Escape From Codependent Christianity From Religious Control To Spiritual Freedom:

Escape from Codependent Christianity James Richardson, 2004-03-01 Many Christians are painfully codependent and never get free A codependent lifestyle is a miserable fearful life From never feeling secure to the need to always be in control the extremes of codependency fuel the chaos and pain in our lives In *Escape from Codependent Christianity* Dr James B Richards examines this common phenomenon in light of the truth of Scripture Codependency is not complicated It involves depending upon others for what we have no right to expect from them Codependents often fall into the trap of living on other people s approval for their own sense of self worth They may depend on others for decisions or happiness No matter what the needs are the key to codependency involves trying to get from others what people cannot truly give **The Christian Left**

Lucas Miles, 2021-05-04 The church has been invaded The Christian Left unveils how liberal thought has entered America s sanctuaries exchanging the Trinity of the Father Son and Holy Spirit for the trinity of diversity acceptance and social justice This in depth look at church history world politics and pop culture masterfully exposes the rise and agenda of the Christian Left Readers will learn how to Identify and refute the lies of the Christian Left Uncover the meaning of love as Jesus defined it Navigate controversial subjects such as abortion gender identity and the doctrine of hell Gain confidence in upholding biblical values Come face to face with the person of Jesus who is neither left nor right but the embodiment of truth and grace Be equipped with a strong understanding of issues facing the church today and empowered to elevate God s truth justice and wisdom

God Dependency Lynne Bundesen,1991 **The Happy Heretic** Leo Booth,2012-12-03 Religion can be source of comfort when facing struggles both personal and universal But clinging to religion as a codependent fix for all problems can cultivate excessive fear shame guilt and low self esteem Acclaimed author Reverend Leo Booth a Unity minister and former Episcopal priest warns that a belief in tenets like Everything happens for a reason and This is in God s hands can be the first step in developing religious codependency Rev Leo turns traditional thinking and spirituality upside down by suggesting that many toxic messages emanate from core religious beliefs In The Happy Heretic he challenges beliefs like original sin a dogmatic one way path to God the shaming of human sexuality religious codependency and the exclusiveness of Jesus perfection within the human race The arguments he presents are derived from Pelagius a fourth century monk who challenged the teachings of St Augustine and Rumi a revolutionary thirteenth century poet and philosopher In his confessions St Augustine s states It is only by Your grace and mercy that You have melted away the ice of my evil Pelagius felt this idea lacked balance It affirmed only God s role and didn t speak to our involvement Likewise Rumi believed that God s spirit exists within all human beings and enables divine creativity in life The theology philosophy and recited prayers we learned through organized religion often emphasize the idea that we are sinful people who are dependent upon a powerful and punishing God The Happy Heretic provides an escape from this shadow by encouraging readers to enter into a partnership with God affirming personal dignity alongside responsibility in other words free will and the choices we make determine much of the success or failure we encounter Real life examples of the core issues surrounding religious codependency along with Seven Spiritual Insights help readers rethink their religious beliefs including the prayers they grew up with to form a deeper more spiritual understanding of who they are and their connection with God In this thought provoking read Reverend Leo calls himself a heretic a person who is willing to think differently and he invites readers to discover an alternative explanation for how we experience God s grace The Happy Heretic explains this divine relationship in ways that make us feel alive empowered and still true to who we are The Happy Heretic confronts toxic religious messages and brings a spiritual awareness that affirms human possibility and responsibility This book is not for the fainthearted John Bradshaw author of Homecoming **Overcoming Control** Alice Briggs,2020-04-15 Do you feel that you are being controlled Do you feel the need to be in control of everything Do you need to be controlled to accomplish anything If so you may need some healing from control Control tells you that you need to be under someone s thumb at all times or you ll run amok Or it tells you that you have to control everything around you or you won t be able to be safe or get anything done Control tells you that control equals love Control lies This book will walk you through emotional and spiritual healing strategies from a Christian

worldview so you won't need to listen to those lies ever again We'll cover Generational Issues Ungodly Beliefs and Lies Emotional Wounds Demonic Oppression And more Plus strategies to walk out the healing you've received Are you ready to embrace your power and authority and make a change
