Stitching Identities in a Free Trade Zone Sandya Hewamanne, 2011-06-03 Anthropologist Sandya Hewamanne spent time in a Sri Lankan free trade zone FTZ working and living among the workers to learn about their lives. They were poor women from rural areas. Hewamanne writes who migrated to do garment work in transnational factories of a global assembly line. Their difficult work routines and sad living conditions have been examined in detail. When I was with them I often wondered whether anyone noticed the smiles, winks, smirks, gestures, tones of voice, the movies they saw or the songs they sang. Hewamanne deftly weaves theories of identity, globalization and cultural politics throughout her detailed accounts of the workers' efforts to negotiate ever shifting roles and expectations of gender, class and sexuality. By analyzing how these workers claim political subjectivity, Hewamanne's *Stitching Identities in a Free Trade Zone* challenges conventional notions about women at the bottom of the global economy. The book offers a fascinating journey through the vibrant subaltern universe of Sri Lankan female migrant workers from the FTZ factory shop floor to boarding houses, from urban movie theaters to temples and beaches and back to their native rural villages. *Stitching Identities in a Free Trade Zone* captures the spirit with which women confront power and violence through everyday poetics and politics, exploring how female workers construct themselves as different while investigating this difference as the space where deep anxieties and ambivalences over notions of nation, modernity and globalization get played out. *Free at Last in Paradise* Ananda W. P.

Guruge, 2010-07-08 *FREE AT LAST IN PARADISE* is a historical novel on Sri Lanka. It is the first part of *A SRI LANKAN TRILOGY FROM FREEDOM TO PEACE* and deals with the period 1848 to 1948 when the country evolved into a modern nation and regained independence. It is a gripping novel tracing the path of the freedom movement in then Ceylon from the 1848 rebellion to Independence in 1948. It features a Buddhist boy, a young novice in a temple, later educated in missionary schools, becomes a government functionary, a forest monk, and still later an erudite scholar whose life parallels the freedom movement driven mainly by the Buddhist revival led by Colonel Henry Steel Olcott and his followers Anagarika Dharmapala and Sir Baron Jayatilake. The hero was a strong nationalist deeply involved in the movement most of his adult life. Though a work of epic proportions full of information, masterfully dissecting every aspect of social and family life with all its strains of caste and class as well as the political and cultural scene of Ceylon at the time, it is a triumphant love story that is by turns dramatic and powerful, romantic and tender that makes you want to keep reading. Displaying the author's dexterity, the most readable prose is appropriately laced with exhilarating verse. This is an extraordinary novel that exemplifies the best of historical fiction. Somehow he has managed to make the story both educational and dare I say it fun. The book will be read with pleasure, says David Vickery of Britain, by those who love Ceylon and introduce those who have no knowledge of the country to a fascinating society. Leslie Gray M D of Denver, Colorado, USA, in his review published in the *Journal of Theosophical History* says a magnum opus, a masterpiece from any angle. Elegant style, eloquent language, relentless tempo.

This work will be of immense interest to academicians and administrators as well as to scholars and students from a wide spectrum of academic disciplines. *Milestones to Independence*, 1999 Contributed articles chiefly on economic and social development of Sri Lanka. The First Naipaul World Epics, 2021-07-31 The plethora of commentary from highly respected voices in a broad cross section of academic disciplines which V S Naipaul's death on 11 August 2018 elicited ranged so widely both cognitively and emotionally that if a student of literature unfamiliar with the Naipaulian era read it all they would have failed to make sense of the divergences. Allegations included that he was a cruel man a scarred man the darkest dungeons of colonialism incarnate self punishing self loathing world loathing full of nastiness and fury a ventriloquist for the nastiest clichés European colonialism had devised to rule the world with arrogance and confidence and so on. On the other hand writers referred to Naipaul as a brilliant writer's writer one who holds a mirror of imagination unto society to capture a certain view of reality and one who has turned the genre of the travelogue into an art form. Debates aside many of us appreciate the value of Naipaul's writing to the deepest possible comprehension of the imperial impulse and the myriad reasons it manifested as colonialism. *The First Naipaul World Epics* is the first in a series of critical collections that aim to demonstrate this value. At the same time the series seeks to help the new student through the quagmire of divergent opinions his personality and writing have generated.
