**Phyllis Birnbaum**

## **Escape From Manchuria:**

**Escape From Manchuria** Paul K. Maruyama, 2021-01-25 In the closing days of WWII the Soviet Union attacked and occupied Japanese controlled northern China then called Manchuria Immediately misery and death from cold hunger disease and brutality descended upon the Japanese civilian residents at the hands of the Soviet Army and revenge seeking mobs and bandits Nearly 2 500 Japanese mostly the elderly and children died daily Three courageous Japanese men embarked on a secret mission and escaped to Japan to eventually bring an end to the Manchurian nightmare In the riveting story *Escape from Manchuria* the son of one of the three courageous men narrates a compelling tale of the rescue and repatriation of nearly 1 7 million noncombatant Japanese that commenced almost a year after the surrender of Japan *Escape from Manchuria* describes the indispensable role that General Douglas MacArthur and his staff played in the repatriation It also discloses the vital role played by the Catholic Church in Manchuria and in Japan in assisting the three men to achieve this monumental success The heroics of the three men have hardly been recognized even in Japan because they took on the mission of rescue as private citizens without the consent or knowledge of the then utterly helpless Japanese government This is the true story of their courage determination and sacrifice to save the lives of their fellow Japanese

*Escape from Manchuria* Paul K. Maruyama, 2017-04-28 In the closing days of WWII the Soviet Union attacked and occupied Japanese controlled northern China then called Manchuria Immediately misery and death from cold hunger disease and brutality descended on the Japanese civilians at the hands of the Soviet Army and revenge seeking mobs and bandits Nearly 2 500 Japanese mostly the elderly and children died daily Three courageous Japanese men embarked on a secret mission and escaped to Japan to eventually bring about an end to the Manchurian nightmare In a riveting story a son of the leader of the three courageous men narrates to readers a compelling tale of the rescue and repatriation of nearly 1 7 million abandoned non combatant Japanese that began almost a year after Japan s surrender The book describes the indispensable part that General Douglas MacArthur played in the repatriation and discloses the role played by the Catholic Church in Manchuria and Japan in assisting the three men to achieve success The heroics of the three men have not been fully recognized even in Japan because they took on the mission of rescue as private citizens without the consent or knowledge of the then utterly helpless Japanese government

**Escape From Manchuria** Paul Maruyama, 2021-03-10 In the closing days of WWII the Soviet Union attacked and occupied Japanese controlled northern China then called Manchuria Immediately misery and death from cold hunger disease and brutality descended upon the Japanese civilian residents at the hands of the Soviet Army and revenge seeking mobs and bandits Nearly 2 500 Japanese mostly the elderly and children died daily Three courageous Japanese men embarked on a secret mission and escaped to Japan to eventually bring an end to the Manchurian nightmare In the riveting story *Escape from Manchuria* the son of one of the three courageous men narrates a compelling tale of the rescue and repatriation of nearly 1 7 million noncombatant Japanese that commenced almost a year after the surrender of

Japan Escape from Manchuria describes the indispensable role that General Douglas MacArthur and his staff played in the repatriation. It also discloses the vital role played by the Catholic Church in Manchuria and in Japan in assisting the three men to achieve this monumental success. The heroics of the three men have hardly been recognized even in Japan because they took on the mission of rescue as private citizens without the consent or knowledge of the then utterly helpless Japanese government. This is the true story of their courage, determination and sacrifice to save the lives of their fellow Japanese.

**Escape From Manchuria** Maruyama, 2016-02-29 In the closing days of WWII the Soviet Union attacked and occupied Japanese controlled northern China then called Manchuria. Immediately misery and death from cold, hunger, disease and brutality descended on the Japanese civilians at the hands of the Soviet Army and revenge seeking mobs and bandits. Nearly 2,500 Japanese, mostly the elderly and children, died daily. Three courageous Japanese men embarked on a secret mission and escaped to Japan to eventually bring about an end to the Manchurian nightmare. In a riveting story, a son of the leader of the three courageous men narrates to readers a compelling tale of the rescue and repatriation of nearly 1.7 million abandoned non-combatant Japanese that began almost a year after Japan's surrender. The book describes the indispensable part that General Douglas MacArthur played in the repatriation and discloses the role played by the Catholic Church in Manchuria and Japan in assisting the three men to achieve success. The heroics of the three men have not been fully recognized even in Japan because they took on the mission of rescue as private citizens without the consent or knowledge of the then utterly helpless Japanese government.

*Escape to Manchuria!* Gillian Thornhill, 2016-09-05 In 1939 to escape Nazi persecution and genocide, Margarethe now Margalit and her family flee Germany to travel halfway round the world, firstly to Shanghai where stateless people were admitted without visa or passport and then on to Manchuria.

