# Equaliberty Political Essays A John Hope Franklin Center Book

**Étienne Balibar**

### **Equaliberty Political Essays A John Hope Franklin Center Book:**

*Equaliberty* Étienne Balibar, 2014-02-21 First published in French in 2010 *Equaliberty* brings together essays by Étienne Balibar one of the preeminent political theorists of our time The book is organized around *equaliberty* a term coined by Balibar to connote the tension between the two ideals of modern democracy equality social rights and political representation and liberty the freedom citizens have to contest the social contract He finds the tension between these different kinds of rights to be ingrained in the constitution of the modern nation state and the contemporary welfare state At the same time he seeks to keep rights discourse open eschewing natural entitlements in favor of a deterritorialized citizenship that could be expanded and invented anew in the age of globalization Deeply engaged with other thinkers including Arendt Rancière and Laclau he posits a theory of the polity based on social relations In *Equaliberty* Balibar brings both the continental and analytic philosophical traditions to bear on the conflicted relations between humanity and citizenship **Feminist**

**Explorations of Paul Ricoeur's Philosophy** Annemie Halsema, Fernanda Henriques, 2016-05-19 This book for the first time brings together considerations upon the feminine in relation to Paul Ricoeur's thinking The collection of renowned scholars who have published extensively on Ricoeur and promising younger scholars together shows the rich potential of his thought for feminist theory without failing to critically scrutinize it and to show its limitations with respect to thinking gender differences In the first part Ricoeur Women and Gender Ricoeur's work is taken as the starting point for the reflection upon the position of women and the feminine and for rethinking the notion of universalism In the second part Ricoeur in Dialogue his work is related to feminist thinkers such as Simone de Beauvoir Judith Butler and Nancy Fraser and to the work of artist Kara Walker These dialogues aim at thinking through socially relevant notions such as discourse recognition and justice In the third part Ricoeur and Feminist Theology Ricoeurian notions and ideas are the starting point for new perspectives upon feminist theology The insights developed in this book will be of particular value to students and scholars of Ricoeur feminist theory and the limits of hermeneutics and phenomenology

## Decoding **Equaliberty Political Essays A John Hope Franklin Center Book**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
