Eric Williams And The Making Of The Modern Caribbean:

Eric Williams and the Making of the Modern Caribbean Colin A. Palmer, 2006 Colin Palmer presents a guide to understanding the influential West Indian scholar and politician Eric Williams **The Legacy of Eric Williams** Colin A. Palmer, 2015 This is the first comprehensive historical assessment of the career of Eric Williams the scholar and statesman Born in Trinidad and Tobago in 1911 Eric Williams published his classic work *Capitalism and Slavery* in 1944 and several other books thereafter A historian of outstanding talent Williams's scholarly work has been the subject of various international conferences He introduced a new era in the study of slavery focusing less on the oppressive conditions of that odious system of labour and more on its role in the construction of Western capitalism Historians are still animated by Williams's conclusions and the questions he posed are still relevant to our mature understanding of the ways in which the African slave trade and slavery shaped the economies of a variegated group of societies Eric Williams was also the head of government of Trinidad and Tobago from 1956 to 1981 He became the premier of his country in 1961 and its first prime minister in 1962 He died in 1981 after dominating the politics of his country for a quarter of a century This volume also includes analyses of Williams's enormous contributions to the making of the modern Caribbean as a statesman and a scholar

The Legacy of Eric Williams Tanya L. Shields, 2015-06-02 *The Legacy of Eric Williams* provides an indispensable and significant understanding of Eric Williams's contributions to the now independent nation of Trinidad and Tobago and his impact on the broader international understanding of the Caribbean This book stands out because of its simultaneous investigation into Eric Williams as a scholar intellectual a political leader and most importantly a key postcolonial figure Most previous studies have treated these as separate arenas The essays here confront the relevance of postcolonialism in understanding Williams's role both in post independence Trinidad and Tobago and in newer understandings of Caribbean globalization The volume divides into three broad sections *Becoming Eric Williams* *Political Williams* and *Textual Williams* *Becoming Eric Williams* provides background on Williams and the Caribbean's ontological quest addressing what it means to be West Indian and Caribbean *Political Williams* engages with his policies and their consequences describing the impact of Williams's political policies on several areas integration color stratification and labor and public sector reform Williams's far reaching political influence in these aspects cements his legacy as one of the main public intellectuals responsible for creating the modern Caribbean *Textual Williams* examines his scholarly contributions from a more traditional academic perspective These sections allow for a comprehensive understanding of Williams as a man a scholar and a politician

Reading the Postwar Future Kirrily Freeman, John Munro, 2019-10-17 This original collection explores a number of significant texts produced in 1944 that define that year as a textual turning point when overlapping and diverging visions of a new world emerged The questions posed at that moment about capitalism race empire nation and cultural modernity gave rise to debates that defined the global politics of their era and continue to delineate our own Highlighting the goals agendas

and priorities that emerged for artists intellectuals and politicians in 1944 Reading the Postwar Future rethinks the intellectual history of the 20th century and the way 1944 s texts shaped the contours of the postwar world This is essential reading for any student or scholar of the intellectual political economic and cultural history of the postwar era **The Influence of Small States on Superpowers** Richard L. Bernal,2015-07-22 The conventional wisdom is that small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country should Washington be worried **The Anticolonial Front** John Munro,2017-09-21 This is a transnational history of the activist and intellectual network that connected the Black freedom struggle in the United States to liberation movements across the globe in the aftermath of World War II John Munro charts the emergence of an anticolonial front within the postwar Black liberation movement comprising organisations such as the National Association for the Advancement of Colored People the Council on African Affairs and the American Society for African Culture and leading figures such as W E B Du Bois Claudia Jones Alphaeus Hunton George Padmore Richard Wright Esther Cooper Jackson Jack O Dell and C L R James Drawing on a diverse array of personal papers organisational records novels newspapers and scholarly literatures the book follows the fortunes of this political formation recasting the Cold War in light of decolonisation and racial capitalism and the postwar history of the United States in light of global developments *Making The Black Jacobins* Rachel Douglas,2019-09-27 C L R James s *The Black Jacobins* remains one of the great works of the twentieth century and the cornerstone of Haitian revolutionary studies In *Making The Black Jacobins* Rachel Douglas traces the genesis transformation and afterlives of James s landmark work across the decades from the 1930s on Examining the 1938 and 1963 editions of *The Black Jacobins* the 1967 play of the same name and James s 1936 play *Toussaint Louverture* as well as manuscripts notes interviews and other texts Douglas shows how James continuously rewrote and revised his history of the Haitian Revolution as his politics and engagement with Marxism evolved She also points to the vital significance theater played in James s work and how it influenced his views of history Douglas shows *The Black Jacobins* to be a palimpsest its successive layers of rewriting renewing its call to new generations *The Transformation and Decline of the British Empire* Spencer Mawby,2015-10-11 The slow retreat of the British empire in the century after the First World War has had dramatic implications for Britain itself its former colonies and the global balance of power *The Transformation and Decline of the British Empire* provides a broad ranging and accessible introduction to the key debates and discussions about this process of imperial decline Drawing on the lively scholarship which has developed over the last 25 years it offers both new students and established scholars a guide to the existing literature on British decolonisation including subjects such as the rise of anti colonialism the impact of empire on British politics and culture the significance of migration the wars and insurgencies which

