Futrell,2016-09-24 Trials are an inevitable aspect of life and come upon us in many different ways Ways which may include the death of a loved one an illness disappointments betrayal or parental abandonment GOD has allowed us to endure many trials situations and tribulations When planting a tree you have to consider the soil Not all trees can grow or thrive in the same dirt Certain soils produce different fruit Therefore the various types of trials we go through yield different results as well Turning Trials into Triumphs is an anthology of events that could have left the contributors bitter but instead their circumstances evolved for the better The ladies of VLR believe that the attitude we display through trials will determine whether an individual will emerge victorious Out of our greatest trials comes the defining moments of life that lay the foundation for building the strength of our character Turning Trials into Triumphs was written by seven members of Victorious Ladies Reading VLR Book Club who wanted to encourage others to conquer every problem or situation that may arise by trusting GOD even when you can t trace GOD Watch him turn your TRIAL into a TRIUMPH **Turning Trials Into**
