides multidisciplinary perspectives on interventions from teachers and social workers roles in detection and intervention of childhood animal abuse to the roles of enforcement agencies and veterinarians in legal cases of adult animal abuse. Together with a final chapter proposing new directions for research policy and practice this guide is for all who work with children young people and or animals including psychologists social workers veterinarians education professionals and animal welfare educators. It is also a key reading for those involved in legal and policy issues relating to animal welfare.

Learning for the Long Run Holly Burkett, 2016-11-22 Make your learning organization truly indispensable. If you're planting the seeds of improved organizational and individual effectiveness you are a true learning leader. You know better than anyone that learning is an evolution not a singular event. But what if your organization isn't on the same page? Or worse what if you find that your efforts are the first to go when there's a change in the C suite or when budget cuts loom? *Learning for the Long Run* tackles sustainability concerns head on. Discover seven proven practices businesses use to ensure continuity in learning and development. Original case studies from the public and private sector put these practices into action while self assessments and job aids show you how to attain a sustainable mindset. Explore how FlightSafety International leveraged its measurement capabilities to drive results and improve its avionics safety system. How the U S Army Warrant Officer Career College built and bent its change capabilities to prepare the next generation of Army officers amid labor shortages and complex global threats. How the Tennessee Department of Human Resources led an award winning shift to transform a tenure based environment into a performance driven learning culture. And more. In *Learning for the Long Run* innovative change leader Holly Burkett demystifies how to earn credibility and grow the learning function into a mature enterprise that will weather today's frequent business disruptions. Now's the time to build lasting organizational value and resist the temptation of the quick fix.
