Facilitators Guide To Courageous Conversations About Race:

Facilitator's Guide to Courageous Conversations about Race Glenn Eric Singleton, Curtis Linton, 2007 Create staff development training that addresses the relationship between race and achievement Acutely aware of the statistical gaps in achievement between different racial groups educators realize that eliminating this disparity is critically to developing cultural proficiency Candid conversations about race help educational leaders understand why performance inequity persists and how to guide policy analysis and instructional reform that promotes true academic parity Designed to complement the best selling *Courageous Conversations About Race* this facilitator's guide shows how to use professional development events to help educational leaders examine the achievement gap through the prism of race This chapter by chapter guide explains how to engage educators in discussions about personal agendas multiple racial perspectives closing the racial achievement gap and extending their professional learning Trainers also will find practical features including Implementation exercises Prompts language and tools that support profound discussion Activities and checklists for administrators Action steps for creating an equity team Highlights for the facilitator include Activities for small or large groups Discussion and journaling prompts Key sources for supplemental reading Sample workshop agendas for half day one day or two to three day sessions A workshop evaluation form Using the Facilitator's Guide to *Courageous Conversations About Race* you can help educators construct a language and a process for addressing the relationship between race and achievement With creative open dialogue leaders can restructure their schools and fulfill every student's potential regardless of race culture or class

Courageous Conversations About Race Glenn E. Singleton, 2014-10-11 Create a systemwide plan for transforming the district office schools and classrooms into places that truly support ALL students achieving their highest levels This updated edition of the bestseller continues to explain the need for candid courageous conversations about race so that educators may understand why achievement inequality persists and learn how they can develop a curriculum that promotes true educational equity and excellence NEW Revised Courageous Conversation Compass NEW Racial autobiographies NEW Case study on St Paul Public Schools which has stayed on track with the Courageous Conversation protocol and framework NEW Links to video segments of the author describing the work REVISED Activities and checklists for school and district leaders REVISED Action and implementation steps *Courageous Conversations About Race* Glenn E. Singleton, Curtis Linton, 2006 The beauty of this volume is that it is designed to help lay people teachers administrators parents community leaders and even university professors begin to engage in the emotionally and psychically difficult conversations about race Glenn Singleton and Curtis Linton have offered us an important book that provides us with empirical data and well constructed exercises to help us think through the ways that race affects our lives and our professional practices My sincere desire is that after you have had an opportunity to read this volume you will indeed engage in some courageous conversations about race Gloria Ladson Billings Professor University of Wisconsin Madison and author of *The Dreamkeepers* Singleton looks at the

achievement gap through the prism of race and in *Courageous Conversations About Race* he begins by examining the evidence that points to race not poverty as the underlying cause behind the achievement gap This work while exploring how race affects all educators declares that we need to have engaged sustained and deep conversations about race in order to understand students and the achievement gap Singleton calls this process courageous conversations Through these courageous conversations educators can learn how to redesign curriculum and create community and true equity Action steps to close the achievement gap include creating an equity team and collaborative action research The final chapter presents a systemwide plan for transforming schools and districts including activities exercises and checklists for central office administrators principals and teachers *Courageous Conversations About Race* Glenn E. Singleton, 2021-07-23 This revision of this classic text could not be more timely We are at a moment of reckoning with respect to race in America The COVID 19 pandemic coupled with the centuries old pandemic of racial injustice have brought new attention to the presence of systemic racism in our schools and other institutions Glenn Singleton's *Courageous Conversations* protocol has had a lasting impact on hundreds of thousands of educators both in the U S and abroad Singleton was prescient in setting forth the premise that before we can solve race in this country we need to learn to talk about it This edition retains the hallmark features previous editions including the four agreements the protocol activities reflective prompts and a series of powerful Racial Autobiographies However it has been updated to reflect our current sociopolitical environment especially the current spotlight on racial injustice juxtaposed against a white nationalist backlash This book has helped equity leaders in K 12 schools as well as other institutions develop their racial consciousness and guide others to greater understanding and action

More Courageous Conversations About Race Glenn E. Singleton, 2012-10-03 Use courageous conversations to build racial equity in your schools and districts In this companion to his best selling book Glenn Singleton presents specific examples in which racism impedes student success and illustrates how to usher in courageous conversations to ignite systemic transformation Through first person vignettes and an actual school district case study this breakthrough handbook focuses on the powerful possibilities that are unleashed when you Learn how other education leaders have addressed and improved race relations Explore urgent challenges in racial equity and courageous approaches to solving them Reflect on your personal role in the struggle to achieve racial equity Introduce culturally relevant curriculum instruction and assessment in your school or district Films as Rhetorical Texts Janice D. Hamlet, 2019-11-13 *Films as Rhetorical Texts* Cultivating Discussion about Race Racism and Race Relations presents critical essays focusing on select commercial films and what they can teach us about race racism and race relations in America The films in this volume are critically assessed as rhetorical texts using various aspects and components of critical race theory recognizing that race and racism are intricately ingrained in American society Contributors argue that by viewing and evaluating culture centered films often centered around race and critically analyzing them faculty and students can promote the opportunity for genuine open

discussions about race racism and race relations in the United States specifically in the higher education classroom Scholars of film studies media studies race studies and education will find this book particularly useful

Transforming the Academy Sarah Willie-LeBreton, 2016-05-05 In recent decades American universities have begun to tout the diversity of their faculty and student bodies But what kinds of diversity are being championed in their admissions and hiring practices and what kinds are being neglected Is diversity enough to solve the structural inequalities that plague our universities And how might we articulate the value of diversity in the first place Transforming the Academy begins to answer these questions by bringing together a mix of faculty male and female cisgender and queer immigrant and native born tenured and contingent white black multiracial and other from public and private universities across the United States Whether describing contentious power dynamics within their classrooms or recounting protests that occurred on their campuses the book's contributors offer bracingly honest inside accounts of both the conflicts and the learning experiences that can emerge from being a representative of diversity The collection's authors are united by their commitment to an ideal of the American university as an inclusive and transformative space one where students from all backgrounds can simultaneously feel intellectually challenged and personally supported Yet Transforming the Academy also offers a wide range of perspectives on how to best achieve these goals a diversity of opinion that is sure to inspire lively debate