**In Manchuria** Michael Meyer, 2015-02-17 Explores the change most of rural China is undergoing via the story of a privately held rice company that has built new roads, introduced organic farming and constructed apartments for farmers in exchange for their land rights.

**The Cultural Trauma of Decolonization** Ron Eyerman, Giuseppe Sciortino, 2019-12-05 This volume is the first consistent effort to systematically analyze the features and consequences of colonial repatriation in comparative terms, examining the trajectories of returnees in six former colonial countries: Belgium, France, Italy, Japan, the Netherlands and Portugal. Each contributor examines these cases through a shared cultural sociology frame, unifying the historical and sociological analyses carried out in the collection. More particularly, the book strengthens and improves one of the most important and popular current streams of cultural sociology: that of collective trauma. Using a comparative perspective to study the trajectories of similarly traumatized groups in different countries allows for not only a thick description of the return processes but also a thick explanation of the mechanisms and factors shaping them. Learning from these various cases of colonial returnees, the authors have been able to develop a new theoretical framework that may help cultural sociologists to explain why seemingly similar claims of collective trauma and victimhood garner respect and recognition in certain contexts but fail in others.

*Empire and Environment in the Making of Manchuria* Norman Smith, 2017-02-10 Since the seventeenth century Chinese Japanese Manchu Russian and other imperial forces have defied Manchuria's unrelenting summers and unforgiving winters to fight for sovereignty over the natural resources of Northeast Asia Until now historians have focused on rivalries between the region's imperial invaders *Empire and Environment in the Making of Manchuria* examines the interplay of climate and competing economic and political interests in the region's vibrant and violent cultural narrative In this unique and compelling analysis of Manchuria's environmental history contributors demonstrate how geography shaped the region's past Families that settled this borderland reaped its riches while at the mercy of an unforgiving and hotly contested landscape As China's strength as a world leader continues to grow this volume invites exploration of the indelible links between empire and environment and shows how the geopolitical future of this global economic powerhouse is rooted in its past

*Knowing Manchuria* Ruth Rogaski, 2022-09 *Knowing Manchuria* places the creation of knowledge about nature at the center of our understanding of one of the world's most contested borderlands At the intersection of China Russia Korea and Mongolia Manchuria is known as a site of war and environmental extremes where projects of political control intersected with projects designed to make sense of Manchuria's multiple environments Covering over 500 000 square miles comparable in size to all the land east of the Mississippi Manchuria's landscapes included temperate rain forests deserts prairies cultivated plains wetlands and Siberian taiga Ruth Rogaski reveals how paleontologists and indigenous shamans and many others made sense of the Manchurian frontier She uncovers how natural knowledge and thus the nature of Manchuria itself changed over time from a sacred land where the dragon arose to a global epicenter of contagious disease from a tragic wasteland to an abundant granary that nurtured the hope of a nation

**The Gods Left First** Andrew E. Barshay, 2013-08-16 At the time of Japan's surrender to Allied forces on August 15 1945 some six million Japanese were left stranded across the vast expanse of a vanquished Asian empire Half civilian and half military they faced the prospect of returning somehow to a Japan that lay prostrate its cities destroyed after years of warfare and Allied bombing campaigns Among them were more than 600 000 soldiers of Japan's army in Manchuria who had surrendered to the Red Army only to be transported to Soviet labor camps mainly in Siberia Held for between two and four years and some far longer amid forced labor and reeducation campaigns they waited for return never knowing when or if it would come Drawing on a wide range of memoirs art poetry and contemporary records *The Gods Left First* reconstructs their experience of captivity return and encounter with a postwar Japan that now seemed as alien as it had once been familiar In a broader sense this study is a meditation on the meaning of survival for Japan's continental repatriates showing that their memories of involvement in Japan's imperial project were both a burden and the basis for a new way of life

**History of Soybeans and Soyfoods in Manchuria (1833-2022)** William Shurtleff; Akiko Aoyagi, 2022-01-16 The world's most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 177 photographs and illustrations mostly color Free of charge in digital