accompanied the end of empire and the role which capital and labour played in imperial decline Mawby also examines the way in which the historiography has developed through conversations and debates between scholars the impact which present day concerns have on historical writing the significance of new documentary findings and the impact of theoretical considerations on current controversies Irreparable Evil David Scott,2024-02-20 What was distinctive about the evil of the transatlantic slave trade and New World slavery In what ways can the present seek to rectify such historical wrongs even while recognizing that they lie beyond repair Irreparable Evil explores the legacy of slavery and its moral and political implications offering a nuanced intervention into debates over reparations David Scott reconsiders the story of New World slavery in a series of interconnected essays that focus on Jamaica and the Anglophone Caribbean Slavery he emphasizes involved not only scarcely imaginable brutality on a mass scale but also the irreversible devastation of the ways of life and cultural worlds from which enslaved people were uprooted Colonial extraction shaped modern capitalism plantation slavery enriched colonial metropolises and simultaneously impoverished their peripheries To account for this atrocity Scott examines moral and reparatory modes of history and criticism probing different conceptions of evil He reflects on the paradoxes of seeking redress for the specific moral evil of slavery criticizing the limitations of liberal rights based arguments for reparations that pursue reconciliation with the past Instead this book argues in making the urgent demand for reparations we must acknowledge the fundamental irreparability of a wrong of such magnitude **Their Future** Michael

Gubser,2025-05-27 A compelling examination of how economic development projects ignore local history and the effects of this shortsightedness Foreign aid planners rarely consider the history of the societies in which they work an oversight noted in the development literature but rarely examined Aid programs costing billions of dollars operate largely in a historical vacuum divorced from the knowledge of what succeeded or failed in the past Michael Gubser chronicles the varieties of ahistoricism in international development theory and practice since 1945 He traces the history of development ideas analyzing key theoretical and policy statements to highlight the marginalization of history in favor of technical solutions to economic and social problems and he examines aid programs in several developing countries to show how Western models of social and economic development have been applied and misapplied The Palgrave Encyclopedia of Imperialism and Anti-Imperialism Immanuel Ness,Zak Cope,2016-04-29 The Palgrave Encyclopedia Imperialism and Anti Imperialism objectively presents the prominent themes epochal events theoretical explanations and historical accounts of imperialism from 1776 to the present It is the most historically and academically comprehensive examination of the subject to date

Globalization, Trade, and Economic Development R. Bernal,2013-12-18 This is the most in depth study of the economic partnership between the European Union and the CARIFORUM countries a group of fifteen small developing economies in the Caribbean The CARIFORUM EU Economic Partnership Agreement EPA is the first trade agreement of its kind as it is a new type of WTO compatible trade agreement between a group of developed countries and a group of

developing countries As a principal negotiator for CARIFORUM Bernal s qualifications allow him to provide a unique perspective on the increasingly important topic of trade and economic development in the midst of globalization Globalization Trade and Economic Development comprehensively explores the components of the EPA from all angles explains how the agreement provides opportunities to strengthen and accelerate economic development and outlines the policies which can allow the CARIFORUM countries to seize these opportunities Bernal s explanation of the institutional arrangements for the conduct of the negotiations by CARIFORUM is invaluable to governments and regional organizations in developing countries for coordinating groups to advance common and joint positions in international negotiations

