Stereophile ,2000 **The Complete Car Cost Guide** ,1995 **The Asian Miracle, Myth, and Mirage** Bernard Arogyaswamy,1998-04-23 Until recently double digit economic growth was not unusual among Asian countries and in fact had come to be expected of them From western India to northeastern China markets were booming and incredible numbers of foreign investors were racing into the Asian markets Scholars have written laudatory books and articles politicians want to ensure that trade with Asian countries continues on a rising trajectory and business leaders have become the new promoters of Asian prosperity This book attempts to inject a note of caution and reality while giving Asian countries well deserved credit for improving their economic status Technological managerial and institutional deficiencies need to be addressed in Asian countries if the progress of the past two decades is to be restored and preserved Although Asian nations particularly Japan have invested heavily in R D their success mainly derives from process improvements and not from new product innovations Technology and science are the foundations of modern economic civilization and Asia s assets fall behind Western countries in both areas The centrality of family based organizations in some Asian economies and the dependence on horizontal vertical networks in others also limits the ability of Asian firms to become global operations The lack of adequate institutions such as an independent judiciary and a responsive polity and the absence of organizations to bridge the gap between familism and the government results in an uncertain societal framework in much of Asia If robust economic growth is to return Asian economies must rectify the weaknesses Arogyaswamy exposes in this provocative and timely book The Yugo Jason Vuic,2024-03-26 Six months after its American introduction in 1985 the Yugo was a punch line within a year it was a staple of late night comedy By 2000 NPR s Car Talk declared it the worst car of the millennium And for most Americans that s where the story begins and ends Hardly The short unhappy life of the car the men who built it the men who imported it and the decade that embraced and discarded it is rollicking and astounding and one of the greatest untold business cum morality tales of the 1980s Mix one rabid entrepreneur several thousand good communists a willing U S State Department the shortsighted Detroit auto industry and improvident bankers shake vigorously and you ve got The Yugo The Rise and Fall of

the Worst Car in History Brilliantly re creating the amazing confluence of events that produced the Yugo Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke The American CEO who happens upon a Yugo right when his company needs to find a new import or go under A State Department eager to aid Yugoslavia s nonaligned communist government Zastava Automobiles which overhauls its factory to produce an American ready Yugo in six months And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo at the bottom