PDF format      **Indigenous Peoples** Victoria R. Williams, 2020-02-24 The book is an essential resource for those interested in investigating the lives histories and futures of indigenous peoples around the world Perfect for readers looking to learn more about cultural groups around the world this four volume work examines approximately 400 indigenous groups globally The encyclopedia investigates the history social structure and culture of peoples from all corners of the world including their role in the world their politics and their customs and traditions Alphabetically arranged entries focus on groups living in all world regions some of which are well known with large populations and others that are lesser known with only a handful of surviving members Each entry includes sections on the group s geography and environment history and politics society culture and tradition access to health care and education and threats to survival Each entry concludes with See Also cross references and a list of Further Reading resources to guide readers in their research Also included in the encyclopedia are Native Voices inset boxes allowing readers a glimpse into the daily lives of members of these indigenous groups as well as an appendix featuring the United Nations Declaration on the Rights of Indigenous Peoples      *The Secret War for China*

Panagiotis Dimitrakis, 2017-09-22 In 1927 Chiang Kai shek the head of China s military academy and leader of the Kuomintang KMT began the northern expeditions to bring China s northern territories back under the control of the state It was during this period that the KMT purged communist activities fractured the army and sparked the Chinese Civil War which would rage for over twenty years The communists led by General Mao Tse Tsung were for much of the period forced underground and concentrated in the Chinese countryside As the author argues this resulted in China s war featuring unusually high levels of espionage and sabotage and increased the military importance of information gathering Based on newly declassified material Panagiotis Dimitrakis charts the double crossings secret meetings and bloody assassinations which would come to define China s future Uniquely *The Secret War for China* gives equal weighting to the role of foreign actors the role of British intelligence in unmasking Communist International Comintern agents in China for example and the allies attempts to turn nationalist China against the Japanese *The Secret War for China* also documents the clandestine confrontation between Mao and Chiang and the secret negotiations between Chiang and the Axis Powers whose forces he employed against the CCP once the Second World War was over In his turn Mao employed nationalist forces who had defected during the last three years of the civil war about 105 out of 869 KMT generals defected to the CCP This book is an urgent and necessary guide to the intricacies of the Chinese Civil War a war which decisively shaped the modern Asian world

**Revolutionary Struggle in Manchuria** Chong-Sik Lee, 1983-01-01      **The Manchu Language at Court and in the Bureaucracy under the Qianlong Emperor** Mårten Söderblom Saarela, 2024-01-15 This is the first book length study of the roles played by the Manchu language at the center of the Qing empire at the height of its power in the eighteenth century It presents a revisionist account of Manchu not as a language in decline but as extensively and consciously used language in a variety of areas It treats the use discussion regulation and philological study of Manchu at the court of an emperor who

cared deeply for the maintenance and history of the language of his dynasty      **Bulletin - California Agricultural Experiment Station** California Agricultural Experiment Station,1929      **Bulletin** ,1929      Manchu Princess, Japanese Spy Phyllis Birnbaum,2015-04-07 Aisin Gioro Xianyu 1907 1948 was the fourteenth daughter of a Manchu prince and a legendary figure in China s bloody struggle with Japan After the fall of the Manchu dynasty in 1912 Xianyu s father gave his daughter to a Japanese friend who was sympathetic to his efforts to reclaim power This man raised Xianyu now known as Kawashima Yoshiko to restore the Manchus to their former glory Her fearsome dedication to this cause ultimately got her killed Yoshiko had a fiery personality and loved the limelight She shocked Japanese society by dressing in men s clothes and rose to prominence as Commander Jin touted in Japan s media as a new Joan of Arc Boasting a short handsome haircut and a genuine military uniform Commander Jin was credited with many daring exploits among them riding horseback as leader of her own army during the Japanese occupation of China While trying to promote the Manchus Yoshiko supported the puppet Manchu state established by the Japanese in 1932 one reason she was executed for treason after Japan s 1945 defeat The truth of Yoshiko s life is still a source of contention between China and Japan some believe she was exploited by powerful men others claim she relished her role as political provocateur China holds her responsible for unspeakable crimes while Japan has forgiven her transgressions This biography presents the richest and most accurate portrait to date of the controversial princess spy recognizing her truly novel role in conflicts that transformed East Asia      **Japanese War Crimes** Peter Li, One of the most troublesome unresolved problems facing many Asian and Western countries after the Asia Pacific war 1931 1945 is the question of the atrocities committed by the Japanese Imperial Army throughout Asia and the Japanese governments repeated attempts to whitewash its wartime responsibilities The psychological and physical wounds suffered by victims their families and relations remain unhealed after more than half a century and the issue is now pressing This collection edited by Peter Li undertakes the critical task of addressing some of the multifaceted and complex issues of Japanese war crimes redress and denial      **The Manchu Way** Mark C. Elliott,2001 In 1644 the Manchus a relatively unknown people inhabiting China s northeastern frontier overthrew the Ming Asia s mightiest rulers and established the Qing dynasty This book supplies a radically new perspective on the formative period of the modern Chinese nation