Base Colonies in the Western Hemisphere, 1940-1967 S. High,2008-12-22 This book examines the social economic and political aftermath of the famous Anglo American destroyers for bases deal of 2nd September 1940 that saw fifty obsolete U S destroyers exchanged for base colonies in Trinidad Bermuda Newfoundland and the Bahamas

Jah Kingdom Monique A. Bedasse,2017-08-11 From its beginnings in 1930s Jamaica the Rastafarian movement has become a global presence While the existing studies of the Rastafarian movement have primarily focused on its cultural expression through reggae music art and iconography Monique A Bedasse argues that repatriation to Africa represents the most important vehicle of Rastafari s international growth Shifting the scholarship on repatriation from Ethiopia to Tanzania Bedasse foregrounds Rastafari s enduring connection to black radical politics and establishes Tanzania as a critical site to explore gender religion race citizenship socialism and nation Beyond her engagement with how the Rastafarian idea of Africa translated into a lived reality she demonstrates how Tanzanian state and nonstate actors not only validated the Rastafarian idea of diaspora but were also crucial to defining the parameters of Pan Africanism Based on previously undiscovered oral and written sources from Tanzania Jamaica England the United States and Trinidad Bedasse uncovers a vast and varied transnational network including Julius Nyerere Michael Manley and C L R James revealing Rastafari s entrenchment in the making of Pan Africanism in the postindependence period

Across Colonial Lines Devyani Gupta,Purba Hossain,2023-02-09 Across Colonial Lines takes a multi perspective approach to the study of empire and commodities and encourages readers to look at commodity histories in alternative spatial and temporal contexts It offers a

comparative understanding of commodities in the Venetian Portuguese Dutch French and British Empires Highlighting the interwoven character of multiple commodity networks this book situates commodities like gold coffee tea and indigo to name a few within pre existing networks of labour consumption and knowledge production It explores the nexus between the local and the global and highlights the role played by individual producers petty traders sailors and even consumers in creating regional circulations within a global political economy In this volume commodity networks are not just sites of production and trade but also of political control social organisation and consumption choices They provide the impetus for globalisation from as early as the thirteenth century Each chapter takes an individual commodity to illustrate the history of commodity transmission within imperial contexts From early modern Venetian commerce to the trade networks of the Eurasian world from the trading ambitions of British sailors to Portuguese global imperial ambitions from the cross imperial knowledge networks of indigo to the assertion of indigenous agency in Angola and from the commodification of labour to the experience of tourism in the Caribbean and Indian Ocean World Across Colonial Lines uses commodity networks as a lens to study empire building across varied yet connected geographies and chronologies Spiritual Citizenship N. Fadeke

Castor,2017-11-09 In Spiritual Citizenship N Fadeke Castor employs the titular concept to illuminate how If Orisha practices informed by Yoruba cosmology shape local national and transnational belonging in African diasporic communities in Trinidad and beyond Drawing on almost two decades of fieldwork in Trinidad Castor outlines how the political activism and social upheaval of the 1970s set the stage for African diasporic religions to enter mainstream Trinidadian society She establishes how the postcolonial performance of If Orisha practices in Trinidad fosters a sense of belonging that invigorates its practitioners to work toward freedom equality and social justice Demonstrating how spirituality is inextricable from the political project of black liberation Castor illustrates the ways in which If Orisha beliefs and practices offer Trinidadians the means to strengthen belonging throughout the diaspora access past generations heal historical wounds and envision a decolonial future Urbane Revolutionary Frank Rosengarten,2010-06-30 In Urbane Revolutionary C L R James and the

Struggle for a New Society Frank Rosengarten traces the intellectual and political development of C L R James 1901 1989 one of the most significant Caribbean intellectuals of the twentieth century In his political and philosophical commentary his histories drama letters memoir and fiction James broke new ground dealing with the fundamental issues of his age colonialism and post colonialism Soviet socialism and western neo liberal capitalism and the uses of race class and gender as tools for analysis The author examines the in depth three facets of James s work his interpretation and use of Marxist Trotskyist and Leninist concepts his approach to Caribbean and African struggles for independence in the 1950s and 1960s and his branching into prose fiction drama and literary criticism Rosengarten analyzes James s previously underexplored relationships with women and with the women s liberation movement The study also scrutinizes James s methods of research and writing Rosengarten explores James s provocative and influential concepts regarding Black liberation in the Caribbean
