*Modern American Literature* Catherine Morley, 2012-05-11 An incisive study of modern American literature casting new light on its origins and themes Exploring canonical American writers such as Ezra Pound Ernest Hemingway and William Faulkner alongside less

familiar writers like Djuna Barnes and Susan Glaspell the guide takes readers through a diverse literary landscape. It considers how the rise of the American metropolis contributed to the growth of American modernism and also examines the ways in which regional writers responded to an accelerated American modernity. Taking in African American modernism, cultural and geographical exile as well as developments in modern American drama, the guide introduces readers to current critical trends in modernist studies.

*Short Stories of Ernest Hemingway* Ernest Hemingway, 2014-05-22 Before he gained wide fame as a novelist, Ernest Hemingway established his literary reputation with his short stories. This collection, *The Short Stories*, originally published in 1938, is definitive. Among these forty-nine short stories are Hemingway's earliest efforts, written when he was a young foreign correspondent in Paris, and such masterpieces as *Hills Like White Elephants*, *The Killers*, *The Short Happy Life of Francis Macomber*, and *The Snows of Kilimanjaro*. Set in the varied landscapes of Spain, Africa, and the American Midwest, this collection traces the development and maturation of Hemingway's distinct and revolutionary storytelling style, from the plain, bald language of his first story, *Up in Michigan*, to the seamless prose and spare, eloquent pathos of *A Clean Well-Lighted Place*, to the expansive solitude of the *Big Two-Hearted River* stories. These stories showcase the singular talent of a master, the most important American writer of the twentieth century.

*The Short Stories of Ernest Hemingway* Ernest Hemingway, 2017-07-18 Offers a selection of twenty-six short stories that includes famous classics as well as rare and previously unpublished works and an essay on the art of the short story.

*American Writers and World War I* David A. Rennie, 2020-07-31 Looking at texts written throughout the careers of Edith Wharton, Ellen La Motte, Mary Borden, Thomas Boyd, F. Scott Fitzgerald, Laurence Stallings, and Ernest Hemingway, *American Writers and World War I* argues that authors' war writing continuously evolved in response to developments in their professional and personal lives. Recent research has focused on constituencies of identity such as gender, race, and politics registered in American Great War writing. Rather than being dominated by their perceived membership of such socio-political categories, this study argues that writers reacted to and represented the war in complex ways which were frequently linked to the exigencies of maintaining a career as a professional author. War writing was implicated in and influenced by wider cultural forces such as governmental censorship, the publishing business, advertising, and the Hollywood film industry. *American Writers and World War I* argues that even authors' hallmark anti-war works are in fact characterized by an awareness of the war's nuanced effects on society and individuals. By tracking authors' war writing throughout their entire careers in well-known texts, autobiography, correspondence, and neglected works, this study contends that writers' reactions were multifaceted and subject to change in response to their developments as writers and individuals. This work also uncovers the hitherto unexplored importance of American cultural and literary precedents which offered writers means of assessing the war. Ultimately, the volume argues American World War I writing was highly personal, complex, and idiosyncratic.

*For Whom the Bell Tolls* Ernest Hemingway, 2020-07-21 Introduced by Hemingway's grandson, Sean Hemingway, this newly annotated edition and literary

masterpiece about an American in the Spanish Civil War features early drafts and supplementary material including three previously uncollected short stories on war by one of the greatest writers on the subject in history In 1937 Ernest Hemingway traveled to Spain to cover the civil war for the North American Newspaper Alliance Three years later he completed the greatest novel to emerge from the good fight and one of the foremost classics of war literature in history Published in 1940 For Whom the Bell Tolls tells of loyalty and courage love and defeat and the tragic death of an ideal Robert Jordan is a young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand Hemingway creates a work at once rare and beautiful strong and brutal compassionate moving and wise If the function of a writer is to reveal reality Maxwell Perkins wrote Hemingway after reading the manuscript no one ever so completely performed it Greater in power broader in scope and more intensely emotional than any of the author's previous works it stands as one of the best war novels of all time Featuring early drafts and manuscript notes some of Hemingway's writings during the Spanish Civil War and three previously collected stories of his on the subject of war as well as a personal foreword by the author's son Patrick Hemingway and a new introduction by the author's grandson Sean Hemingway this edition of For Whom the Bell Tolls brings new life to a literary master's epic like never before

**Rereading Modernist Postcards** Bradley D. Clissold, 2023-08-31 Informed by both new and old media theory materialist approaches to the study of everyday objects and a series of close readings that chart the critical history of postcard use in the fiction and correspondence of Ernest Hemingway Ring Lardner James Joyce and Wilfred Owen this book locates and attempts to rediscover lost misplaced and neglected postcard materialities as they relate to the archiving editing publishing and fictional repurposing of postcards across Anglo American Literary Modernism 1880 1939 It argues that postcards need to be recognized as important early twentieth century communication technologies and distinctly modernist textualities composed of multimedia recto verso intertextualities Moreover their material limitations encourage users to inscribe messages often in fragmented language forms and innovative cultural shorthands aka postcardese This study redresses the ongoing widespread scholarly neglect of signifying postcard materialities in modernist studies and the editorial

silencing of postcard features in collections of published author correspondence It also stresses that for these four literary figures of modernism the material choice of a postcard for communicating is always as much the meta message as any of the signifying materialities they carry uploaded onto their platforming surfaces Zelda Fitzgerald Sally Cline,2012-03 A portrait of the Jazz Age artist and wife of F Scott Fitzgerald traces their dysfunctional marriage Zelda s work as a painter and dancer and her struggle to define herself The Typewriter Century Martyn Lyons,2021-02-01 This book captures the intensity of the relationship between writers and their typewriters from the 1880s when the machine was first commercialized to the 1980s when word processing superseded it Drawing on examples from the United States Britain Europe and Australia The Typewriter Century focuses on celebrity writers including Henry James Jack Kerouac Agatha Christie Georges Simenon and Erle Stanley Gardner who wrote prolifically and mechanically developing routines in which typing handwriting and dictation were each allotted important functions The typewriter de personalized the text the office typewriter bureaucratized it At the same time some authors found a new and disturbing distance between themselves and their compositions while others believed the typewriter facilitated spontaneous and automatic typing The Typewriter Century provides a cultural history of the typewriter outlining the ways in which it can be considered an agent of change as well as demonstrating how it influenced all writers canonical and otherwise
