Gemstone Reflexology Nora Kircher, 2006-07-23 An innovative and holistic approach that combines the healing powers of gemstones with reflexology therapy Presents a synergistic therapy that can help numerous mental and physical disorders Includes illustrated instructions for determining the specific needs of a disorder and how to apply the therapy Combining the healing energy of crystals and reflexology therapy Gemstone Reflexology offers a holistic approach to

triggering the body's self-healing energies to deal with a large number of mental and physical disorders ranging from heartache to heart disease. The treatment is based on using eight gemstone wands: agate, amethyst, fluorite, heliotrope, rock crystal, rose quartz, rutilated quartz, and sodalite that allow users to direct the healing power of the crystals to activate designated pressure points. Every gemstone has specific healing properties. When crafted into wands, these gems enable the patient to apply the perfect amount of pressure on the appropriate acupressure point. The energies of the crystal combine with the energies released by the pressure on the reflexology point to produce a powerful force for healing. Readers are provided a system of kinetic analysis to determine the appropriate stone and pressure point for their specific condition. Sodalite, for example, has a beneficial effect on mental health which is increased when applied to the pressure points corresponding to the head; agate helps in the treatment of skin disorders and amethyst restores vigor. The book contains illustrated instructions that show the treatment areas for a wide range of conditions including earaches, headaches, and migraines, back and joint pain, colds and flu, low blood pressure, intestinal cramps, cardiovascular disease, and depression.

Restoring Your Eyesight
Doug Marsh, 2006-12-08. A holistic guide to improving one's vision both physically and spiritually. Explains how blurred vision is a reflection of other imbalances in the body, mind, and spirit. Offers natural methods for improvement of poor eyesight and stress-related difficulties including dyslexia and ADHD. Combines the core values of the Bates method of natural vision improvement and Taoism. Fewer than three percent of children in North America are born with visual defects; yet as they become adults, nearly two-thirds will become reliant on prescription lenses to see clearly. Virtually nonexistent in pre-industrialized cultures, this epidemic of blurred vision can be traced to mental, physical, and spiritual imbalances in modern society. The traditional quick fixes of eyeglasses and contact lenses only serve to cover the true cause of blurred vision while increasing eye strain and often progressively worsen eyesight as the eyes become trained to work within the confines of the corrective lenses. The advent of refractive surgery carries even more serious risks. In *Restoring Your Eyesight*, Doug Marsh offers a natural alternative that shows readers how to improve their eyesight by taking conscious control of their vision health. He combines proven methods pioneered a century ago by eye doctor William Bates with the ancient Chinese wisdom of Taoism. Marsh describes how vision goes deeper than the eyes and optic nerves, extending well into the layers of the mind, emotions, and spirit. Eyesight difficulties are often connected to behavioral and stress-related syndromes such as dyslexia, ADHD, stuttering, TMJ, and anxiety disorders. He draws upon the core values of the Bates method and Taoism: rhythm, softness, return, balance, and wholeness to provide guidelines for a holistic healing of outer and inner vision.
